Pediatric Interest Group (PMIG)
Are you interested in pediatrics?

We are hoping to set up a list serve of people who are interested in pediatrics. If you sign up you will receive occasional emails about:
- lunch lectures
- AAP Dinners (Where you can meet local pediatricians!)
- Pediatric Skills Nights

You will also have access to a list of pediatricians who are willing to have students come shadow them in the fall!

If you're interested please fill out this survey http://www.surveymonkey.com/s/TNVRQ8
Also, if you have any questions email us at peds.group@gmail.com

CLASS OF 2014
The time has come for us wizened almost-second-years to pass on our knowledge to the incoming classes via the officially unofficial MS1 handbook.

Your input is extremely valuable toward giving the incoming students a real perspective of life at CU. It is so valuable in fact, that if 100 people fill out the survey by Wednesday, we will bring you all cookies.

Thank you!
