**JFK Partners and the Health Care Program for Children with Special Needs (HCP) Present a Webinar...**

**Care Coordination Needs of Children with Special Health Care Needs**

Tuesday, June 26, 2012 ~ 10:00-11:30 a.m.

Anschutz Medical Campus, Education 2 North, 13120 E. 19th Ave., Room 1107, Aurora, CO 80045

We invite you to join us for a presentation and discussion about care coordination in the public health setting. The speakers will provide an overview of Colorado’s Children with Special Health Care Needs (HCP) model of care coordination, national trends in care coordination, payment models for care coordination, and examples of care coordination from another state’s Title V program.

**Objectives:**

- Understand why care coordination is a standard of care for children and youth with special health care needs.
- Describe the Health Care Program for Children with Special Needs (HCP) model of care coordination and identify the five components of the model.
- Describe the unique value of community practice-based care coordination to families and Medical Homes.
- Describe lessons learned from a state-sponsored, practice-based care coordination pilot in pediatric primary care.
- Understand the critical role of the care coordinator on the Medical Home team in the context of new payment models.

**Audience:** The targeted audience for this training is those who perform care coordination in public health care settings; however anyone is welcome to attend.

**Speakers:**

- Christopher Stille, MD, MPH, Professor of Pediatrics and Section Head of General Academic Pediatrics, University of Colorado School of Medicine and Children’s Hospital Colorado.
- Ann Whitehouse, HCP Care Coordination Program Manager, CDPHE
- Kathleen McInnis, RN, MS, Care Coordination Services Manager
