Advances in Pharmacy Practice 2013
This annual symposium will be held Saturday, Feb. 23 at the University of Colorado Anschutz Medical Campus. The program will provide six contact hours of ACPE-accredited updates on pain management, hypertension, dyslipidemia, clinical pharmacogenomics, and new medications. In addition to the conference space on campus, there will be three videoconferencing locations throughout the state: Grand Junction, Pueblo, and a new site at the Medical Center of the Rockies in Loveland, CO (near intersection of I-25 and Highway 34). Check out our brochure now.

Faculty Appointed to Marijuana Implementation Task Force
Drs. Kari Franson and Laura Borgelt have been selected to participate as members of the Consumer Safety - Social Issues working group, one of five groups assisting with Governor Hickenlooper’s Amendment 64 Implementation Task Force. The purpose of the task force and its working groups is to find practical and pragmatic solutions to the challenges of implementing Amendment 64 within the timelines outlined in the constitutional amendment. The Consumer Safety - Social Issues working group held its first meeting Jan. 3. For more info, read the attached article in the Denver Post.

In the News
Dr. Gina Moore was recently interviewed by KMGH Channel 7 for a news story about a patient who received the wrong medication from her local pharmacy. Watch the interview now.

Did You Know?
Our School has facebook, youtube and flickr sites. With more than 900 fans, our facebook page has the most fans of all the Schools and Colleges at the Anschutz Medical Campus. Become a fan today and you’ll have a chance to win a Skaggs School of Pharmacy and Pharmaceutical Sciences travel mug or running socks. Check out the videos posted to our youtube channel. Recent alums from the Non-traditional PharmD program talk about their experiences and what it means to them to earn their PharmD. Then drop by our flickr site and peruse the photos from recent events, including the 2012 Homecoming.
