NURS 5015 DEATH DYING: SOCIAL AND MEDICAL PERSPECTIVES:
A comprehensive course on the multifaceted aspects dying and death and how it impacts individuals, community and health care providers

BEGINNING ONLINE
AUGUST 20, 2017

Some day, we will all die, Snoopy!

True but on all the other days, we will not.

University of Colorado, Online, 3 Graduate Credits, College of Nursing Extended Studies Program:

nursing.ucdenver.edu/nondegree

Curious? We’ll explore the answers…
Can where you live affect how you die?
Is modern technology prolonging life or prolonging death?
Who decides who lives and who dies?
What is the meaning of death if you are 2, 4, or 65 years old?
Who is ZDoggMD?

Who should take this course? YOU!
If you…
Need 3 Graduate Credits toward a Masters’ Degree or 45 CEU’S
