Colorado Higher Education Immunization Requirement

Colorado State Law requires all new freshmen, transfer, international and graduate students to submit proof of two doses of measles, two doses of mumps and two doses of rubella vaccinations. This is a mandatory requirement for all college students born on or after January 1, 1957.

Auraria Campus Immunization Requirement

Immunization Deadline

- **October 1st** for new fall/summer students and **March 1st** for new spring students.
- If the Immunization Office does not receive your completed records by the deadline, an **immunization HOLD** will be placed on your account preventing future registrations.

Required Steps for Compliance

**STEP 1:** All students need to complete the Auraria Campus Immunization form found at www.healthcenter1.com/immunizationrequirements

**STEP 2:** Copy of immunization records designating two doses of measles, two doses of mumps and two doses of rubella vaccinations.

- Check with your physician, high school, previous university, and/or military to obtain an official signed or stamped copy of your records.
- **If you cannot verify your immunizations,** you can be re-immunized or be tested for immunity with an MMR titer blood test.
- You have the legal right to sign an exemption from this vaccination for personal, medical, or religious reasons. If you do so, you will be subject to quarantine and excluded from campus in the case of an outbreak of measles, mumps, or rubella.
