APTA Advanced Clinical Instructor
Education and Credentialing Program

Anschutz Medical Campus
Friday, March 17, 7:45 am - 5:30 pm
Saturday, March 18, 8:00 am - 5:30 pm

Please complete the following steps to register for this course:

1) Fill out the included Electronic Participant Dossier Form

2) Fill out the Credit Card Payment Form for the amount as follows:
   APTA members: $100*
   Non-members: $225*
   *If you are unable to pay with a credit card please contact Mary Teel 303-724-9344.

3) Email completed Dossier form along with credit card payment information to Mary Teel at Mary.Teel@UCDENVER.EDU

Registration and payment must be received by February 21th!

As a THANK YOU to our clinical education partners, CIs from sites that have mentored a CU PT student in the past two years are eligible for a discount!
The first ten registrants from an active site will receive $25 discounts.

If you have questions or need additional information, contact Mary Teel at 303-724-9344 or Mary.Teel@ucdenver.edu.
Course Description

The Advanced Clinical Instructor Credentialing Program brings two constructs together in one professional development program that advances both clinical teaching and best practice when providing student clinical education. Using a case-based and interactive approach to education, this program will provide participants with the essential knowledge and skill to more effectively teach and mentor students in the context of a doctoring profession. Through the program’s unique philosophy and design, best outcomes will be achieved for student learning.

**Eligibility:** Physical Therapists who are APTA Credentialed Clinical Instructors and who have had at least one student since completing the credentialing program.

At completion of the course, the participant will be able to:

1. CIs will be able to teach using pedagogical methods that enable learners with patients/clients to integrate more complex concepts by demonstrating.
   - Consistent application of professional standards and regulations in clinical education. Six elements of Vision 2020, professionalism, evidenced-based practice in a consistent and clinically relevant manner.
   - Correct use of the patient/client management model.
   - Professional communication in clinical practice including documentation.
   - Clinical decision making using patient values, professional skills, and the best available evidence.

2. CIs will be more effective and efficient practitioners and clinical teachers by:
   - Advancing clinical teaching concepts.
   - Modeling, integrating, and promoting behaviors that are congruent with and reflective of the six elements of Vision 2020 and the core values.
   - Synthesizing information from APTA, FSBPT, CAPTE, and State and Federal regulations.
   - Demonstrating best practice in documentation.
   - Applying the Patient/client management model, evidenced-based practice, clinical decision-making approaches and professional ethics in every day practice.
   - Living the philosophy of lifelong learning
