**PHASE II – REQUIRED CURRICULUM FALL SEMESTER 2014**

**IDPT 6000 Foundations Doctoring II**  
2.0 cr/sem.  
Course Director, Wendy Madigosky, MD, Assistant Director, Kristin Furfari, Course Coordinator, Tina Roquemore, 303-724-6421.  
This course is the second year of the longitudinal Foundations of Doctoring curriculum. Each week, students spend one afternoon either learning communication/physical exam skills/professionalism on campus or practicing their clinical skills with a preceptor off campus.

**IDPT 6001 Nervous System**  
7.5 cr.  
Course Co-Directors, Tom French, PhD, 303-724-3387 and Steven Ojemann, MD, 303-724-2285.  
Course covers the gross and microscopic anatomy of the nervous system, basic neurobiology and neurophysiology, pharmacology, neuropathology, and basic neurologic and psychiatric examination skills. Emphasis is on the relationship between basic processes and functional systems to clinical phenomena and behavior.

**IDPT 6002 Digest/Endo/Metaboli Sys**  
9.5 cr.  
Course Directors, John Tentler, PhD, John.Tentler@ucdenver.edu , Virginia Sarapura, MD, 303-724-3931 and Daniel Bessesen, MD, 303-436-5910.  
This interdisciplinary course integrates clinical and basic science topics related to the normal function and diseases of the gastrointestinal and endocrine systems. The biochemistry and physiology of nutrient metabolism in health and disease will also be covered.

**IDPT 6090 Mentored Scholarship**  
1.0 cr.  
Course Director, Allan Prochazka, MD. Course Coordinator, Cody Miller, 303-724-4161.  
A four year requirement for students to pursue and complete a mentored scholarly project and a capstone presentation.  
Project can be in one of the following thematic areas: basic research, clinical research, epidemiology and public health, humanities and social sciences.

**PRMD 6000 Ethics Hlth Profession 2**  
1.0 cr.  
Course Co-Directors, Jackie Glover, PhD, 303-724-3992 and Tess Jones, PhD, 303-724-3995.  
Required two-part course in ethics taught with dental, medical, nursing, pharmacy, physical therapy and physician assistant students. This course includes basic knowledge and skills in ethical theory and reasoning, professional ethics, and inter-professional approaches to health care decision making.

**PHASE II – REQUIRED CURRICULUM FOR SPRING SEMESTER 2015**

**IDPT 6000 Foundations Doctoring II**  
2.0 cr/sem.  
Course Director, Wendy Madigosky, MD Course Coordinator, Tina Roquemore, 303-724-6421.  
This course is the second year of the longitudinal Foundations of Doctoring curriculum. Each week, students spend one afternoon either learning communication/physical exam skills/professionalism on campus or practicing their clinical skills with a preceptor off campus.

**IDPT 6003 Life Cycle**  
5.0 cr.  
Co-Course Directors, Andy Bradford, PhD, 303-724-3507 and Sonya Erickson, MD, 303-724-2038.  
Course provides an interdisciplinary approach to the normal biology and pathobiology of the male and female reproductive systems, reproduction and pregnancy, the fetus, newborn and child, aging, and end of life. Clinical cases and physical examination will be integrated throughout.

**IDPT 6004 Infectious Disease**  
4.5 cr.  
Co-Course Directors, David Barton, PhD, 303-724-4215 and Edward Janoff, MD, 303-724-4936  
This course integrates microbiology, infectious diseases, and antimicrobial pharmacology. Content covers pathogenic microorganisms (bacteria, viruses, fungi, and parasites), host-pathogen interactions, microbial virulence determinants, host immune responses, signs and symptoms of disease presentation, epidemiology, laboratory diagnosis, prevention (vaccines) and therapy (antimicrobials).

**IDPT 6090 Mentored Scholarship**  
1.0 cr.  
Course Director, Allan Prochazka, MD. Course Coordinator, Cody Miller, 303-724-4161.  
A four year requirement for students to pursue and complete a mentored scholarly project and a capstone presentation.  
Project can be in one of the following thematic areas: basic research, clinical research, epidemiology and public health, humanities and social sciences.
DERMATOLOGY ELECTIVE

DERM 6660 Career Elective in DERM  All terms  1.0 crs
Course Director, Cory Dunnick, MD. Course Coordinator, Elisabeth Levy, 720-848-0597.
Course Requirement: Must contact Course Coordinator to arrange schedule after adding this elective.
This course provides an introduction to dermatology. Students will shadow a dermatologist for a total of 4 half-day clinics
(flexible excluding Monday/Friday afternoons) to get an idea of the scope of practice of dermatology which encompasses
dermatologic surgery, adult and pediatric dermatology.

EMERGENCY MEDICINE ELECTIVES

EMED 6624 Intro Wilderness Med  Fall sem.  1.0 cr.
Course Director, Barbara Blok, MD 720-848-6777. Course Coordinator, Cathy Maciel, 720-848-6767.
Course Restrictions: Must attend field day with Rocky Mountain Rescue in Boulder.
Course consists of a lecture series and one four hour weekend outdoor exercise with an emphasis on basic science and
pathophysiology of wilderness medicine problems. Students participate in skill stations and perform various field medicine and
evacuation procedures.

EMED 6626 Pre-Hospital Medicine  Fall, Spring sems.  1.0 cr.
Course Director, Christopher B. Colwell, MD.
Course Restriction: Enrollment restricted to EMIG (Emergency Medicine Interest Group) only.
Students required to participate in 1 ten hour ride along shift with Denver Paramedic Division 911 ambulances, attend required
Introductory Lecture on pre-hospital medicine and submit 1 evaluation from ambulance ride.
Enrollment is limited to Emergency Medicine Interest Group (EMIG) members only.

EMED 6627 Intro Emer Med & Trauma  Spring sem.  1.0 cr.
Course Directors Jeffrey Druck, MD and Maria Moreira, MD  Course Coordinators, Cathy Maciel, 720-848-6767 and Linda Anderson,
303-436-7129.
Introduction to life-threatening conditions fundamental to emergency medicine. Focuses on the essentials of stabilization,
rapid diagnosis, and acute management. Weekly lectures given by faculty from UCHSC and Denver Health. Pass-fail based on
attendance with an optional write-up for honors.

EMED 6628 Flight Medicine  Fall, Spring sems.  1.0 cr.
Course Director, Christopher B. Colwell, MD, 303-436-6966.
Pre-requisite: EMED 6626 Pre-Hospital Medicine.
Course Restriction: Elective is not repeatable, may be taken only one time.
Students will learn about the unique environment of critical care transport medicine and will experience a 12-hour shift
with Flight for Life aboard their helicopters, airplanes, and ambulances while providing care across the region.

EMED 6629 Emergency Med Skills  Fall, Spring sems.  1.0 cr.
Course Director, David Richards, MD, FACEP.
Restriction: Phase I students only. Instructor Approval - Students have been selected for this elective and is not available
for web registration.
This course provides 48 hours of clinical work with an EMED attending physician with the purpose of exposing the student
to EMED environment and teaching procedural skills necessary for the basic clinical care in preparation for an international
experience.

EMED 6630 Emergency Med in South Africa  Summer  8.0 cr.
Course Director, David Richards, MD, FACEP.
Prerequisite: Successful completion of EMED 6629.
Restriction: Course Director Approval.
This is a 6 week experience. Students work in the Emergency Department of a public hospital in Cape Town, South Africa
and contribute to ongoing research projects done in conjunction with Stellenbosch University.
**FAMILY MEDICINE ELECTIVES**

**FMMD 6410  Foreign Lang Immersion**  
Course Director, David Gaspar, MD, 303-724-0971. Course coordinator Steven Cruse, 303-724-0975.
**Prerequisite:** Approval of Course Director and Associate Dean of Student Affairs, completion of course away form.
Attend accredited foreign language school in a foreign country where language is spoken. Participation is 20 hrs/week of language class AND either a medical language course 5 hrs/week OR volunteer family medicine or general practice clinical activity 2 half days/week.

**FMMD 6622  Intro FMMD Research**  
Course Director, Caroline LeClair, MD. Course Coordinator, Lisa Martinez, 720-848-9100.  
Provides students the skills in designing a primary care research project. Covers constructing research question, measurement of variables, reviewing literature, research design, reporting results and medical writing. This will serve as a foundation for the 4th year required scholarly project.

**FMMD 6624  Healthcare Poor/Homeless**  
Course Director, David Gaspar, MD, 303-724-0971. Course Coordinator, Steven Cruse, 303-724-0975.  
This course introduces students to healthcare of Denver’s poor and homeless. Students will participate in patient care at the Stout Street Clinic on six Wednesday evenings throughout the school year. Participation in two additional volunteer outreach activities is also required.

**FMMD 6628  Rural Track Elective**  
Course Director, Mark Deutchman, MD Course Coordinator, Melanie Deherrera, 303-724-0340.  
**Prerequisite:** Student must have been accepted in the Rural Track or have course director approval to add.  
**Course Restrictions:** A two-semester course, students must complete fall and spring semesters.
In this 4-week clinical experience students will live in a preceptor's community and participate in the professional and community life of a rural physician. Priority is given to students who have completed Rural Track elective course FMMD 6628.

**FMMD 6630  Summer Rural Track**  
Course Director, Mark Deutchman, MD, 303-724-9753. Course Coordinator, Melanie Deherrera, 303-724-0340.
In this 4-week clinical experience students will live in a preceptor's community and participate in the professional and community life of a rural physician. Priority is given to students who have completed Rural Track elective course FMMD 6628.

**INTERDEPARTMENTAL ELECTIVES**

**IDPT 5091  MSA Summer Elective**  
Course Director, Allan Prochazka, MD. Course Coordinator, Cody Miller, 303-724-4161.  
**Prerequisite:** MSA 5090.  
Students work intensively with mentors and Associate Directors on their project. Students critically review background literature, define a question/hypothesis, develop and implement methods and study design, collect data, potentially analyze and interpret data, written progress reports to Associate Director.

**IDPT 5100  Special Foundations**  
Course Director, Maureen Garrity, PhD. Course Coordinator, Vicki Melton, 303-724-6404.  
Restrictions: Phase I students.  
This is a one credit course for students who are taking time away from the traditional curriculum. Students enrolled will continue to work with their Foundation preceptor.

