| Faculty Evaluation of Resident (Formative Evaluation) | Confidentiality | Delivered at the end of each educational assignment, or a minimum of quarterly should the assignment span multiple months. Must be completed in a timely manner (within 14 days) after each educational assignment. | Based on ACGME competencies and specialty-specific milestones. | The faculty must evaluate resident performance in a timely manner during each rotation or similar educational assignment, and document this evaluation at completion of the assignment.  
- ACGME CPR V.A.2.c (1) |
| Resident Self-Evaluation (Formative Evaluation – Part of the Multi-Source) | Confidentiality | Semi-Annually | CU GME Resident Self-Assessment - Sample Based on ACGME competencies and specialty-specific milestones. | The program must "use multiple evaluators (e.g., faculty, peers, patients, self, and other professional staff)."  
- ACGME CPR V.A.2.b (2) |
| Resident Evaluation of Resident-Peer (Formative Evaluation – Part of the Multi-Source) | Confidentiality | Semi-Annually | Contact GME for Sample Based on ACGME competencies and specialty-specific milestones. | The program must "use multiple evaluators (e.g., faculty, peers, patients, self, and other professional staff)."  
- ACGME CPR V.A.2.b (2) |
| Professional Staff Evaluation of Resident (Formative Evaluation – Part of the Multi-Source) | Confidentiality | Semi-Annually | Contact GME for Sample Based on ACGME competencies and specialty-specific milestones. | The program must "use multiple evaluators (e.g., faculty, peers, patients, self, and other professional staff)."  
- ACGME CPR V.A.2.b (2) |
| Patient Evaluation of Resident (Formative Evaluation – Part of the Multi-Source) | Confidentiality | Semi-Annually | Contact GME for Sample Based on ACGME competencies and specialty-specific milestones. | The program must "use multiple evaluators (e.g., faculty, peers, patients, self, and other professional staff)."  
- ACGME CPR V.A.2.b (2) |
| Resident Semi-Annual Evaluation by Program Director | Confidentiality | Semi-Annually | Refer to GME Website Evaluations & Surveys Based on ACGME competencies and specialty-specific milestones. | Provide each resident with documented semi-annual evaluation of performance and feedback. - ACGME CPR V.A.2.b. (4) |
| Resident Summative Evaluation by Program Director | Confidentiality | Upon completion of the program | Summative Evaluation Template - Sample Based on ACGME competencies and specialty-specific milestones. | The program director must provide a summative evaluation for each resident upon completion of the program.  
- ACGME CPR V.A.3.b |
| Resident Evaluation of Faculty | Confidentiality | At least annually, in writing | Confidentiality for faculty evaluation includes:  
- GME Evaluation Policy for confidentiality suggestions. | This (Faculty) evaluation must include at least annual written confidential evaluations by the residents.  
- ACGME CPR V.B.3. |
| Program Director Evaluation of Faculty (not a formal written evaluation) | Confidentiality | At least annually | Include elements that review the faculty’s “clinical teaching ability, commitment to the educational program, clinical knowledge, professionalism, and scholarly activity” – Per ACGME CPR V.B.2. | At least annually, the program must evaluate faculty performance as it relates to the educational program.  
- ACGME CPR V.B.1 |
| Resident Evaluation of Program | Confidentiality | At least annually, in writing, discussed and documented during Annual PEC Meeting | CU GME Program Evaluation for Residents - Sample | The program must use the results of residents’ and faculty members’ assessments of the program together with other program evaluation results to improve the program.  
- ACGME CPR V.C.2.d (2) |
| Faculty Evaluation of Program | Confidentiality | At least annually, in writing, discussed and documented during Annual PEC Meeting | CU GME Program Evaluation for Faculty - Sample | The program must use the results of residents’ and faculty members’ assessments of the program together with other program evaluation results to improve the program.  
- ACGME CPR V.C.2.d (2) |
