Motorist Assist

The University Police Department can assist with jump-starting your vehicle. This service is free and available 24-hours a day on the Anschutz Medical Campus.

To call for services, please dial 303.724.4444.

Due to anti-theft features on newer vehicles, side air-bags and the potential for a large amount of damage, we do not provide vehicle unlocking services.

We are, however, happy to assist with placing a phone call to find someone to assist you.

**Hint:** Now would be a good time to ensure you have emergency items in your vehicle. For instance:

- Jumper cables
- Flashlights and extra batteries
- First aid kit and necessary medication in case you are away from home for a prolonged time
- Food items containing protein such as nuts and energy bars; canned fruit and a portable can opener
- Water for each person and pet in your car
- AM/FM radio to listen to traffic reports and emergency messages
- Cat litter or sand for better tire traction
- Shovel
- Ice scraper
- Warm clothes, gloves, hat, sturdy boots, jacket and an extra change of clothes
- Blankets or sleeping bags

**Also consider:**

- A fully-charged cell phone and phone charger
- Flares or reflective triangle
- Baby formula and diapers if you have a small child

Be prepared for an emergency by keeping your gas tank full and if you find yourself stranded, be safe and stay in your car, put on your flashers, call for help and wait until it arrives.