**IDPT 6100  Indep Study in Medicine**  
Course Director, Maureen Garrity, PhD. Course Coordinator, Vicki Melton, 303-724-6404.  
Restrictions: Phase II students.
One credit course designed for students who are taking a period of time off from the traditional curriculum to do research or other academic work. The student and course director will develop a written plan to complete the studies.

**IDPT 6612  Critical Evidence Appraisal**  
Course Director, Tim Byers, MD, MPH.  
**Prerequisite:** IDPT 5002 Molecules to Medicine.  
**Restriction:** Class meets Mondays 12:00 Noon – 1:30 PM.
Taught by your peers with graduate degrees in epidemiology, this clinical epidemiology course engages students in critical evidence review of current issues in medicine while solidifying and expanding upon core concepts essential for taking epidemiology from the journals to the bedside and the community.
IDPT 6613  Culinary Medicine Elective  
Course Director, Course Coordinator,
Medical students will work alongside culinary students in the kitchen for hands-on culinary and nutrition training. In addition to preparing recipes and discussing various aspects of the recipes, students will also complete modules, readings and discussions about a variety of nutrition topics and nutrition-related diseases.

IDPT 6614  Introduction to Clinical Ultrasound  
Course Director, Course Coordinator,
Students will be introduced to ultrasound scanning techniques to perform four of the primary clinical ultrasound exams – gallbladder, heart, aorta, soft tissue/musculoskeletal. Online modules and hands-on practice will be used in the course.

IDPT 6615  Quality Improvement  
Restrictions: Phase I students only.
The course is designed to expose student to tenants of quality improvement. Each week, students spend one afternoon either learning about topics such as analyzing a healthcare problem, identification of “stakeholders” in the QI process, barriers to effective change.

IDPT 6616  Health Promotion I  
Course Director, Chad Morris, PhD. Course Coordinator, Cindy Morris, Psy.D. 303-724-6329.
Health Promotion I is designed to equip future clinicians with knowledge and skills to promote health and wellness in their personal lives and for patients. The lecture/discussion format will provide opportunities for exploration and development of wellness strategies.

IDPT 6617  LEADS Phase I Fall Elective  
Restriction: Phase I students.
Introduction to LEADS. Phase 1 students will be introduced to advocacy, health disparities, health determinants, and leadership concepts.

IDPT 6620  Medical-Legal Partnership Practicum  
Course Director, Shale Wong, MD, 720-777-2130. Course Coordinator, Restriction: Phase I students. Instructor consent.
Students will learn and practice medical-legal approaches to address social determinants of health. Course objectives: 1) identify complex health and legal needs of vulnerable patients and populations; 2) apply inter-professional approaches to improve health outcomes and address health disparities.

IDPT 6623  Refugee Health I  
Course Director, Paritosh Kaul, MD, 720-777-6116. Paritosh.Kaul@childrenscolorado.org
Students will learn about the integration process that refugees go through and common medical and mental health diagnoses they receive. Discussions, panels, and lectures will aid in preparing the student for providing culturally effective medical care to any populations.

IDPT 6627  Directed Study Basic Sci  
Prerequisite: Course Director approval required to add.
This course provides an opportunity for medical students to further develop and refine their knowledge of the basic sciences. Course director approval required.

IDPT 6629 SABES Spanish Immersion  
Course Director, Steven Lowenstein, MD, MPH. 720-848-6777.
Course requirements: A two-semester course, students must complete fall and spring semesters. A one-time fee of $30.00.
“SABES” Spanish Immersion takes a student/mentor approach to immersing students at all levels of Spanish acquisition to fortify Spanish Language ability. Course covers grammar and usage; emphasis is on constructing meaningful medical Spanish sentences, asking clinically relevant questions and understanding patients’ responses.

IDPT 6636  Summer Preceptor Exp  
Restrictions: Available summer semester only.
The Summer Preceptorship is a clinical elective designed for students between their first and second year of medical school. It may take place in the hospital or in a clinic one afternoon or morning a week during the summer semester.

IDPT 6637  LEADS 1  
Restrictions: First Year/Phase 1 students only.
The course will include weekly sessions focused on building advocacy and leadership skills. Curriculum includes messaging, legislative advocacy, systems-based change, and social determinants of health. Elective required for LEADS track scholars.
IDPT 6639  Health Care-Public Policy  Fall and Spr sem.  1.0 cr.
Course Director, Gary VanderArk, MD, 303-724-2287.  Course Coordinator, Krystin Martinez, 303-724-2299.
Course meets Tuesday, 12:00 Noon to 1:00 PM.
Health care in public policy, work with course director and Colorado Medical Society to collaboratively research current
issues in health policy.  Students gain an expanded awareness of current issues in healthcare policy and an appreciation for
relationship between medicine/politics.

IDPT 6642  Intro to Women’s Health  Fall sem.  1.0 cr.
Course Director, Christine Conageski, MD  Course Coordinator, Melissa Lorenzo, 303-724-2038.
Prerequisite: Course Director Approval required to add course.  Restrictions: Must be phase I student
The first in a series, this elective will introduce participants to Women’s Health as a field of study and clinical care.
Assigned reading will frame discussions devoted to gender-based public health issues, women as research subjects, gender and
communication.

IDPT 6643  Women’s Primary Care  Spring sem.  1.0 cr.
Course Director, Christine Conageski, MD, 303-724-2038.
Prerequisite: IDPT 6642.  Restrictions: Must be phase I student. Permission of instructor.
This course is the second in a series of electives being offered for the Women’s Health at the school of medicine. Primary
care issues and literature search strategies will be emphasized.

IDPT 6644  Women’s Health Seminars  Fall sem.  1.0 cr.
Course Director, Christine Conageski, MD, 303-724-2038.
Prerequisite: IDPT 6642 and IDPT 6643.  Restrictions: Must be Phase II student. Course Director approval.
Students will discuss clinical issues in Women’s Health

IDPT 6647  LEADS 2  Fall sem.  1.0 cr.
Course Director, Jeremy Long, MD. Course Coordinator, Linda Salas, (303) 724-4639
Prerequisite: IDPT 6637 LEADS 1 – Spring Semester Elective.
Restrictions: Phase 2 students only. Students who wish to enroll without having completed the Spring course in Phase 1 may
petition course director if space allows.
Advocacy and leadership skills applied in case-study.

IDPT 6660  Leadership Competencies for Physicians (Essentials Leadership)  Fall and Spring sem.  1.0 cr.
Min: 01/Max: 48
Course Director, Erik Wallace, MD. Course Coordinator, Sharon Marston, 719-255-8083.
This course will engage current medical students in active learning of the knowledge, skills, attitudes and behaviors necessary for
embracing conflict and ensuring success and happiness as a 21st Century physician leader. Students will learn how to improve their
emotional intelligence and conflict management skills.

IDPT 6665  Intro to Global Health  Fall sem.  1.0 cr.
Min:10/Max: 75
Course Director, Jennifer Bellows, MD, 303-436-6884, MD. Course Coordinator, Cody Miller, 303-724-4161.
Restrictions: None.
This course is required for ALL students interested in applying for Global Health Track and ALL students interested in
doing an International Mentored Scholarly Activity. This course will give a broad overview of important issues in global health e.g.,
the HIV epidemic, maternal-child health, humanitarian assistance, clean water and sanitation, the Millennium Development Goals,
the World Health Organization, ethics, and travel health and safety.

IDPT 6667  Global Hlth Studies (US)  Summer sem.  10.0 crs
Course Directors, Jennifer Bellows, MD, 303-436-6884 Course Coordinator, Cody Miller, 303-724-4161.
Course Restrictions: Course director approval required to add course.
Students and their faculty preceptors will develop a global health project focused on research, education, or community
health service. After their project with a global health organization, students will provide a written report and an oral presentation of
their project.

IDPT 6668  Global Hlth Study Abroad  Summer sem.  10.0 crs
Course Directors, Jennifer Bellows, MD, 303-436-6884 Course Coordinator, Cody Miller, 303-724-4161.
Course Restrictions: Course director approval required to add course.
Prior to travel, students and their faculty preceptors will develop a global health project focused on international research,
education, or community health service. After their stay abroad, students will provide a written report and an oral presentation of
their project.
IDPT 6669  Global Health Seminar  Spring sem.  1.0 cr.
Course Director, Jennifer Bellows, MD, 303-436-6884. Course Coordinator, Cody Miller, 303-724-4161.
Course Restrictions: Course director approval required to add course.
This is a required course for Global Health Track students. This course will help students design and implement their
global health projects by addressing the basics of project design, survey development, data collection and analysis.

IDPT 6671  Urban Underserved Care  Fall and Spring sem.  1.0 cr.
Min: 10/Max: 30
Course Director, Jamal Moloo, 720-848-6556. Course Coordinator, Naomi Spector, Naomi.spector@ucdenver.edu.
Restrictions: Only for CU-UNITE/Urban Underserved Track students.
This is a required course for Global Health Track students. This course will help students design and implement their
global health projects by addressing the basics of project design, survey development, data collection and analysis.

IDPT 6672  Urban Underserved Care 2  Fall and Spring sem.  1.0 cr.
Min: 10/Max: 15
Course Directors, Jamal Moloo, 720-848-6556. Course Coordinator, Naomi Spector, Naomi.spector@ucdenver.edu.
Restrictions: Only for CU-UNITE/Urban Underserved Track students.
This is a required course for Global Health Track students. This course will help students design and implement their
global health projects by addressing the basics of project design, survey development, data collection and analysis.

IDPT 6673  CU-UNITE Span Immersion  Summer sem.  1.0 cr.
Min: 5/Max: 10
Course Director, Jamal Moloo, 720-848-6556. Course Coordinator, Naomi Spector, Naomi.spector@ucdenver.edu.
Restrictions: Only CU-UNITE Track Students accepted.
This is a required course for Global Health Track students. This course will help students design and implement their
global health projects by addressing the basics of project design, survey development, data collection and analysis.

