Research Study Opportunity

INVESTIGATIONAL FLU VACCINE

The University of Colorado Denver School of Medicine is conducting a research study of an investigational high dose influenza vaccine. The goal of this study is to improve the protection that flu vaccines provide to people 65 and older.

If you would like to learn more, and meet the following requirements:

• Age 65 or older, and
• Have not received a flu vaccine in the last 6 months

Please call:

Nancy Lang, RN @ 303/724-2454

Compensation available.
Primary Investigator: Myron J. Levin, MD
COMIRB # 09-0786, Approved 10/12/09
