Independent Study Approval Form
PHRD 7855-001/002
(Approved by the Curriculum Committee 6-30-08/ Updated December 21, 2009)

**Instructions to Students.** Complete the section of this form located directly below. After identifying a faculty member with whom you would like to work, contact that faculty member to obtain permission to pursue approval of an Independent Study. Then, develop a proposal with the faculty member and prepare it for submission (using the format approved by the Curriculum Committee). Submission and approval of the Independent Study must occur prior to the start of the semester when the Independent study is to occur. The faculty member must be a regular full-time School of Pharmacy faculty member. Obtain the faculty member's signature and return this form to the Office of Student Services for further approval. This form cannot be completed in it’s entirety until the Curriculum Committee has reviewed and approved the Independent Study proposal. The full proposal should be attached, with this Approval Form being the first page.
