Governor Announces the Launch of “Take Meds Seriously” Campaign
Governor John Hickenlooper stopped by CUSSPPS Feb. 24 to announce the launch of the “Take Meds Seriously” campaign. The goal of the campaign is to educate Coloradans on the safe use, safe storage and safe disposal of medications in order to prevent prescription drug abuse. To learn more about the campaign, click here.

APhA Annual Meeting & Exhibition
APhA’s Annual Meeting will be held at the San Diego Convention Center from March 27-30. Attendees of the meeting are also welcome to attend a breakfast jointly hosted by CUSSPPS, Regis University School of Pharmacy and The Colorado Pharmacists Society on Sun., Mar. 29 at the Edgewater Grill. To RSVP, please email Glenda Tate by March 25.

Western Pharmacoeconomics and Outcomes Research Conference
The school is hosting the Western Pharmacoeconomics and Outcomes Research Conference Thurs., March 5 and Fri., March 6 to provide a forum for students to present their research, network with other students, faculty and industry researchers in the areas of pharmacoeconomics, outcomes research, pharmacoepidemiology and policy-related research.

Colorado Pharmacists Society Annual Meeting
The 2015 Colorado Pharmacists Society Annual Meeting & Exhibition will be held May 7 at Regis University to provide participants with the latest information on new drug therapies that have been introduced in the past year and to supplement continuing education needs. To register for the

Gene Erwin Memorial Lecture
The inaugural lecture in honor of Dr. Gene Erwin, former Dean of the University of Colorado School of Pharmacy, will be held on Tues., May 5 at 11 a.m. Dr. Erwin served as Dean of the school for 10 years from 1974 to 1984 and was instrumental in obtaining one of the first Alcohol Research Centers in the nation.

American Epilepsy Society 2015 Fellowship Recipients
Postdoctoral fellow Lindsey Gano, PhD, was one of 14 individuals to receive an early-career Fellowship Award from the American Epilepsy Society for her work on Sirtuin 3 Dysregulation in Epileptogenesis. AES’s early-career Fellowship Awards provide funding for one year to clinicians and basic scientists who are focused on taking novel approaches to many different components of epilepsy treatment and research.

In the News
