Essay

Please submit an essay of approximately 500 words on the topic listed below. We encourage you to use your own voice and to write an essay that gives us a sense of what motivates you and makes you unique. Focus on constructing a well-written creative or narrative essay that reveals something interesting about you through the analysis of this topic, as well as accurately demonstrating your writing skills.

Evaluate a significant experience, achievement, risk you have taken, (non-academic) failure you have experienced, or ethical dilemma you have faced, its impact on you, and your response to it.

Application Statement

In submitting this application and essay, I hereby certify that, to the best of my knowledge, the information provided is true and complete. I also consent to the release of my transcripts and other materials relevant to an admission and scholarship decision to the University Honors and Leadership Program.