MEDS 6621  Geriatric Medicine  Fall and Spring sem.  2.0 cr.
Max: 2
Course Director, Susan Bray-Hall, MD, 303-393-2822. Course Coordinator, Lynn Blair, 303-393-2822.
Aging in America, exposure to geriatric health care ranging from prevention among healthy community dwelling elderly to hospice care for terminally ill in nursing homes. Students contact the Course Coordinator, Lynn Blair two weeks prior to starting the elective.
(Students are required to contact the course coordinator the day they register, Lynn Blair 303-393-2822)

MEDS 6623  Intro Biomedical Research  Fall, Spring sems.  Var. cr.
Course Director, John Repine, MD, 303-315-8262.
Course Requirement: Prior approval by Course Director required to add this elective.
Independent study with a mentor of your choice. A short paper on a subject chosen by the student is usually required. Dr. Repine will meet with students interested in a career in academic medicine and/or research.

MEDS 6626  Molecular Biology Cancer  Fall sem.  1.0 cr.
Max: 15/Min: 4
Course Director, John Tentler, PhD, 303-724-3887. Course Coordinator, Everlyn Sandoval, 303-724-3872.
Provides an overview of molecular events that occur in the cell that relate to the origins of neoplasia. Provides students the ability to understand/interpret literature and an appreciation of how biology impinges on the practical treatment of cancer.

MEDS 6627  Art in Med; Med in Art  Spring sem.  1.0 cr.
Course Director, Henry Claman, MD, 303-724-7188. Course Coordinator, Jeanne Kittle, 303-724-7198.
Included are The Arts in Medicine lectures, weekly critical reading in the anthology, On Doctoring, other texts and pictures in Medical Humanities. Also “Museum Rounds” at the Denver Art Museum, and a required piece of reflective writing, poetry and prose.

MEDS 6628 Integrative and Complementary Alternative Medicine  Spring Sem.  1.0 cr.
Course Director, Sita Kedia MD, 720-777-3958
Patients and providers seek complementary and integrative medicine to help prevent and treat disease. This course provides practical skills and tools that students can take with them to supplement their own health and the health of their patients including music, art, and meditation.

MEDICINE ELECTIVES
MEDS 6629 The Healer's Art Spring sem. 1.0 cr.
Co-Course Directors, Rachel Swigris, D.O., 720-848-9526 and Rita Lee, MD, 720-848-2340.
**Course Restrictions:** Phase I and II students.

The Healer’s Art is a 5 session elective that engages students in a discussion focusing on the meaning of physicianhood and the practice of medicine. The course facilitates students in clarifying, strengthening, and making a personal commitment to medicine.

MEDS 6631 Med Student Journal Club Spring sem. 1.0 cr.
Course Director, Jeffrey Druck, MD, MSPH, 303-724-2254.

This course will provide the opportunity to practice and solidify critical appraisal skills needed for interpreting primary clinical research studies and teach the skills required to apply this information to patient care using seminal research articles in medicine.

MEDS 6632 Lit, Art, & Medicine Fall sem. 1.0 cr. Max: 20/Min: 4
Course Director, Therese Jones, PhD, 303-724-3995. Course Coordinator, MaryLou Wallace, 303-724-3994.

Medical students rarely have the opportunity to discuss medicine from the viewpoints provided by literature and the arts. Reading imaginative writing, examining visual images, and writing their own narratives help students interpret the experiences of their patients and colleagues.

Class will be held 12:00 Noon – 2:00 PM, Wednesday

MEDS 6633 Veteran Palliative Care All terms 1.0 cr. Max: 10
Course Director, Hillary Lum, MD, PhD, 303-724-1911.

This elective is designed to provide students with an opportunity to cultivate active listening skills. Students will meet veterans with life-limiting illness who have been identified by the palliative care team as potentially benefitting from compassionate listening.

### ORTHOPAEDIC ELECTIVES

ORTH 6620 Intro to Orthopedics Spring sem. 1.0 cr. Max: 30/Min: 10
Course Director, Frank Scott, MD, 303-724-2968. Course Coordinator, A. Maia Evans, 303-724-7354.

**Course Requirement:** Must contact Course Director or Coordinator to arrange schedule after adding this elective.

This course covers an overview of orthopaedic surgery. Interactive lectures include musculoskeletal oncology, reconstructive surgery, trauma, sports medicine, spine surgery, hand surgery, and primary care orthopaedics. Students will also shadow an orthopedic surgeon during clinic and surgery on four afternoons.

### OTOLARYNGOLOGY ELECTIVE

OTOL 6660 Career Elective in OTOL All terms 1.0 crs.
Course Director, Ted Leem and Adam Terella, MD, 303-724-1957. Course Coordinator, Alicia Gore.

**Course Requirement:** Must contact Course Director or Coordinator to arrange schedule after adding this elective.

The Career Elective in Otolaryngology – Head & Neck Surgery will provide diverse sub-specialty clinical and operative exposure with physician specialists who diagnose and treat disorders of the ears, nose, throat and related structures of the head and neck. Students will also shadow an otolaryngology surgeon during clinic and surgery on four mornings or afternoons.

### PEDIATRIC ELECTIVES

PEDS 6622 Diabetes Mellitus Summer sem. 3.0 cr. Max: 3
Course Director, Paul Wadwa, MD, 303-724-6719.

**Requirement:** Must contact instructor immediately to complete application for diabetes camp.

The students will spend 1 week at diabetes camp where they will learn about diabetes and children. Before and after camp, time will be spent at the Barbara Davis Center clinic. Clinical research projects may be developed if interested.
Peds 6623 Warren Village Clinic

1.0 cr.

Max: 20/Min: 8

Course Director, Stephanie Stevens, MD Course Coordinator, 303-699-6200.

An opportunity for Phase I and II students to participate in a pediatric clinic. Students will provide well-care and minor acute illness care for children. Students are required to attend an orientation and three to four Wednesday evening clinics.

Course Requirement: This is a two semester course. Students must complete both fall and spring semesters. Discussions will take place once a month on a Monday evening at 7:00 PM.

Writers, the first thinkers to understand the "whole man," took into account his unconscious. We'll illustrate this as reflected in normal development and personality formation, symbolization, fantasy and psychopathology using the characters and texts from Great Literature.

Psychiatry Electives

Psym 6620 PSCH in Great Literature

2.0 cr.

Max: 15/Min: 4

Course Director, Robert Davies, MD, 303-724-2229. Course Coordinator, Erin Dennis, 303-724-7401.

Course Requirement: This is a two semester course. Students must complete both fall and spring semesters. Discussions will take place once a month on a Monday evening at 7:00 PM.

Course Requirement: This is a two semester course. Students must complete both fall and spring semesters. Discussions will take place once a month on a Monday evening at 7:00 PM.

Writers, the first thinkers to understand the "whole man," took into account his unconscious. We’ll illustrate this as reflected in normal development and personality formation, symbolization, fantasy and psychopathology using the characters and texts from Great Literature.

Psym 6626 Intro to Emergency Psch

1.0 cr.

Max: 20/Min: 4

Course Directors, Michael Weissberg, MD Course Coordinator, Erin Dennis, 303-724-7401.

Students will learn basics of emergency evaluation with particular focus on suicide, homicide, child abuse, spouse abuse, and incest. Students will see emergency psychiatric consultations with residents, staff or faculty.

Psym 6629 Medical Hypnosis

1.0 cr.

Min: 4

Course Director, Steve Allen, MD, 303-741-0239. Course Coordinator, Erin Dennis, 303-724-7401.

Medical hypnosis has a wide application in primary care settings, but most primary care practitioners are unfamiliar with its use. Therefore, this course will teach students the basics of trance induction and its application for pain control, insomnia and relaxation.

Psym 6632 Denver CARES Elective

1.0 crs

Course Directors, Charles Shuman, MD and Michael Weissberg, MD. Associate Director, Bob Davies, MD, 303-724-2229. Course Coordinator, Erin Dennis, 303-724-7401.

In this course students will gain confidence in performing basic H&P skills while interacting with acutely ill patients in a detox facility. Requirements include volunteering a minimum of two shifts, as well as attending the orientation and debriefing sessions.

Psym 6633 SUD in Medical Practice

1.0 crs

Course Director, Joseph Sakai, MD, 303-724-3182. Associate Director, Bob Davies, MD, 303-724-2229. Course Coordinator, Erin Dennis, 303-724-7401.

Students will learn basic identification, assessment and treatment of substance abuse disorders through clinical experience, reading, and seminars. Will evaluate patients in 2 afternoon clinics (adolescent and adult treatment program) and 2 seminars. Core reading will supplement clinical experience.

Surgery Electives

Surge 6660 Career Elective In UROL

1.0 crs

Course Director, Ty Higuchi, MD, Course Coordinator, Kathy Politis 303-724-2712, Therese Inman 303-724-7800.

Requirement: Must contact Course Director or Coordinator within the first two weeks of the course to arrange schedule after adding this elective.

Students will attend 2-3 urology outpatient clinics held at the VA on Wed and Fri afternoons and one half or full day in the VA OR (Mon, Tues or Thurs). They will be exposed to the diverse spectrum of urologic practice through shadowing residents and attendings in clinic and observation in the OR.
Required clinical clerkships are open only to University of Colorado Medical Students.

IDPT 7030 Women and Newborn Care  All terms  12.0 crs.
Course Director, Kristina Tocce, M.D.  Course Coordinator, Rochelle Cassell, 303-724-2031.
Students will work in OB/GYN clinics, labor and delivery, OB and GYN wards, and the O.R. They will learn a newborn exam and fundamentals of newborn care. Course offered at University Hospital, Denver Health Medical Center or an AHEC site.

IDPT 7031 Emergency Care  All terms  4.0 crs.
Co-Course Directors, Kelley Roswell, M.D. and David Matero, M.D.  Course Coordinator, Marybeth Hutchins, 720-848-6768.
An introduction to the initial evaluation and management of emergently presenting problems in adults and children. Emphasis on recognition, differential diagnosis, and stabilization of shock and trauma. Students will also be exposed to pre-hospital care and concepts of triage.

IDPT 7032 Hospitalized Adult Care  All terms  16.0 crs.
Course Director, Jennifer Adams, M.D.  Course Coordinator, Kristina Oatis, 303-724-0975.
This course focuses on care of women in OB/GYN clinics, labor and delivery, OB and GYN wards, and the operating room. Additionally, students will learn a newborn exam and fundamentals of newborn care. Department Consent Required.

