The listed texts are required or recommended in at least one block. Textbooks for both Phase I and Phase II blocks are included in the list so you can better plan your purchases. Books are listed alphabetically by title. Using older edition textbooks is usually not a problem but page numbers for assigned reading will need to be adjusted.

   - Phase I – Nervous System – Recommended

   - Phase I and Phase II - Foundations – Recommended

   *Grant’s Atlas of Anatomy*, 14th ed., Agur AMR, Dalley AF, Lippincott, Williams & Wilkins, 2013. or
   - Phase I - Human Body – Required (1 print atlas or the App)

   - Phase I - Human Body – Required
