Student Center in the UCD Access Portal

UCD Access is available to all matriculated (enrolled) students, but not until their account has been created.

1. Go to ucdenver.edu/UCDAccess, click on the Need Help? link.

2. Follow the instructions carefully to create your account.

---

Do you have the right username and password for UCDAccess?

To log into the UCDAccess portal you will need your official university username and password. These are the ones that you obtained using the MyAccount site.

Have you forgotten your official university password?

If you have forgotten your official username or your password, please visit MyAccount to retrieve your username and password.

Do you need to contact someone for help?

IT Services Helpdesk (CU Denver | Anschutz Medical Campus):

- 303-724-4357 (HELP)
- Monday to Friday, 7:30 AM – 5:00 PM
- UCD-ITS-HelpDesk@ucdenver.edu

Supported Browsers
3. After logging into the **UCD Access Portal**, under the **Student** tab, click on the **Student Center** link on the left, and then, click on **All Student Functions**.