IDPT 7033 Longitudinal Emergency Med (LIC)  All terms  5 crs.
Course Directors, Jennifer Adams, M.D.  Course Coordinator, Kristina Oatis, 303-724-0975.
This course will provide an introduction to the initial evaluation and management of emergently presenting problems in adults and children. Emphasis will be on disease recognition, differential diagnosis, and stabilization of shock and trauma, as well as pre-hospital care and concepts of triage. Department Consent Required.

IDPT 7040 Psychiatric Care  All terms  8.0 crs.
Course Director, Michael Weissberg, M.D.  Course Coordinator, Sharon Campbell, 303-724-7400.
Students will work closely with attendings and residents to care for adults and/or children. Students have a choice of twelve (12) unique clinical settings including emergency department, consult service, inpatient and outpatient.

IDPT 7041 Neurologic Care  All terms  8.0 crs.
Students will participate in the diagnosis and treatment of patients with a wide variety of acute and chronic neurologic disorders. Formal teaching is provided in Attending Rounds, student seminars, resident seminars and departmental Grand Rounds.

IDPT 7042 Longitudinal Psychiatry (LIC)  All terms  1.0 cr
Course Director, Jennifer Adams, M.D.  Course Coordinator, Kristina Oatis, 303-724-0975.
This course will focus on psychiatric care of adults and children, and clinical experiences will include ambulatory settings, inpatient units, psychiatric emergency room, consults, and psychiatric specialties. Department Consent Required.

IDPT 7050 Peri/Operative Care  All terms  16.0 crs.
Co-Course Directors, Paul Montero, M.D. and Alison Brainard, M.D. Course Coordinator, Mary Kay Anderson, 303-724-2681.
While gaining experience in surgery and anesthesiology, students study surgical diseases and participate in the operative care and delivery of anesthesia during the perioperative period. Assessment and management of common inpatient and ambulatory procedures are emphasized from initial patient referral to discharge.

IDPT 7052 Longitudinal Surgery/Anesthesia (LIC)  All terms  4 crs.
Course Director, Jennifer Adams, M.D.  Course Coordinator, Kristina Oatis, 303-724-0975.
This course focuses on surgical diseases. Students will participate in operative care and delivery of anesthesia. Assessment and management of common inpatient and ambulatory procedures are emphasized from initial patient referral to discharge. Students will combine ambulatory, inpatient and operating room experiences. Department Consent Required.

IDPT 7060 Adult Ambulatory Care  All terms  8.0 crs.
Course Director, Kelly White, M.D.  Course Coordinator, Kristina Oatis, 303-724-0975.
Course focus is chronic care of adults, including outpatient experiences and planned didactics. Student paired with primary care preceptor and will have experiences in subspecialty clinics using the chronic care model.

IDPT 7061 Rural and Community Care  All terms  8.0 crs.
Course Director, David Gaspar, M.D.  Course Coordinator, Steven Cruse, 303-724-0975.
An interdisciplinary clerkship where students will participate in the provision of comprehensive patient-centered primary care to rural and semi-rural communities. Longitudinal acute and chronic disease management, prevention and health behavioral change will be emphasized.

IDPT 7062 Longitudinal Family Medicine (LIC)  All terms  2.4 crs.
Course Director, Jennifer Adams, M.D.  Course Coordinator, Kristina Oatis, 303-724-0975.
This course focuses on chronic ambulatory care of adults and children. Students will participate in the provision of comprehensive patient-centered primary care to underserved communities and will focus on longitudinal acute and chronic disease management, prevention and health behavioral change. Department Consent Required.
IDPT 7080 Integrated Longitudinal Medicine Clerkship All terms 16 – 32 crs
Course Director, Caroline LeClair, MD. Course Coordinator, Steven Cruse, 303-724-9975.
The ILMC is a unique 16-week longitudinal clerkship allowing students to fulfill competencies for HAC, AAC and the RCC blocks in one continuous teaching site. Students spend 12 weeks at one learning site preceded by an initial month of HAC in the Denver metropolitan area. Requisite: This course is a longitudinal clerkship integrating components of the Phase 3 HAC, AAC and RAC blocks. Students must be eligible for Phase 3 clerkships. Students must be approved by course director to take the course.

IDPT 7090 Mentored Scholarship Fall, Spring sems. 1.0 crs
Course Director, Allan Prochazka, MD. Course Coordinator, Cody Miller, 303-724-4161.
A four year requirement for students to complete a mentored scholarly project and a capstone presentation. Project can be in one of the following thematic areas: basic research, clinical research, global health, epidemiology and public health, humanities and social sciences.

IDPT 7727 Directed Study Clin Sci All terms 2 – 12 wks
Course Director, Maureen Garrity, Ph.D. Course Coordinator
Prerequisite: Course Director approval required to add.
This course provides an opportunity for medical students to further develop and refine their knowledge of the clinical sciences. Course will include scheduled study time, regularly scheduled practice exams, tutoring in clinic content and test taking strategies.

PHASE 4 ELECTIVES 2014-2015

Prerequisite for all Phase 4 electives: Completion of Phase 3

ANESTHESIOLOGY ELECTIVES

ANES 8000 Clinical Anesthesiology 2 or 4 wks Max: 2
Course Director, Bryan Ahlgren, MD. 303-372-6344. Course Coordinator, Krystle Wetherbee, 303-724-8373.
Students will work one-on-one with anesthesia faculty and residents to gain further practical experience in all aspects of peri-operative care; improving skills gained in the third year and developing a deeper understanding of the breadth of anesthetic practice. Course is completed at Children’s Hospital Colorado and Denver Health.

ANES 8001 Surgery Intensive Care 4 wks Max: 2
Course Director, Fareed Azam, MD. 303-266-6420. Course Coordinator, Krystle Wetherbee, 303-724-8373.
“This Sub-I course meets the UC SOM requirement for graduation.”
The goal is to prepare MSIV’s for internship by having them manage “their” patients, present on multidisciplinary rounds, call consults, assist/performing procedures, discuss clinical topics & receive didactics. Honors requires clinical excellence & a written paper.

ANES 8002 ANES Subspecialties 2 or 4 wks Max: 4
Course Director, Bryan Ahlgren, MD. 303-372-6344, MD, 720-848-5566. Course Coordinator, Krystle Wetherbee, 303-724-8373.
Course exposes students to subspecialty areas in Anesthesiology. Students will attain additional experience in selected areas of anesthetic practice. Options include Acute and Chronic Pain, L & D, Cardiothoracics, Neurosurgery, Transplant, General OR, General OR at the VA, and Outpatient.

ANES 8100 ANES Elective Away 2 or 4 wks
Course Director, Bryan Ahlgren, MD. 303-372-6344. Course Coordinator, Krystle Wetherbee, 303-724-8373.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs and there may be additional requirements for these.

ANES 8600 Research Anesthesiology 2, 4, 8, or 12 wks
Course Director, Paul Wischmeyer, MD 720-956-5229. Course Coordinator, Krystle Wetherbee, 303-724-8373.
Prerequisite: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.

ANES 8630 ANES Research Away 2, 4, or 8 wks
Course Director, Paul Wischmeyer, MD, 720-956-5229. Course Coordinator, Krystle Wetherbee, 303-724-8373.
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs and there may be additional requirements for these.
DERMATOLOGY ELECTIVES

DERM 8000  Dermatology Clinical Elective  2 wks  Max: 2
Course Director, Cory Dunnick, MD. Course Coordinator, Elizabeth Levy, 720-848-0597.
Restrictions: Two week rotations only.
This course is designed to provide a broad overview of medical, surgical and pediatric dermatology. Students will become familiar with the differential diagnosis and treatment of common skin disease, and procedural dermatology including skin biopsies and cryosurgery.

DERM 8001  Dermatology Clerkship  4 wks  Max: 4
Course Director, Cory Dunnick, MD. Course Coordinators, Elizabeth Levy, 720-848-0597.
This course is designed to provide a broad overview of medical, surgical and pediatric dermatology. Students will become familiar with the differential diagnosis and treatment of common skin disease, and procedural dermatology including skin biopsies and cryosurgery.

DERM 8010  Derm/Pvt Practice/CO Spgs - (new course)  4 wks  Max: 2
Course Director, Nathan Trookman, MD, 719-471-1763 Ext. 116. Course Coordinator, Judi Spurgeon, 719-471-1763 Ext. 120
For housing: http://ahec.ucdenver.edu/ffinald/.
Dermatology in private practice is a 4-week clinical elective in a busy, outpatient dermatology practice. The student will rotate in the clinics of Colorado Springs Dermatology Clinic, and will learn general, cosmetic and surgical dermatology.

DERM 8300  DERM Elective Away  2 or 4 wks
Course Director, Cory Dunnick, MD. Course Coordinators, Elizabeth Levy, 720-848-0597.
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs and there may be additional requirements for these.

DERM 8600  Research in Dermatology  2, 4, 8, or 12 wks
Course Director, Cory Dunnick, MD Course Coordinators, Elizabeth Levy, 720-848-0597.
Prerequisite: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
Research elective allows the student to design and implement a basic science, clinical or epidemiologic research project relevant to dermatology or cutaneous biology. Students are expected to participate in research seminars and to present their results.

DERM 8630  DERM Research Away  2, 4, or 8 wks
Course Director, Cory Dunnick, MD Course Coordinators, Elizabeth Levy, 720-848-0597.
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs and there may be additional requirements for these.

EMERGENCY MEDICINE ELECTIVES

EMED 8004  Emergency Med Univ Hosp  2 or 4 wks  Max: 4
Course Director, Jason Hoppe, DO, 303-848-6769. Course Coordinator, Marybeth Hutchins, 720-848-6768.
Students are primary caregivers in a level II trauma center with a variety of patients and individual teaching time with attendings and senior residents. Ideal for students seeking instruction in the assessment and management of the undifferentiated patient.

