The courses below are offered for the upcoming semester through the College of Nursing Extended Studies Campus. Students who are not matriculated into a degree program – including graduate certificate students – can take nursing courses by requesting enrollment in our nondegree program. All courses are taught online through the Canvas learning management system. For more information, visit our website or contact us at 303-724-8508 or con.extendedstudies@ucdenver.edu.

The 2019-2020 Extended Studies tuition rate is $690 per credit hour, plus fees. Nondegree students are not eligible for financial aid, and nondegree courses are not eligible for the University of Colorado employee Tuition Waiver Benefit (TWB). You are academically and financially responsible for all courses, tuition, and fees. For payment options, contact the Anschutz Medical Campus Bursar’s Office.

To register for course, submit an online enrollment request form at forms.ucdenver.edu/secure/con_application_enrollment_request. After your form is processed, you will receive instructions on how to register online. Our office will begin processing Fall 2019 forms in July and sending out registration instructions on a rolling basis through August. Nondegree students are prioritized after degree-seeking students and enroll on a space-available basis. If a course is full, you may register into the wait list to queue for any seats that open within the drop/add period.

**Enrollment Request Deadline**
- (Non-Degree) August 5, 2019
- (Certificate) August 19, 2019
- Fall Semester August 26 - December 13, 2019
- Drop Deadline September 6, 2019 5:00pm

This is the last day to drop a course and receive a full refund. Following the drop/add period, you may withdraw from courses by contacting con.extendedstudies@ucdenver.edu. Withdrawing from a course results in a “W” on your transcript, and you will be billed for the course, tuition, and fees. All registrations initiated after the drop/add period will be assessed a late fee and require instructor consent. A full refund is issued if the College of Nursing cancels a course.
NURSING EDUCATION
NURS 7865 Outcomes-Focused Curriculum Design & Program Evaluation

NEXus
The 2018-2019 NEXus Common Price is $865 per semester. Registration for NEXus courses requires additional paperwork. For more information visit the NEXus website or contact con.extendedstudies@ucdenver.edu.
