ADTS Lite

MYERAS ALERT:
The MyERAS Track Applications tab features a special Scramble Edition ADTS called ADTS Lite. It will not have all the functionality of the normal ADTS; however, it provides the necessary information you need regarding whether programs have downloaded your application. Special Scramble rules apply:

- ADTS Lite will be available beginning at 12 noon on Tuesday of Match Week.
- You will only be able to see the status of applications transmitted during Scramble (beginning 12 noon on Tuesday).
- Since all assigned documents are generally transmitted together as part of your application, individual document statuses will not be displayed; only the overall status of your Scramble application will display.
- Normal ADTS functionality resumes on Wednesday of Match Week.

| Scramble Programs | 1 University of Hawaii Program, Internal Medicine, Honolulu, HI | 2 Franklin Square Hospital Center, Internal Medicine, Baltimore, MD | 3 Johns Hopkins University/Sinai Hospital Program, Internal Medicine, Baltimore, MD | 4 Harbor Hospital Program, Internal Medicine, Baltimore, MD | 5 Good Samaritan Hospital of Maryland Program, Internal Medicine, Baltimore, MD | 6 Greater Baltimore Medical Center Program, Internal Medicine, Baltimore, MD | 7 University of Maryland Program, Internal Medicine, Baltimore, MD |

ADTS Lite will provide general overall status of your Scramble application. Normal ADTS functionality resumes on Day 2 of the Match.
