JFK Partners and the Health Care Program for Children with Special Needs (HCP) Present a Webinar...

Supporting Medically Fragile Infants
Transition from the NICU to a Medical Home
Thursday, October 25, 2012 ~ 10:00-11:30 a.m.
Anschutz Medical Campus, Education 2 North, 13120 E. 19th Ave., Room 1303, Aurora, CO 80045

We invite you to join us for a discussion about the community services available for families of premature and medically fragile infants within Colorado, including current state and local systems building efforts. We will identify both state and local individuals and community agencies interested in furthering the supports for families and assuring access to a medical home for infants after discharge from the hospital NICU.

Presenters are:
Barbara Deloian, PhD, RN and Jane Gerberding, RN, BSN

Objectives:
- Describe Colorado’s premature, late premature and medically at risk infant population
- Review the Action Steps that have been identified by the Colorado Key Stakeholder Premature Infant Summit in May 2012.
- Describe several local implementation efforts that support premature and medically fragile infant’s transition from the NICU to a medical home and will include their partners, challenges and success.

Audience: The targeted audience for this training is those who perform care coordination in public health care settings; however anyone is welcome to attend.
