PGY2 Emergency Medicine Pharmacy Residency
University of Colorado Hospital and University of Colorado School of Pharmacy
University of Colorado Anschutz Medical Campus, Aurora, CO
ASHP Accreditation #82021
National Match Service (NMS) Code #7280

PHILOSOPHY:
This ASHP-accredited PGY2 residency is designed to develop competencies necessary for specialized practice in emergency medicine pharmacotherapy. The program is individualized to meet needs and interests of the resident. Additional opportunities for participation in clinical research are available.

The University of Colorado Hospital (UCH) and CU School of Pharmacy are both located on the Anschutz Medical Campus of the University of Colorado Denver. PGY2 residents will be involved in teaching programs at the school of pharmacy and medicine, including didactic and clerkship teaching of Pharm.D. students and PGY1 residents, as well as medical/surgical residents and fellows. While the program focuses on enhancing clinical skills, a research project and medication use evaluation are required for successful completion of the residency. Residents will gain experience in teaching, medical writing and publishing. Upon completion of this residency, graduates will be prepared to practice as an emergency medicine pharmacotherapy specialist in either a community or academic environment.

PRACTICE SITES/ROTATIONS:
Major training sites are the Emergency Department and ICUs of the University of Colorado Hospital. Rotation sites include other hospitals in the Denver area offering unique learning experiences. Rotations are scheduled in month long increments. Required clinical rotations include 3 months in EM at UCH, one month EM at Denver Health Medical Center, one month pediatric EM at Children’s Hospital Colorado, one month medical ICU, and one month surgical ICU. Possible elective rotations include additional EM (including community settings), additional medical/surgical ICU, Toxicology, Cardiology/CCU, Pediatric ICU, Research, and others.

Completion of the Colorado Pharmacy Residency Teaching Certificate program is required if completion of a similar program has not already been accomplished during a PGY1 program.

REQUIREMENTS: Doctorate of Pharmacy Degree (ACPE accredited program) and PGY1 Pharmacy Residency

KEY PRECEPTORS (for required or elective rotations):
- Gabrielle Jacknin, PharmD, BCPS: Residency Program Director, EM Preceptor
- Jamie Billotti, PharmD: EM Preceptor
- Julie McLaughlin, PharmD, BCPS: EM Preceptor
- Nicole Paavola, PharmD: EM Preceptor
- Kevin Kaucher, PharmD, BCPS: EM Preceptor, Denver Health Medical Center
- Ty Kiser, PharmD, FCCM, FCCP, BCPS: MICU Preceptor
- Robert MacLaren, PharmD, FACC, FCCP: MICU Preceptor
- Candice Preslaski, PharmD.BCPS: Surgical ICU Preceptor, Denver Health Medical Center
- Kevin Poel, Pharm.D.: Pediatric Emergency Medicine, Children’s Hospital of Colorado

BENEFITS: PGY2 resident salary is $55,000 per year (estimated for 2017-18). Benefits include: healthcare coverage, 23 days annual leave (including meetings and sick days), and a travel stipend. Residents receive an appointment as Clinical Instructor in the School of Pharmacy. Limited staffing (up to 200 hours) is expected of all University of Colorado residents; for PGY2 EM residents this staffing takes place in the ED.

APPLICATION:
Interested applicants should electronically submit a letter of intent, curriculum vitae, academic transcripts, and three letters of recommendation through ASHP’s Pharmacy Online Residency Centralized Application Service (PhORCAS). PhORCAS is the required method of applying for this program. Please contact the Residency Program Director (Gabrielle.Jacknin@UCHealth.org) for any questions concerning the application process.

The deadline for receipt of all application materials is no later than January 1, 2018.