EMED 8005  Emergency Medicine DHMC  4 wks  Spring Sem.  Max: 4
Course Director, David Richards, MD, 303-436-7129. Course Coordinator, Brooke Baker, 303-436-7129.
Course restrictions: Spring semester only, Jan – May.
Student is primary caregiver for acutely ill/injured patients at DHMC Emergency Department, supervised by Emergency Medicine Staff. Daily lectures in traumatic/medical emergencies, conferences, “board rounds”. Orientation, first day, 7:30 A.M., Admin Conf. room.
EMED 8006  Emer Med Career Elective  
4 wks  
Summer, Fall Sems.  
Max: 4
Course Director, David Richards, MD, 303-736-7129.  
Course Coordinator, Brooke Baker, 303-436-7129.
Restrictions: Emergency Medicine Career track students only until Section 21. 
Same as EMED 8005 but directed to students applying to EM Residencies. Mentors assigned/work 4-5 shifts directly with student, discuss EM as a career, CV, personal statement, counsel regarding application/match process for residency, ambulance ride-along.

EMED 8007  Critical Care & Procedures  
2 wks  
Spring Sem.  
Max: 20
Course Director, Matthew Rustici, MD. 858-232-8892.
Course restrictions: Offered in section 45 only.
Students will participate in an intensive 2-week elective with performance-based, hands-on training in 4 procedural skill areas: airway management, laceration repair, fluid sampling, and vascular access. Students will complete training in management of critically ill patients using procedural skills and simulated patients.

EMED 8017  Ped's Emergency DHMC – (new course replaces PEDS 8017)  
2 or 4 wks  
Max: 2
Course Director, David Richards, MD, 303-736-7129.  
Course Coordinator, Brooke Baker, 303-436-7129.
Restrictions: Experience at Denver Health Medical Center. See PEDS 8025 for experience at Children's Hospital Colorado.
Students will serve as the primary caregivers in the Denver Emergency Center for Children at Denver Health, a pediatric emergency department treating 30,000 children annually. Students will be fully integrated into the team, treating children with acute and urgent illnesses.

EMED 8024  Clinical Toxicology  
4 wks  
Max: 2
Course Director, Eric Lavonas, MD.  
Course Coordinator, Darlene Vigil, 303-389-1350.
Introduction to medical toxicology at the Rocky Mountain Poison and Drug Center. Participate in clinical service, inpatient consultative care of DHMC/UH. Conferences and didactic instruction provided weekly. Short presentations required. Exposed to fundamentals of environmental toxicology, public health concerns, occupational toxicology.

EMED 8025  Clin Bedside Ultrasound  
4 wks  
Max: 4
Course Directors, Andrew French, MD and Molly Thiessen, MD.
Clinician-performed ultrasound is an integral skill in a number of medical specialties. This elective will enable students to gain valuable skills related to the acquisition and interpretation of bedside ultrasound images. This elective will involve didactic and hands-on educational opportunities.

EMED 8030  Rural Emergency Medicine  
2 or 4 wks  
Max: 10
Course Director, Jeff Druck, MD, 720-724-7732.  
Course Coordinator, Marybeth Hutchins, 720-848-6768.
A continuation of the Emergency Care Clerkship, currently a two-week required component of Phase III study. This course is for students who seek more in-depth knowledge and additional clinical skills, relating to Emergency Care in the rural setting. 
For Housing: http://ahec.ucdenver.edu/finaid/.

EMED 8031  Wilderness Medicine  
2 wks, Spring Sem.  
Min:10/Max:25
Course Directors, Barbara Blok, MD, 720-848-6777 and Tracy Cushing, MD, 303-436-7146.  
Course Coordinator, Cathy Maciel, 720-848-6767.
Course Restrictions: must be a 4th year student in good academic standing. Not available to externs. Variable fee. 
Course offered sections 47 and 48 only.
Students will learn core wilderness medicine principles in small group and lecture-based formats then apply their knowledge to scenarios in wilderness settings. The course will spend the first week near Estes Park and the second week near Moab, UT.

EMED 8100  EMED Elective Away  
2 or 4 wks,  
Course Director, Jeffrey Druck, MD, 30-724-7732.  
Course Coordinator, Marybeth Hutchins, 720-848-6768. 
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be at least one month in advance of start. 
This Emergency Medicine elective will be held at a site in Colorado, another state, or internationally. Students must obtain departmental approval one month prior to the start. Additionally, international sites must be preapproved by Student Affairs.

EMED 8600  Research in EMED  
2, 4, 8 or 12 wks.  
Max: 4
Course Director, Jason Haukoos, MD, 303-436-7141.  
Prerequisite: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs. 
Designed for students interested in Emergency Medicine research. Tailored research experiences in the Denver area can be established in a variety of settings. Speak with the course director to design this elective.

EMED 8630  EMED Research Away  
2 or 4 wks.  
Max: 150
Course Director, Jeffrey Druck, MD, 30-724-7735.  
Course Coordinator, Marybeth Hutchins, 720-848-6768. 
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be at least one month in advance of start. 
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.
FAMILY MEDICINE ELECTIVES

FMMD 8002  Family Med Subinternship  4 wks  Max: 1
Course Director, Caroline LeClair, DO, 720-848-9000. Course Coordinator, Lisa Martinez, 720-848-9100.
“*This Sub-I course meets the UC SOM requirement for graduation.*”
Course restrictions: Not available in section 9.
Experience CU Family Medicine! Students will be members of the inpatient service team at the Anschutz Inpatient Pavilion, take call, and will spend 2 half days per week at the A.F. Williams Family Medicine Center (outpatient clinic).

FMMD 8007  Out-Patient Family Med  4 wks  Fall, Spring Sems.  Max: 1
Course Director, Caroline LeClair, DO, 720-848-9000. Course Coordinator, Lisa Martinez, 720-848-9100
Course is an outpatient family medicine at A.F. Williams Family Medicine Center and Denver Health’s Lowry Family Medicine Clinic. Multidisciplinary faculty including pharmacologists, behavioral scientist, and experienced family physicians and residents caring for a diverse group of patients.

FMMD 8008  Occup/Envir Med In FM  2 or 4 wks
Course Director, David Gaspar, MD Course Coordinator, Steven Cruse, 303-724-0975.
Prerequisite: Course director approval required to add this elective.
Students will learn principles of Occupational and Environmental Medicine. A variety of assessments ranging from sport physicals, commercial/FAA exams to complex disability evaluations will be taught. Elective taught by Drs. Stephen Gray or James Bachman.

FMMD 8009  Directed Study in FM  2, 4, or 8 wks
Course Director, Caroline LeClair, DO, 720-848-9000. Course Coordinator, Steven Cruse, 303-724-0975.
Prerequisite: Course director approval required to add this elective.
Restrictions: Must have directed study goals and objectives approved by Course Director.
Students may participate in scholarly work directed by specific Department of Family Medicine faculty members including curriculum development, patient education projects, and other scholarly activities. Department of Family Medicine MSA or research mentor must supervise and be responsible for evaluations.

FMMD 8012  Oral Health:Acute Dental  2 wks  Fall, Spring Sem
Course Directors, Mark Deutchman, MD. 303-724-9725, mark.deutchman@ucdenver.edu, Ed Mitinsky, DDS, 303-724-6996.
Prerequisite: Course Director approval.
Restrictions: This elective offered only at selected times. It will not be offered in June, July, August, or December.
The focus of this elective is on recognition, assessment, triage, and treatment of acute dental problems, such as pain, infection, and trauma. Students interested in rural or underserved primary care practice should take this elective.

FMMD 8014  PCMH: Concept & Practice  2 wks  Spring Sem
Course Directors, David Gaspar, MD and Scott Hammond, MD. Course Coordinator, Steven Cruse, 303-724-0975.
Course Restrictions: Elective only offered Sections 39 & 40. Prior approval by the Course Director or coordinator needed.
Lean why the Patient Centered Medical Home is a comprehensive model that will revolutionize primary care of the 21st century. Students will study the evidence behind the main principles of the PCMH and experience them in action at PCMH-certified clinics.

FMMD 8015  Correctional Health Care  2 or 4 wks  Max: 1
Course Directors, David Gaspar, MD and David Allred, DO. Course Coordinator, Steven Cruse, 303-724-0975.
Prerequisites: Specific background check for DCC and pre-elective training required months in advance of elective.
Course Restrictions: Prior approval by Course Directors.
The elective, at federal correctional facility at Florence,Colorado, will provide students an introduction to care in a non-traditional clinical environment where patients carry a large burden disease of medical and mental health conditions.

FMMD 8016  Sub-I at Colorado FMRs  4 wks  Max: 1
Course Directors, Caroline LeClair, DO, 720-848-9000. Course Coordinator, Steven Cruse, 303-724-0975.
“This Sub-I course meets the UC SOM requirement for graduation.”
Course Restrictions: Required Sub-Is available at Grand Junction, Greeley, Ft. Collins, Pueblo, Rose, St. Antony, St. Joseph, and Swedish FM Residency Programs. Application to and prior approval by the individual residency program is needed.
Sub-Internship level experience in managing problems common to Family Medicine at one of eight Colorado FM Residency Programs. Two-thirds inpatient and one-third outpatient emphasizing advanced communication and clinical reasoning skills.
FMMD 8100  FMMD Elective Away  2 or 4 wks
Course Director, David Gaspar, MD. Course Coordinator, Steven Cruse, 303-724-0975.
Restrictions: Must work with a family physician. Students must have learning objectives approved by course director.
Prerequisite: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
   This elective will be held at a site in Colorado or another state. Can be done in private offices or a CO Residency Program if not structured as a Sub-I. All rotations out of state (even if considered a Sub-I at an out-of-state residency program are required to register as FMMD 8100.)

FMMD 8400  International FM  4, 8, or 12 wks
Course Director, David Gaspar, MD. Course Coordinator, Steven Cruse, 303-724-0975.
Restrictions: May not register for final 6 weeks of academic year. Supervising physician must be a family physician.
Prerequisite: Approval from Course Director and the Associate Dean for Student Affairs required to register.
   Management of Family Medicine problems common to countries outside of the United States. Inpatient and outpatient experiences are acceptable. Successful International Experiences sessions are required. Arrangements, including registering with “Studio Abroad” must be completed 60 days prior to the elective.

FMMD 8411  Foreign Language Immersion  4 or 8 wks
Course Directors, David Gaspar, MD. Course Coordinator, Steven Cruse, 303-724-0975.
Restrictions: May not register for final 6 weeks of academic year. Not available for honors grading.
Prerequisites: Prior approval of the Course Director and from the Associate Dean of Student Affairs required to register.
   Must attend an accredited Foreign Language program. 80 hours of language study AND 20 hours of medical foreign language or 24 hours of clinical required. Successful International Experiences sessions are required. Arrangements and registration with “Studio Abroad” must be completed 60 days prior to departure.

