

Extended Studies Course List for Summer Semester 2012

Courses for Non-degree seeking students require submission of Enrollment Request Form. Non-degree seeking students get seats on a space-available basis, so if the quantity of seats is 0 you will register into the wait-list to queue for any seats that open within drop/add period. Please contact Stephanie Aguinaldo at 303-724-1372 with questions.

Core Courses: the following three courses require only a bachelor's degree or instructor consent.
