Nursing (LEND) Fellowship in Developmental Disabilities
2016-17

JFK Partners, Colorado’s University Center of Excellence in Developmental Disabilities Education, Research and Service (UCEDD) and Leadership Education in Neurodevelopmental Disabilities (LEND) Program is offering a 12-month LEND Fellowship to begin July 1, 2016. The training emphasizes an interdisciplinary approach to research, assessment, and intervention, family support, service coordination, and community integration to meet the physical and emotional needs of persons with developmental disabilities. Development of disciplinary and interdisciplinary expertise, leadership and consultation skills and research as well as clinical growth are the goals of the training program.

Program Description: The Advanced Practice Nursing LEND Fellow participates in interdisciplinary evaluations, interventions and consultation with a wide range of persons with neurodevelopmental disabilities, with an emphasis on Autism Spectrum Disorders. The fellow also attends seminars offered at JFK Partners and is expected to participate in a research project in developmental disabilities. JFK Partners is committed to the recruitment of diverse individuals, including bilingual Spanish-speaking applicants.

Eligibility: Applicants admitted to (or having completed) one of the following graduate Specialty Programs will be considered: Psychiatric Mental Health Nurse Practitioner, Primary Care Pediatric Nurse Practitioner, Acute Care Pediatric Nurse Practitioner, and Family Nurse Practitioner, and Clinical Nurse Specialist. Nurse Practitioners and Clinicians admitted to the DNP Program will also be considered. Must be available to take coursework on Tuesdays (Sept-May) and attend a Leadership Course (July 11-15 and July 18-22, 2016 from 2:00-5:00 pm daily). Only candidates with US citizenship may be considered.

Support: Compensation for this graduate level, part-time (12-hours/week) position is $6,876 over 12 months. In-state tuition support is available for those interested in receiving credit. Courses undertaken during the fellowship are eligible to be considered as potential electives for the MPH in Maternal and Child Health or the Masters or DNP Nursing Programs. Funding for this position is contingent upon JFK Partners receiving grant funding.
