

OCCUPATIONAL HEALTH FEES STARTING JANUARY 2011

Starting January 1, 2011, occupational health will be charging \$25 for review of annual occupational health renewals for all researchers, staff, and faculty involved in animal and non-animal research. Enrollment of new personnel will continue to be \$75 per person. If there are any required vaccinations, there will be an additional cost depending on the type of vaccine. If you have any questions, please call 303-724-0345.
