UCH ID Badge Scheduling Instruction

Program Coordinator Instructions

For Interns

The GME office will schedule UCH badging appointment for all Interns. Dates and times of appointments will be included in the orientation week schedules provided to all programs by the GME Admin Assistant.

For New PGY2s and Above

PC to send a list of new residents who will be rotating through UCH to Bethany Gaul (bethany.gaul@uchealth.org) and Steven Hatch (Steven.Hatch@uchealth.org) in order for them to check that they have received forms and secured access privileges before the resident comes to have photo taken.

Please schedule your groups as soon as possible by calling the UCH-ID Access Control Office at 720-848-8356. Groups will be scheduled at the Anschutz Medical Campus UCHAccess Control Office (Badging Office).

Each PC must assign participants to a group and a time slot for this particular group (i.e., Cardiology, Group of 9, 1:00-1:30). Please note if a resident shows up at the appointment and no paperwork has been received on him/her, UCH will not process this person during this time frame. The coordinator may then schedule a time to get the badge at a later date. This minimizes the time people must wait in line. For larger groups, it is ideal to have the group take photos and then have the PC return a day or two later to pick up the badges for distribution. This eliminates a lot of time waiting for your residents.

Anschutz Medical Campus UCH Access Control Office (Badging Office) is located in the Leprino Parking Structure, 12501 E 17th Avenue, 1st Floor, behind stairwell next to Jimmy Johns.
