**Occupational Therapy Fellowship**

**2019-20**

**JFK Partners**, Colorado’s University Center of Excellence in Developmental Disabilities Education, Research and Service (UCEDD) and Leadership Education in Neurodevelopmental Disabilities (LEND) Program is offering an Occupational Therapy Fellowship to begin May, June or July, 2019 based on a mutually agreed start date.

The training emphasizes an interdisciplinary approach to research, assessment, and intervention, family support, service coordination, and community integration to meet the needs of persons with developmental disabilities. The goals of the training program include development of disciplinary and interdisciplinary expertise, leadership and consultation skills, research skills and clinical growth.

The Occupational Therapy Fellow participates in interdisciplinary evaluations, interventions and consultation with persons with a wide range of developmental disabilities including individuals with Autism Spectrum Disorder. The fellow also attends courses offered by JFK Partners and is expected to pursue a scholarly project in developmental disabilities.

JFK Partners is committed to the recruitment of culturally diverse individuals. Bilingual Spanish-speaking applicants and all other qualified applicants are encouraged to apply.

**Eligibility:** Applicants must have completed a master’s or doctoral degree in Occupational Therapy or be in the process of completing such a degree. All coursework and clinical fieldwork experiences need to be completed by August 2019 in order for an applicant to be considered for the 2019-20 Fellowship. Candidates will be considered who are licensed or eligible to become licensed in the state of Colorado. Only candidates with US citizenship can be considered.

**Program Description:** The Occupational Therapy Fellowship typically includes the following: specialized clinical training (assessment, treatment, consultation) in developmental disabilities with an emphasis on Autism Spectrum Disorder, research, and didactics (seminars, workshops, observations in various settings).

**Support:** A stipend for this master’s level position is $3,000-3,500/mo. with health care benefits available. Funding for this position is contingent upon JFK Partners receiving grant funding.