FMMD 8600  Research in FM  2, 4, 8 or 12 wks
Course Director, Caroline LeClair, DO, 720-848-9000. Course Coordinator, Steven Cruse, 303-724-0975.
Prerequisite: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
Restrictions: Must be supervised by a family physician or Department of Family Medicine faculty approved by the Course Director. Must have research goals and objectives approved as well.
   Primary Care research opportunities are available in practice-based and epidemiologic research.

FMMD 8630  FMMD Research Away  2, 4, or 8 wks
Course Director, David Gaspar, MD Course Coordinator, Steven Cruse, 303-724-0975.
Prerequisite: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
Restrictions: May not register for final 6 weeks of academic year. Must be supervised by a family physician or through Department of Family Medicine. Must have research goals and objectives approved by Course Director.
   This research elective will be held at a site in Colorado or another state.

FMMD 8640  Int’l FM Research  4 or 8 wks
Course Directors, David Gaspar, MD. Course Coordinator, Steven Cruse, 303-724-0975.
Restrictions: May not register for final 6 weeks of academic year. Not available for Honors grading. Must be supervised by a family physician or through Department of Family Medicine. Must have research goals and objectives approved by Course Director.
Prerequisites: Departmental approval must be obtained and all arrangements made at least one semester in advance. Approval of the Associate Dean for Student Affairs required.
   May participate in Family Medicine research with a family physician or Family Medicine faculty at international sites. Student must provide goals & objectives, obtain departmental approval, complete arrangements & register with “Studio Abroad” 60 days prior to departure. Successful International Experiences sessions also are required.

IDPT 8000  Foundations Doctoring IV  Summer, Fall, Spring, Semesters
Course Director, Kristin Furfari, MD. Course Coordinator, Tina Roquemore, 303-724-6421.
Course Restrictions: To register please email Tina Roquemore@ucdenver.edu. For graduation requirements, this course counts one week for summer semester and two weeks each for fall and spring semesters.
   This course continues the established student-preceptor relationship from the FDC course. Students attend their preceptor office 2-3 times per month. Students will work with a panel of patients or families serving as their physician under the supervision of their preceptor.
IDPT 8001  Tutoring in Foundations  Fall, Spring Semesters
Course Director, Todd Guth, MD, 303-724-6420. Course Coordinator, Tina Roquemore, 303-724-6421.
Course Restrictions: To register please email Tina Roquemore@ucdenver.edu. For graduation requirements, this course counts one week each for fall and spring semesters.
Fourth year students are trained how to be tutors and then use their skills with first and second year students learning physical exam and communication skills. Learn how to coach small groups of students, give feedback and evaluate student performance.

IDPT 8003  Geriatrics  4 wks  Max: 2
Course Directors, Laurence J. Robbins, MD Course Coordinator, Lynn Blair, 303-393-2822.
Student receives core didactic and reading material to enhance their knowledge of common geriatric medical and psychosocial issues. Exposed to patient care in numerous out-patient, inpatient, hospice, long term care and home care settings on and off of University campus.

IDPT 8004  Integrated Clinicians 4  2 wks  Spring Semester
Course Directors, Jeffrey Druck, MD, Nichole Zehnder, MD Course Coordinator, Annie Lopez Osendorf, 303-724-4558.
Restrictions: Offered section 41 only.
Through didactic and small group sessions, the course will teach advanced clinical skills, translational basic science and thread material that is vital to doctoring, but underrepresented in the clinical blocks.

IDPT 8005  Integrated Clinicians 5  2 wks  Spring Semester
Course Director, Jeffrey Druck, MD, Nichole Zehnder, MD Course Coordinator, Annie Lopez Osendorf, 303-724-4558.
Restrictions: Offered section 51 only.
ICC 5 is a required Phase IV course that will provide you with essential learning opportunities to begin residency and your career to include ACLS, legal malpractice, teaching skills, finance, leadership skills and specialty specific clinical reviews.

IDPT 8007  Medicine / Pediatrics  2 or 4 wks  Max: 1
Course Director: Adam Trosterman, MD Course Coordinator,
Prerequisites: Course Director approval required to add this course.
Provide ambulatory and hospital care for pediatric and adult patients with a physician board-certified in both medicine and pediatrics. The focus is primary care. This elective is of interest to students interested in medicine/pediatric, family medicine and internal medicine.

IDPT 8011  Clinical Nutrition  2 wks  Max: 1
Course Director, Nancy Krebs, MD, MS. Course Coordinator, Laura Primak, RD, CNSD, 303-506-5228
Restrictions: Contact laura.primak@ucdenver.edu, two weeks prior to start date.
Develop your nutrition assessment skills with this elective, tailored to your needs with adult and/or pediatric inpatients and/or outpatients with a variety of conditions and diseases. Active learning with exceptional mentors is emphasized.

IDPT 8014  Global Hlth US Project  4 or 8 wks  Max: 20
Course Director: Jennifer Bellows, MD, 303-436-6884. Course Coordinator, Cody Miller, 303-724-4161.
Course Restrictions: Course director approval required to add course.
This course is the continuation of IDPT 6667 and 6668. Students will undertake a global health project at a US-based site under the supervision of their designated mentor and local supervisors.

IDPT 8015  Global Hlth Intl Project  4 or 8 wks  Max: 20
Course Directors: Jennifer Bellows, MD, 303-436-6884. Course Coordinator, Cody Miller, 303-724-4161.
Course Restrictions: Course director approval required to add course.
This course is the continuation of IDPT 6667 and 6668. Students will undertake a global health project at an international site under the supervision of their designated mentor and local supervisors.

IDPT 8016  Physician as Educator  Fall and Spring Sems.  Min:5/Max:30
Course Director, Wendy Madigosky, MD, MSPH. Course Coordinator, Steven Cruse, 303-724-0975.
Prerequisite: Prior approval by the Course Director required to add this course.
Course Restrictions: This is a two-semester course offered fall and spring semesters. For graduation requirements, each semester counts one week.
This elective is intended to develop your skills as an effective teacher in clinical settings. This will include participation in evening teaching workshops, co-precepting first and second year medical students at Stout Street Clinic and Foundations of Doctoring skills sessions.

IDPT 8017  Culturally Effective Med  2 wks  Spring semester
Min:6/Max:10
Course Director, Paritosh Kaul, MD. Course Coordinator, Regina Richards, MSW, 303-724-4537.
Course Restriction: Offered section 37 only.
Students will gain an understanding of social and cultural influences that affect medical care from and individual and systems perspective. Through didactics, group discussions, and clinical work, students will gain the knowledge that is necessary to provide culturally effective care.
IDPT 8018  **Global Health & Disaster**  2 wks  **Fall semester**  
Course Director, Stephen Berman, MD, 303-724-9771. Course Coordinator, Michelle Shiver, BSE, 303-724-9771.  
Course Restrictions: Section 27 only.
This course will cover current global health policy issues, community engagement, parasitic, bacterial and viral infections, specialty care, malnutrition and disaster planning and response for children. There will be readings, lectures, labs, problem based learning, small group sessions and technical exercises.

IDPT 8019  **Team-based Clinical Care**  2 wks  **Max: 20**  
Course Director, Wendy Madigosky, MD. Course Coordinator, Brenna Deutchman, 303-724-6428.  
Restrictions: For graduation requirements, each semester counts one week.  
Students will join an interprofessional care team to follow patients with complex medical illness. Focus is on understanding the interprofessional care team model of patient entered care, and recognizing factors influencing effective team function. Clinical sites include disease-based clinics, rehabilitation centers, and hospice.

IDPT 8020  **Physician as Advisor**  Fall Spring Sems.  Min:16/Max:40  
Course Director, Maureen Garrity, PhD. Course Coordinator.  
Prerequisites: Fourth year standing and selection as a “Student Advisor” in the Advisory College Program.  
Restrictions: This is a two-semester course offered Fall and Spring. For graduation requirements, each semester counts one week.  
Physician as Advisor teaches fourth year students to advise peer students in an Advisory College Program. It will prepare students for careers in academic medicine by developing skills in advising, leadership, and administration as well as self-assessment.

IDPT 8021  **Costa Rica Spanish Immersion**  (New elective spring 2014)  4 wks  **Spring semester**  **Max: 10**  
Course Director, Steven Lowenstein, MD, MPH, 720-848-6777. Course Coordinator, Rory Foster, 303-684-5557.  
Prerequisites: Course Director approval Required. This Spanish immersion and community health elective is most appropriate for students who have studied Spanish in at least at the “Advanced Beginner” level. Students who have not studied Spanish in high school or college should have Spanish language experience equivalent to one of the following; past instruction in the School of Medicine’s SABES or SABES-II (Clinical Medical Spanish) elective; or successful completion of Common Ground International’s Beginning I Medical Spanish course. Contact course coordinator for information.  
Restrictions: Offered Section 37 only. The estimated charge (by Common Ground International) is $3,350, which includes: travel, medical insurance; home stay lodging and two meals per day; language classes and class materials; a comprehensive Medical Mission Handbook; and transportation to and from afternoon health tours and volunteer sites. This fee also includes course coordination and support by the onsite program coordinator, seminars by local Costa Rican health experts and staffing by clinical preceptors.  
This capstone Spanish Immersion course in Costa Rica includes home stays, intensive language instruction and public health and community outreach activities in underserved communities. Students should be passionate about providing care to the disadvantaged patients in the USA or abroad and committed to improving their Spanish language skill.

IDPT 8022  **Clinical Medical Spanish**  - ( REPLACED MEDS 8021 in FALL 2013)  4 wks  **Fall Sem**  **Min:4/Max:14**  
Course Director, Monica Carten, MD. Course Coordinator, Rory Foster, 303-684-5557. Common Ground International.  
Prerequisites: 2 years of classroom Spanish language instruction (i.e. 2 semesters of college level Spanish), basic Spanish language conversation ability, some knowledge of Medical Spanish. Evaluation by Spanish language instructor prior to registration approval is required.  
Restriction: Offered section 21 only. Course fee: $330 plus textbooks.  
Clinical Medical Spanish is a near-immersion experience in medical Spanish: consisting of intensive classroom instruction in medical Spanish, a clinical sub-internship at Denver metro-area outpatient clinics, and a final presentation t. Home stays with a Spanish-speaking family may be possible.

