- Bike Thefts Outside Edl: “Everyone I’ve [Caroline] talked to has had a chain lock but not a U-Lock so I recommend getting one of those if you don’t already have one. Also when I went to report my stolen bike to the campus police, they said they hadn’t heard of all the other thefts. They asked me to tell people to report it, even if the bike is not really worth anything because it helps them track the theft patterns so they can actually do something about it.”

Newsletter Spaceholder:

Be prepared to see letters from your class officers here in future.

Since I don’t have any letters yet, I will send out another plea. If you would like to see jokes or other funny stuff in the newsletter (related to classes or not), please send it to me by email. I am regrettably lacking in a creative sense of humor 😊.
