Courses listed below are available at The Naropa University and satisfy the specific prerequisite course requirements for admission to the Bachelor of Science Program at the University of Colorado College of Nursing. Applicants without a Bachelor Degree are required to complete the prerequisite courses listed below by the application deadline. Applicants with a Bachelor Degree are only required to complete the first 5 prerequisites by the application deadline.

* Either General Chemistry or the Science requirement must have an associated lab.

</table>

NOTE: For applicants without a Bachelor Degree, prerequisite courses may or may not total 60 semester credit hours. The remainder of the required 60 semester hours may be selected from most academic disciplines; we will not accept any commercial, vocational, or doctrinal courses in religion. Please contact the College of Nursing if there are any discrepancies on this list from offerings in your school’s catalog.