IDPT 8023  **Refugee Health II**  (New elective summer 2013)  2 or 4 wks  **Summer, Fall, Spring sems.**  **Max:4**  
Course Director, Jamal Moloo, 720-848-6556. Course Coordinator, Kristina Oatis, 303-724-1798.  
Refugee Health II will provide Phase IV medical students with clinical exposure to the multifaceted nature of refugee healthcare through two or four week commitments at the Colorado Refugee Wellness Center.

IDPT 8030  **Laboratory Medicine**  (Replaces PATH 8001 effective fall 2013)  4 wks  **Fall Sem**  **Max: 50**  
Course Director, Mary Berg, MD, Course Coordinator, Gretchen Amend, 303-724-3905.  
Restrictions: Course offered section 17 only.  
This elective gives senior students comprehensive instruction in using laboratory tests. It reviews physiologic and biochemical phenomena on which laboratory tests are based and emphasizes approaches to interpret laboratory data, awareness of indications, and pitfalls of laboratory tests.
IDPT 8090 Mentored Scholarship  Longitudinal wks  Fall and Spring
Course Director, Allan Prochazka, MD. Course Coordinator, Cody Miller. 303-724-4161.
Students work intensively with mentors on their chosen MSA Project. Students critically review background literature, define a question/hypotheses, develop and implement methods and student design, collect date, analyze and interpret data, and submit written progress reports for their MSA project.

IDPT 8091 MSA Phase IV Preparation  4 wks  Summer, Fall, Spring
Course Director, Allan Prochazka, MD Course Coordinator, Cody Miller, 303-724-4161.
Prerequisite: Prior approval of Mentor, Course Director, and Associate Dean for Student Affairs, required. Students work intensively with mentors on their chosen MSA Project. Students critically review background literature, define a question/hypotheses, develop and implement methods and study design, collect data, analyze and interpret data, and submit written progress reports for their MSA project.

IDPT 8093 IDPT Scholarly Activity  4 wks  Summer, Fall, Spring
Course Directors, Allan Prochazka, MD and Maureen Garrity, PhD. Course Coordinator, Cody Miller, 303-724-4161.
Prerequisite: Special permission and individual arrangements required in advance. Students must have a faculty/project mentor who will sign off on the project. The student must receive prior approval from the Associate Dean for Student Affairs. Restriction: Cannot be taken after Section 47. This course is designed to allow students to complete scholarly work not appropriately covered by other available courses (e.g. MSA work beyond IDPT 8091).

IDPT 8601 Research Track, Resrch I  4 wks  Summer, Fall, Spring
Max:20
Course Director, Randy Ross, MD. Course Coordinator, Cody Miller, 303-724-4161.
Restrictions: Limited to and required for Phase IV (MS4) medical students who are in good standing in the Research Track. The first of two courses for Phase IV Research Track medical students. Students are expected to spend full time working on their research project and towards the Track required goals of submitting an abstract and a first-author publication.

IDPT 8602 Research Track, Resrch II  4 wks  Summer, Fall, Spring
Max:50
Course Director, Randy Ross, MD. Course Coordinator, Cody Miller, 303-724-4161.
Prerequisite: IDPT 8601, Research Track, Resrch I.
Restrictions: Limited to and required for Phase IV (MS4) medical students who are in good standing in the Research Track. May be repeated once as an elective. The second of two courses for Phase IV Research Track medical students. Students are expected to spend full time working on their research project and towards the Track required goals of submitting an abstract and a first-author publication.

IDPT 8827 Directed Study Clin Sci  2, 4, or 8 wks
Course Director, Maureen Garrity, Ph.D.: Course Coordinator,
Prerequisite: Course Director approval required to add. This course provides an opportunity for medical students to further develop and refine their knowledge of the clinical sciences. Course will include scheduled study time, regularly scheduled practice exams, tutoring in clinic content and test taking strategies.

MEDICINE ELECTIVES

MEDS 8001 Medicine Subinternship  4 wks  Max: 16
Course Director, Adam Trosterman, MD. Course Coordinator.
"This Sub-I course meets the UC SOM requirement for graduation."
The sub-intern functions as an intern and is responsible for the admission, evaluation, and continuing care of patients under the supervision of a Resident and an Attending. Sub-internships are offered at DHMC, P/SL, UCH, VAMC, and St. Joseph's Hospital.

MEDS 8002 Hospital Medicine Sub-1  4 wks  Max: 16
Course Director, Christopher King, MD. Course Coordinator, Emile Wagner.
"This Sub-I course meets the CU SOM requirement for graduation."
Experience hospitalist medicine first hand by working one-on-one with an attending and developing a quality improvement initiative. You will also gain the skills to excel from the start of intern year by being the primary provider for your patients.

MEDS 8003 Transfusion Medicine  4 wks  Max: 1
Course Director. Course Coordinator,
Course Restrictions: Notification of, and approval by course director before students start the course.
This course is a comprehensive study of transfusion medicine, pre-transfusion testing, component preparation and storage, donor selection and testing, inventory control and blood administration. Independent study and research encouraged.

<tbody>
<tr>
<td>MEDS 8004</td>
<td>Cardiology</td>
<td>4 wks</td>
<td>6</td>
<td>Offered by Peter M. Butrick, MD. Course Coordinator, Ashley Hurley, 303-724-2089. Designed to offer a broad general exposure to adult cardiology, including history, physical examination, and an introduction and review of standard noninvasive testing.</td>
</tr>
<tr>
<td>MEDS 8005</td>
<td>Cardiac Diagnostic Skill</td>
<td>2 wks</td>
<td>6</td>
<td>Offered by David Flitter, MD and Michael Fisher, MD. Course Coordinator, Sarah Flores, 303-866-8885. Course is at Exempla St. Joseph Hospital. Goals are to improve cardiac physical diagnosis skills, interpret EKG findings, recognize abnormal heart sounds and murmurs; and analyze cardiac chest x-ray findings. Includes didactic sessions and home study.</td>
</tr>
<tr>
<td>MEDS 8006</td>
<td>Allergy/Clin Immunology</td>
<td>4 wks</td>
<td>1</td>
<td>Offered at UH and NJMC. Allergy and clinical immunology with direct patient contact in allergy and immunology clinics. Opportunities to participate in outpatient consultations, observe clinical immunology laboratory techniques, and library research.</td>
</tr>
<tr>
<td>MEDS 8007</td>
<td>Clinical Renal</td>
<td>4 wks</td>
<td>4</td>
<td>Offered by James Cooper, MD. Course Coordinator, Kendra Burghardt, 303-724-4851. A four-week elective course in electrolyte, hypertensive, acute and chronic renal failure, glomerular (including diabetes) disorders, and hospital services. The students will see consults on all services, learn to maintain and analyze flow sheets, review problems with residents and fellows.</td>
</tr>
<tr>
<td>MEDS 8008</td>
<td>Clin Gastro-Colo Spgs – (new course)</td>
<td>4 wks</td>
<td>2</td>
<td>Offered by Austin, Garza, MD, 719-635-7321. Course Coordinator, <a href="mailto:ag624@mac.com">ag624@mac.com</a>. This is an ambulatory and inpatient gastroenterology exposure within the context of a private practice, featuring exposure to GI diseases, endoscopic and medical management of the gastrointestinal tract and hepatology including Hepatitis C.</td>
</tr>
<tr>
<td>MEDS 8009</td>
<td>Clin Infectious Diseases</td>
<td>4 wks</td>
<td>3</td>
<td>Offered by J. David Beckham, MD, 303-724-4927. Course Coordinators, Ashley Cannon, 303-724-4932. UCH, DHMC, and VA Hospital assigned. Hospitalized patients with a variety of infectious diseases are available for study. Diagnosis, pathophysiology, immunology, epidemiology, and management, including use of antimicrobial agents are emphasized. Students attend and participate in ward rounds and conferences.</td>
</tr>
<tr>
<td>MEDS 8010</td>
<td>Clin Gastroenterology</td>
<td>4 wks</td>
<td>2</td>
<td>Offered by Joel Levine, MD. Course Coordinator, Shanna Taylor, 303-724-2972. Students will participate in work up of both hospitalized and ambulatory patients with gastrointestinal (GI) illnesses. GI pathophysiology will be emphasized. Students attend weekly conferences in clinical gastroenterology, radiology and pathology. They are invited to observe procedures. Hospital is assigned.</td>
</tr>
<tr>
<td>MEDS 8011</td>
<td>Pulmonary</td>
<td>4 wks</td>
<td>2</td>
<td>Offered by Joe Crossno, MD, 303-724-3695. Course Coordinator, Jessica Cunningham, 303-724-6043. UCH, DHMC, and DVAMC. This elective offers broad experience in pulmonary and critical care medicine. Students participate in consultations, attend conferences and clinics. A wide variety of pulmonary and critical care cases are seen.</td>
</tr>
<tr>
<td>MEDS 8012</td>
<td>Clinical Rheumatology</td>
<td>4 wks</td>
<td>1</td>
<td>Offered by Robert Janson, MD. Course Coordinator, Wanda Simpson, 303-724-7605. Students will learn how to recognize, diagnose, and treat common rheumatic disorders. Students will attend all formal teaching conferences in the Division of Rheumatology and attend 6 or more outpatient clinics each week at Denver Health, Denver VA, and the University campus.</td>
</tr>
<tr>
<td>MEDS 8013</td>
<td>Endocrinology</td>
<td>4 or 6 wks</td>
<td>2</td>
<td>Offered by Cecilia Wang, MD, 303-399-8020. Course Coordinator, Holly Smith, 303-724-3927. Introduction to evaluation and management of endocrine disorders via outpatient clinics and inpatient visits at VAMC, DHMC, UCH. Endocrine-focused history-taking and physical examination with a complete problem-oriented approach to patient care. Multiple conferences and close interaction with fellows and attendings.</td>
</tr>
<tr>
<td>MEDS 8014</td>
<td>Hematology / Oncology</td>
<td>4 wks</td>
<td>1</td>
<td>Offered by Paul Seligman, MD, 303-724-4086. Course Coordinator, Theresa Martinez, 303-724-4088. Students are exposed to a wide range of patients seen in consultation for hematologic and oncolgic problems. Students may also elect to attend the numerous subspecialty outpatient clinics for patients with various malignancies.</td>
</tr>
</tbody>
</table>
MEDS 8017  Hospice/Palliative Care  2 or 4 wks       Max: 1
Course Director: Jeanie Youngwerth, MD., 720-848-4289.
Restriction: Please contact Dr. Youngwerth via email if you drop the course.
This is an introduction to hospice and palliative care. Students will explore the physical, social, psychological, and spiritual aspects of patient care of the terminally ill at hospice, and learn to elicit goals of care and acute symptom control in the hospitalized patient with serious illness.

