What should I do if…

I experience a needle stick or bodily fluid exposure while in clinic?

1. Complete Needlestick or Body Fluid Exposure Report Form at http://www.cu.edu/risk/incident-procedure (within 72 hours of the incident)

2. Notify the CHA/PA Program Clinical Course Director after filing the online report.

*Students should try to obtain a source patient’s medical record number or name/DOB, as this is helpful for University Risk Management and Infectious Disease.

**For a list of these, go to: www.cu.edu/risk/incident-procedure.
