2. Administrator asks Faculty Sponsor to review J-1 Overview and Summary of J Regulations and J-1 Faculty Agreement Form. Administrator completes and Faculty Sponsor signs Faculty Agreement Form.

3. Administrator prepares letter of invitation to J-1 participant. All relevant language in the model letter of invitation must be included. Choose the appropriate options for funding and insurance coverage. DELETE extraneous language, including instructions in headings. ISSS International Services Specialist would be glad to review a draft. ISSS also recommends that the Administrator send a copy of the draft letter to the J-1 participant for his/her review.

OBTAINING DEPARTMENTAL SIGNATURES ON INVITATION LETTER AND INFORMATION FOR DEPARTMENTAL REQUEST FORM

4. Faculty sponsor signs the form and sends to Department Chair or Dean. In School of Medicine Department Chair or Center Director concurs with the letter. In the Schools of Nursing, Pharmacy, Dental Medicine, and all Colleges and Schools on the Downtown Denver Campus, the Dean should concur by signing in designated area.

5. Administrator gathers information needed for Online Departmental Request for DS-2019 Form, which requires both scholar’s and faculty sponsor’s information and input.

8. J-1 participant signs Letter of Invitation, initials all pages, and sends copy to the Department via fax or e-mail. The J-1 participant keeps the original Letter of Invitation, which will be needed for visa application in home country and driver’s license application once in the U.S.

11. If scholar’s arrival is delayed, notify ISSS immediately so that ISSS can postpone the start date in SEVIS and issue a new DS-2019, if needed.

CHECK-IN APPOINTMENT WITH ISSS

13. If employed by CU Denver, the J-1 visa holder must also schedule an appointment with an International Tax Specialist (https://www.cu.edu/pbs/payroll/groups/international.html).

14. For check-in, the J-1 visa holder must bring his/her visa, passport, and both sides of the MOST RECENT I-94 card issued by the USDHS at the U.S. Port of Entry. ISSS also need copies of these documents for any accompanying family members.
