Congratulations
The following faculty received promotions: Chapla Agarwal (PhD) research professor; Ty Kiser (PharmD) associate professor; Robert MacLaren (PharmD) professor; and Kavita Nair (PhD) professor with tenure.

Light Rail News
RTD announced that the light rail line into the Anschutz Medical Campus is being moved 1/4-mile north from Montview (across from the pharmacy building) to Fitzsimons Parkway to limit issues with sensitive research equipment. The stop is anticipated to open April 2016. Read more now.

Homecoming
Oct. 25-26 is Homecoming weekend, which includes a day of continuing education, lunch, and Saturday’s tailgate and game against Arizona at Folsom Field. Every year, the SSPPS’ Alumni Association hosts activities that coincide with Homecoming. This year, come celebrate with the Class of 1963 as they mark their 50th anniversary since graduating from pharmacy school. Also, this year marks the 10th anniversary of the first all PharmD class to graduate from our School! The Class of 2003 has been planning their reunion celebration for quite some time, which includes a cruise. Learn, connect and reconnect with your classmates and fellow alums. If you’ve thought about hosting a class reunion, but feel too overwhelmed by the task, contact Dana Brandorff for help. Keep your eyes peeled for further details.

CU at the Movies
Walk or bike into Civic Center Park Friday, Aug. 16 for a free showing of The Goonies! Civic Center Bike-in Movie Night is sponsored by CU Denver and Anschutz Medical Campus. Make a night of it, enjoy a picnic or purchase food from on-site gourmet food trucks. Be sure to stop by and pick up your CU picnic blanket at the alumni tent. Quantity is limited! Movie starts at dusk (@ 8.00 p.m.). Register here.

In the News
Denver Post reporter, Michael Booth, interviewed faculty member Dr. Gina Moore about a recent study by the CDC on the spike in drug overdose deaths among middle aged women. Learn more about the fivefold increase and what the government and others recommend to reduce this growing trend.

Alumni Association Seeking Board Members
If you have a passion for pharmacy, are a graduate of our School and want to help build a strong alumni association, consider serving on the Board of Directors. This small, but vibrant group is making a big impact. In just three years, the Board has hosted annual Homecoming events, and successfully established, raised and distributed more than $70,000 to five students through the Centennial Scholarship Campaign. So, if you’d like to mingle with fellow alums, connect with current students, build a membership base, host and help organize Homecoming and other events, develop a membership directory, or just touch base with fellow graduates, the Alumni Association wants you to serve on the Board. The Board meets once a quarter (in person or via conference call) to discuss and work on a variety of projects including those listed above. Contact Dana Brandorff for more information.
