It takes a team!

HCP

Community Support

Hospital Staff

NFP

Early Intervention

Connect with your Community

- Nursing students
- Non-profit supporters (Mesa Developmental Services)
- Parent support groups
- Home visiting professionals and para-professionals
- Therapists
- Healthy Communities

Develop & foster relationships with the community

- Participate on committees
- Reach out to key organizations
- Get to know individuals within organizations
- Make it a point to keep in touch on a regular basis
- Collaborate with education program, i.e. RN → BSN
- Provide pamphlets or flyers for social workers/discharge planners/nurses to hand out to parents of NICU graduate
