2017-18:

Recent Resident Presentations:

Coleman, Julia “Comparison of Native and Kaolin to Rapid Thromboelastography in Trauma Patients.” Academic Surgical Congress, January 29-February 1, 2018, Jacksonville, Florida.

Deeney, Scott, “ECMO duration predicts survival in congenital diaphragmatic hernia” Academic Surgical Congress, January 29-February 1, 2018, Jacksonville, Florida.

Dewberry, Lindel, “Decreased Inflammation in Scarless Fetal Skin Wound Healing is Regulated by miR-146a”, Academic Surgical Congress, January 29-February 1, 2018, Jacksonville, Florida.

Heelan Gladden, Alicia, “A vascular anastomosis simulation can provide a safe and effective environment for resident skills development”, American College of Surgeons Clinical Congress 2017, October 22-27, 2017, San Diego, California.

Hodges, Maggie,”IL-10 induces differential myofibroblast activation in adult and fetal cardiac fibroblasts mediated by upregulation of TGFβ1”, American College of Surgeons Clinical Congress 2017, October 22-27, 2017, San Diego, California.

Ibrahim-Zada, Irada, “Does the choice of chemotherapeutic agent, mitomycin C vs. oxaliplatin, matter in cytoreductive surgery and hyperthermic intraperitoneal chemotherapy?” World Congress of Surgery, August 13-17, 2017, Basel, Switzerland.

Kohtz, Patrick, “TLR-4 is a Mediator of Proliferation in Esophageal Cancer Cells” Society of Thoracic Surgeons 54th Annual Meeting, January 27-31, 2018, Fort Lauderdale, Florida.

**Upcoming Resident Presentations:**

Chapman, Brandon “Improved survival in rectal cancer patients who are treated with long-course versus short-course neoadjuvant radiotherapy: A propensity-matched analysis of the NCDB”, American Society of Colon and Rectal Surgeons, May 19-23, 2018, Nashville, Tennessee.

Christian, Nicole, “Taking Advantage of New Educational Opportunities Following a Health Care Merger”, Association for Surgical Education, May 1, 2018, Austin, Texas.

Coleman, Julia, “Administration of hypertonic saline (23.4%) does not provoke coagulopathy.” 19th European Congress of Trauma and Emergency Surgery, May 6-8, 2018, Valencia, Spain.

Coleman, Julia, Competition for Nationals for the Committee on Trauma, “Hypertonic saline administered for the reduction of intracranial hypertension does not promote coagulopathy.” March, 2018.

Lin, Yihan, “Validity of a novel institutional method to analyze HVAD logfiles” International Society of Heart and Lung Transplantation, April 11-14, 2018, Nice, France.

Plotkin, Anastasia, “Fourth Time Redo Common Femoral Vein Reconstruction with a Novel Hybrid Technique”: 36th Annual Meeting of the Southern California Vascular Surgical Society, May 4-6, 2018, Laguna Beach, California.

Samuels, Jason, “Statins May be a better Agent for Thromboembolic Prophylaxis”, 19th European Congress of Trauma and Emergency Surgery, May 6-8, 2018, Valencia, Spain

Samuels, Jason, “28-day Thawed Plasma Maintains Capacity to Inhibit tPA-induced Fibrinolysis Similar to Freshly Thawed Plasma”, 19th European Congress of Trauma and Emergency Surgery, May 6-8, 2018, Valencia, Spain.

Sumislawski, Joshua, “Discrepancies Between Conventional and Viscoelastic Assays in Identifying Trauma-Induced Coagulopathy”, Southwestern Surgical Congress, April 8-11, 2018, Napa, California.
