UNIVERSITY OF COLORADO
ANSCHUTZ MEDICAL CAMPUS

A Presentation of Co-CANDO

Colorado Collaborative for Autism
and Neurodevelopmental Options
in collaboration with JFK Partners

CANDO Meeting and Educational Feature Colorado Department of Education Model Autism Programs Across the State Friday, December 12, 2014 – 9:00 a.m. – 12:00 p.m.

This meeting of CANDO will provide updates on a number of activities in relationship to goals in the strategic plan. There will be an update on a proposal to expand the Children with Autism Waiver. Mary Hoefler from Office of Behavioral Health will provide an update on the Colorado Crisis Program. There will be an informational session on the Colorado Children’s Mental Health Treatment Act. The educational feature will focus on the [Colorado Model Autism and Significant Needs Programs](#) (COMASP). The Colorado Department of Education, addressing Recommendation 10 of the Colorado Autism Commission (Establish a statewide training system for all educators and staff), are collaborating with school districts and Board of Cooperative Education (BOCES) to develop model autism programs across the state and in all grade levels. Kate Loving and Emmie Steinberg will present on their experience in the project and what it is providing for students and educators. **All interested individuals are welcome to attend in person or by webinar. Be sure to register.**

OR

Webinar Attendance

ONLINE connection:

Be sure to register as a **web participant** in order to receive an email 2 business days before the event with a link and instructions for connecting.

Equipment needed:

- Computer with high speed internet connection
- Adobe Flashplayer installed
- Speakers for sound

Sound for the webinar will be through your computer, so there is no phone number to dial into. You will be able to type in your questions in the Chat box, but will not be able to ask questions by microphone.

Questions regarding web connection or other logistical questions can be directed to
Dina Johnson at 303-724-7673 or dina.johnson@ucdenver.edu.
