We invite you to join us for our annual Autism Spectrum Disorders Update as part of Autism Awareness Month. This webinar will provide updates from the Autism and Developmental Disabilities Monitoring (ADDM) Network and updates on the current status of Medicaid Waivers in Colorado for children with special health care needs, including children with Autism Spectrum Disorders.

Following this webinar, the audience will understand:

- most recent CDC data regarding the prevalence of Autism
- current efforts to refine Colorado’s long term services and supports
- discussion of Respite Care as a medically necessary service

Moderator: Cordelia Robinson Rosenberg, PhD, RN - Director, JFK Partners, Professor of Pediatrics and Psychiatry

Speakers:
- Kelly Kast, MPH, Coordinator, Autism Projects, Colorado Department of Public Health and Environment
- Carol Meredith, Director, Arc of Arapahoe Douglas County
- Marijo Rymer, Director, Arc Colorado
- Shannon Zimmerman, Parent

Registration:
Pre-registration by Monday, April 21, 2014 is required due to space limitations for both the live site and a webinar connection.

Live Site Attendance
LIVE Site Location:
Anschutz Medical Campus, Education 2 North
13120 E. 19th Ave., 1st Floor, Rm 1308
Aurora, CO 80045

A map with directions and PARKING information will be emailed along with a reminder a few days before the event. We strongly recommend you print and bring them with you to make finding parking and the room easier for you.

Webinar Attendance
ONLINE connection:
Be sure to register as a web participant in order to receive an email 2 business days before the event with a link and instructions for connecting.

There are limited numbers of webinar licenses available, so you are encouraged to collaborate with others in your agency to watch together so only one or two connections per agency are reserved.

Questions regarding web connection or other logistical questions can be directed to Dina Johnson at 303-724-7673 or dina.johnson@ucdenver.edu.
