Research and Career Development Awards

ACCF Young Investigators Awards Competition - Deadline September 15, 2014
**Description:** The Young Investigator Awards competition encourage and recognizes young scientific investigators of promise, upon whom progress in the field of cardiology is dependent. A manuscript and abstract summarizing any problem that relates to cardiovascular disease whether it be in etiology, pathophysiology, diagnosis, or therapy. The first place winner for each category receives $2,000, second place winners receive $1,000; three honorable mentions in each category receive $500. Travel, hotel and meals up to $1500 will be reimbursed for all 15 finalists to attend the YIA Competition at ACC.12 in Chicago.

ACCF/William F. Keating, Esq. Endowment Award for Hypertension and Peripheral Vascular Disease - Deadline September 22, 2014
The purpose of the award is to recognize and provide financial support for research efforts by outstanding your cardiovascular scholars. This award is to encourage junior faculty in the early phases of their careers in the field of cardiology. The award will provide one junior faculty member with a year of research support. The award will offer $65,000 for one year of research to begin July 1, 2013 and run through June 30, 2014.

ACCF/Merck Research Fellowships in Cardiovascular Disease and Cardiometabolic Disorders - Deadline September 22, 2014
Four one-year fellowships will be awarded to support research in adult cardiology. Preference is given to individuals who have had no more than two years of prior full-time experience either in clinical or basic research. Recipients will be expected to pursue a full-time project in clinical research during their year of supported training. Four fellowships in the amount of $70,000 each for the funding of July 1, 2013-June 30, 2014.

Travel Awards

NCDR/ACCF Travel Awards for the Annual Scientific Session – October 10, 2014
This travel award is to recognize accomplished young cardiologists who have successfully published a manuscript as a *primary author* from an NCDR funded research project. Three travel awards will be provided to those were fellows in training at time of publication. Criteria for selection will include significance of manuscript topic, level of authorship, and publication source.
