Children have high quality early learning supports and environments and comprehensive health care.

Families have meaningful community and parenting supports.

Early childhood professionals have the knowledge, skills, and supports to work effectively with and on behalf of families and children.

**GOALS**

**ACCESS OUTCOMES**

- Increased availability of formal education and professional development opportunities for early childhood professionals related to early learning standards.
- Increased access to high quality early learning, birth through third grade.

**QUALITY OUTCOMES**

- Increased number of children meeting developmental milestones to promote school readiness.
- Increased number of programs that are accredited and/or quality rated.
- Increased number of schools that have leadership and educational environments that support young children’s success.
- Increased availability of community resources and support networks for early childhood practitioners, professionals, and programs.

- Increased number of children meeting critical milestones to promote school readiness.
- Increased number of children with special needs who receive consistent early learning services and supports.
- Decreased gaps in school readiness and academic achievement between populations of children.

**EQUITY OUTCOMES**

- Increased availability and use of family literacy services and supports.
- Increased availability of resources and supports, including financial and legal, to promote family self-sufficiency.
- Increased coordination of services and supports for families and children who are at-risk or have special needs.

**STRATEGIES FOR ACTION**

- Develop and support use of early learning standards by families, programs, and professionals.
- Evaluate and program high quality programs with a comprehensive rating and reimbursement system.
- Develop, promote, and support high quality professional development and formal learning for adults who work with young children.
- Monitor children’s learning and development through screening and on-going assessments.
- Improve financial sustainability and governing efficiency of early learning programs and infrastructure.

- Strengthen coordinated efforts of public and private stakeholders to meet the needs of children and families.
- Strengthen and support family leadership through effective training models.
- Provide tools and information to families to strengthen their own engagement and involvement in their children’s lives.
- Provide information to families to facilitate connection to services and supports.

- Promote caregivers’ knowledge of the social, emotional, and mental health of young children.
- Provide early childhood professionals with effective practices that promote children’s social, emotional development and mental health.
- Strengthen and support community-based mental health services that identify and serve young children.

- Enroll more children in health insurance programs.
- Promote and support use of standards for a Medical Home approach (including medical, oral, and mental health screening and services).
- Strengthen and coordinate efforts of public and private stakeholders to support health and wellness.

**FOUNDATIONS**

- Build and Support Partnerships
- Fund and Invest
- Change Policy
- Build Public Engagement
- Share Accountability
- Generate Education and Leadership Opportunities

**OUTCOMES**

- Increased number of children with high quality early learning supports and environments.
- Increased number of children with comprehensive health care.
- Increased number of children with high quality early learning supports and environments.

**FAMILY SUPPORT AND PARENT EDUCATION**

- Increased availability and family use of high quality parenting/child development information, services, and supports.
- Increased parent engagement and leadership at program, community, and policy levels.

**SOCIAL, EMOTIONAL, AND MENTAL HEALTH**

- Increased availability and use of high quality social, emotional, and mental health training and support.
- Increased number of supportive and nurturing environments that promote children’s healthy social and emotional development.

**HEALTH**

- Increased access to preventive oral and medical health care.
- Increased number of children covered by consistent health insurance.

**ALL CHILDREN ARE VALUED, HEALTHY, AND THRIVING**

**EARLY CHILDHOOD COLORADO FRAMEWORK / JULY 2008**

**EARLY CHILDHOOD COLORADO PROVIDES A FRAMEWORK THAT:**

- Recognizes the needs of the whole child and family.
- Communicates the vision for comprehensive early childhood work.
- Focuses on specific measurable outcomes.
- Guides, organizes, and focuses the actions and accountability of public and private stakeholders.

**THIS WORK IS GUIDED BY THE FOLLOWING PRINCIPLES:**

- Be child-focused and family-centered.
- Recognize and respond to variations in cultures, languages, and abilities.
- Use data to inform decisions.
- Build on strengths of communities and families.
- Focus on children from birth to age 8.
- Promote partnerships.
- Act at state, local, and statewide levels.
