You are cordially invited to participate in a highly interactive case-based

Virtual Visiting Faculty Series ACPE/CME-Certified Webcast

Role of the Community Pharmacist and CGM Technology in Intensive Treatment of Diabetes

Sam Ellis, PharmD, BCPS, CDE
Associate Professor
Department of Clinical Pharmacy
Skaggs School of Pharmacy and Pharmaceutical Sciences
University of Colorado

This live, virtual event will take place
Thursday, December 11, 2014
12:00-12:30 PM EST
11:00-11:30 AM CST
10:00-10:30 AM MST
9:00-9:30 AM PST

Please complete the Rapid Registration Form now to register and receive up to 0.50 ACPE/CME credits as well as view other cutting-edge educational programs and resources on cgmEDUCATION.net.

Intended Audience
Pharmacists, primary care physicians, nurse practitioners, certified diabetes educators, endocrinologists, and other healthcare professionals interested in the management of diabetes.

Needs Assessment
To learn more about this program, please view the Needs Assessment.

Educational Objectives
At the conclusion of this activity, participants should be better able to:

1. Understand how patients living with Type 1 diabetes use their continuous glucose monitoring (CGM) device to make management decisions
2. Identify methods for optimization of therapy and improve clinical outcomes using real-time (RT) personal and professional CGM in both adult and pediatric populations
3. Recognize the role of pharmacists in communicating about CGM and providing patient education to improve CGM device selection and optimize adherence
Accreditation and Certification

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Dannemiller and CogniMed Inc. Dannemiller is accredited by the ACCME to provide continuing medical education for physicians.

Dannemiller designates this live activity for a maximum of 0.50 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

There is no fee to participate in this activity.

Dannemiller, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This activity is a knowledge based activity. Dannemiller has assigned 0.50 contact hours (0.05 CEUs) of continuing pharmacy education credit to this activity. ACPE program number 0522-9999-14-012-L01-P

**Instructions for Credit** - In order to receive credit, pharmacist learners must complete the activity and the evaluation form. An NABP number and date of birth must be provided on the form to obtain credit. If you still need to create an NABP e-Profile and obtain an ID number, please visit nabp.net.

Notification of successful completion will be communicated to the CPE Monitor system, where all pharmacy learners’ credits are stored. Learner errors providing NABP numbers and/or DOB will result in unsuccessful reporting of credits to the CPE Monitor system.

Please [become a member](#) to be advised as soon as other educational programs and resources become available, and gain immediate access to programs.
