Occupational Therapy Fellowship
2016-17

JFK Partners, Colorado’s University Center of Excellence in Developmental Disabilities Education, Research and Service (UCEDD) and Leadership Education in Neurodevelopmental Disabilities (LEND) Program is offering a 12-month Occupational Therapy Fellowship to begin July 1, 2016. The training emphasizes an interdisciplinary approach to research, assessment, and intervention, family support, service coordination, and community integration to meet the needs of persons with developmental disabilities. Development of disciplinary and interdisciplinary expertise, leadership and consultation skills and research as well as clinical growth are the goals of the training program. The Occupational Therapy Fellow participates in interdisciplinary evaluations, interventions and consultation with a wide range of persons with developmental disabilities with an emphasis on working with individuals with Autism Spectrum Disorder. The fellow also attends seminars offered at JFK Partners and is expected to pursue a research project in developmental disabilities. JFK Partners is committed to the recruitment of culturally and ethnically diverse individuals. Bilingual Spanish-speaking applicants, and all other qualified applicants, are encouraged to apply.

Eligibility: Applicants must have completed a master's or doctoral degree in occupational therapy or be in the process of completing such a degree. All coursework and clinical fieldwork experiences need to be completed by August 2016 in order for an applicant to be considered for the 2016 Fellowship. Candidates will be considered who are licensed or eligible to become licensed in the state of Colorado. Only candidates with US citizenship can be considered.

Program Description: The Occupational Therapy Fellowship typically include the following: specialized clinical training (assessment, treatment, consultation) in developmental disabilities with an emphasis on Autism Spectrum Disorder, research, and didactics (seminars, workshops, observations in various settings).

Support: Compensation for this master’s level position is $40,000 over 12 months with health care benefits available. Funding for this position is contingent upon JFK Partners receiving grant funding.
