I understand that by signing below:

- the MS course(s) I want to enroll in will not count towards my BS degree at the University of Colorado College of Nursing
- only up to 12 credit hours (MS courses) are transferrable into the MS program if I should decide to make application
- the MS course(s) do not conflict with any course or clinical scheduled in the BS program (BS course/clinical schedule has been determined prior to enrolling in the MS course)
- that by taking MS courses does not guarantee admission into the MS program.