MEDS 8022  Disability Medicine  2 or 4 wks       Max: 2
Course Director, Laura Pickler, MD, MPH. 720-777-7450. Course Coordinator, Dina Johnson, 303-724-7673
Prerequisites: Course Director approval required to add this course.
Restrictions: Not offered in December. Final scheduling requires communication with Dr. Pickler either by email or office phone.
This course addresses unique considerations of providing health care to individuals with disabilities throughout their lifespan. Coursework is tailored to the student’s interests, providing experience with genetic conditions and inborn errors of metabolism in addition to patients with developmental disabilities.

MEDS 8023  Medicine Consult  2 or 4 wks       Max: 2
Course Director, Mary Anderson, MD. Mary.anderson@ucdenver.edu.
Medicine Consult is for students interested in learning about medical issues of surgical patients and performing general medical consultations for non-medical services. This elective will be useful to the student interested in a career in hospital medicine or surgical subspecialties.

MEDS 8025  Medical Oncology  4 wks       Max: 2
Course Director, Elaine Lam, MD, 720-848-0170.
Students will learn the basic aspects of medical oncology by evaluation of patients in the general oncology, breast, lung cancer, prostate, melanoma, leukemia and lymphoma clinics. They will attend the weekly multi-disciplinary tumor conferences.

MEDS 8026  Medical Oncology Sub I  4 wks       Max: 1
Course Director, Elaine Lam, MD, 720-848-0170.
This elective is a sub-internship on the oncology unit of University Hospital. The student will function as an intern, admitting and evaluating patients. Teaching rounds will be on a daily basis with residents, oncology fellows and an attending physician.

MEDS 8029  Applied Clin Pharmacolog  4 wks       Spring Sem.  Min: 20/Max:120
Course Directors, Alberto Costa, MD, PhD, 303-724-6007 and Wenbo Zhou, PhD, 303-724-6000.
Restriction: Course offered section 37 only.
This course provides fourth year medical students with a practical approach to the pharmacologic treatment of common clinical conditions. There will be three 1-hour lectures each day, ten additional hours of independent study per week, and a final examination.

MEDS 8032  Corrections Health Care  2 wks       Max: 1
Course Directors, Ingrid Binswanger, MD, MPH, 303-724-2246, Peter Crum, MD, 720-913-3742. Course Coordinator,
Prerequisite: Course Director approval required to add this course.
Provide primary care to inmates in corrections facilities. Experiences include manipulative or drug-seeking patients, the interface between health care and the legal system, and issues in correctional health care (i.e., HIV, TB).

MEDS 8034  Sub I Crit Care StJoseph  4 wks       Max: 3
Course Director, Lisa Cyran, MD. Course Coordinator, Sarah Flores, 303-866-8885.
“This Sub-I course meets the UC SOM requirement for graduation.”
Restrictions: Maximum enrolment of 2-3 students, depending on Section #: (3 spots are generally available May thru September.) Student sub-internship on one-resident/one-intern team, 10 day-time alternating with 5 night-time shifts, one day off weekly. Student attends daily ICU Cardiology/Pulmonary/interdisciplinary rounds, Morning Report, and Noon conference and will enhance skills in evaluating, managing and communicating with critically ill patients and families.

MEDS 8037  Medical ICU - UCH  4 wks       Max: 1
Course Director, Ellen Burnham, MD. Course Coordinator, Michelle Kerklo, BS, 303-724-6079.
Prerequisites: Sub I in Medicine or Surgery. This rotation will provide training in the care of critically ill ICU patients. Emphasized skills will include management of respiratory failure, hemodynamic instability, severe, electrolyte abnormalities, gastrointestinal emergencies and common ICU procedures.

MEDS 8038  CAM Wellness Elective  2 or 4 wks       Fall, Spring  Max: 4
Course Director, Lisa Corbin, MD 720-848-1225.
Prerequisites: Course director approval required to add this course.
In-depth exploration of complimentary/alternative medicine therapies and personal wellness will be facilitated through didactic sessions, field trips, online learning, reflection, and self-directed project.
MEDS 8040  Film and Mental Illness  2 wks  Spring sem.
Min: 6/ Max: 30
Course Director, Therese Jones, PhD, 303-724-3995. Course Coordinator, Heidi Mallon, Med, 303-724-6997.
Restrictions: Offered section 43 only.
There is a well-documented relationship between movies and psychiatry. Just how accurate are film depictions of psychiatric conditions and how have cinematic representations shaped our personal responses, cultural beliefs, and social policies regarding the mentally ill?

MEDS 8100  MEDS Elective Away  2 or 4 wks
Course Director, Adam Trosterman, MD. Course Coordinator, .
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
Restriction: Not available sections 49 and 50.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.
Course is Pass/Fail only.

MEDS 8600  Research in Medicine  2, 4, 8, or 12 wks
Course Directors: Britta Jacobsen, PhD and Adam Trosterman, MD. Course Coordinator, .
Prerequisites: Special permission from the department and individual arrangement must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
Restrictions: Not available sections 49-50.
Phase 4 medical students perform clinical, basic science or health services research under the supervision of an Internal Medicine faculty member. Project is defined with individual mentor and approved by course director. Course is graded on a pass/fail basis.

MEDS 8601  Intro Biomed Research  2 or 4 wks
Course Director, John Repine, MD Course Coordinator, .
Prerequisite: Course Director approval required to add the course. The student must speak with Dr. Repine beforehand to understand the nature of the course.
Restrictions: The paper cannot be used for another course and may or may not be suitable for publication. This course cannot be taken simultaneously with another for credit course at the medical school.
The goal of this course is to familiarize medical students with Biomedical Research and literature searches. Students will select and prepare a short paper on a specific approved topic and then review the work with a mentor and/or Course Director.

MEDS 8630  MEDS Research Away  2, 4, or 8 wks
Course Directors, Adam Trosterman, MD and Britta Jacobsen, PhD. Course Coordinator, .
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
Restrictions: Not available sections 49-50. This course is graded on a pass/fail basis only.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

NEUROLOGY ELECTIVES

NEUR 8000  Neurology  2 or 4 wks  Max: 3
Course Director, Chantal O'Brien, MD. Course Coordinator, April Flores, 303-724-58999.
Restrictions: 2-week rotation allowed for special circumstances and with Course Director approval one month prior to beginning of course.
This elective offers students further clinical experience with patients who have neurologic disorders. A program is prepared at one of three teaching institutions (University of Colorado Hospital, Denver Veterans Affairs Medical Center, or Denver Health Medical Center) for this rotation.

NEUR 8100  NEUR Elective Away  2 or 4 wks
Course Director, Chantal M. O’Brien, MD. Course Coordinator, Holly Ables, 303-724-5899.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
Restrictions: Per Office of Student Affairs guidelines.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

NEUR 8600  Research in Neurology  2, 4, 8, or 12 wks
Course Director, Chantal O'Brien, MD. Course Coordinator, Holly Ables, 303-724-5899.
Prerequisites: Special permission from the department and individual arrangement must be completed and then the student must receive prior approval from the prior approval from the Associate Dean for Student Affairs.
This course will allow the student to design and conduct research project with a member of the Neurology Faculty.
NEUR 8630  NEUR Research Away  2, 4, or 8 wks
Course Director, Chantal O’Brien, MD. Course Coordinator, Holly Ables, 303-724-5899.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

NEUROSURGERY ELECTIVES

NSUR 8014  Neurosurgery Sub I  2, 4, or 6 wks  Max: 8
Course Director, Kathryn Beauchamp, MD. Course Coordinator, Krystin Martinez, 303-724-2302.
“This Sub-I course meets the UC SOM requirement for graduation.”
Intensive rotation emphasizing care and management of neurosurgical patients, with close patient responsibility. Weekly conferences and lectures required and students must present a case with topic discussion. Recommended for students with interests in neurosurgery, neurology, emergency medicine and trauma surgery.

NSUR 8100  NSUR Elective Away  2 or 4 wks
Course Director, Kathryn Beauchamp, MD. Course Coordinator, Krystin Martinez, 303-724-2302.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

NSUR 8600  Research in Neurosurgery  2, 4, 8, or 12 wks
Course Director, Kathryn Beauchamp, MD. Course Coordinator, Krystin Martinez, 303-724-2302
Prerequisites: Special permission from the department and individual arrangement must be completed and then the student must receive prior approval from the prior approval from the Associate Dean for Student Affairs.
A written evaluation must be sent to Dr. Michael Handler and Lauren Buckles.

NSUR 8630  NSUR Research Away  2, 4, or 8 wks
Course Director, Kathryn Beauchamp, MD. Course Coordinator, Krystin Martinez, 303-724-2302.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
Restrictions: Not available sections 49-50.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

OBSTETRICS AND GYNECOLOGY ELECTIVES

OBGY 8000  General Obstetrics Sub I  4 wks  Max: 1
Course Director, Kathy Witzeman, MD, 303-602-9725. Course Coordinator, Rochelle Cassell, 303-724-2031.
“This Sub-I course meets the UC SOM requirement for graduation.”
Offered at DHMC only. Includes experience in outpatient high risk obstetrics, inpatient antepartum, intrapartum, postpartum, and family planning. Student works under clinical supervision of residents and attending staff.

OBGY 8001  General Gynecology Sub I  4 wks  Max: 1
Course Director, Kathy Witzeman, MD, 303-602-9725. Course Coordinator, Rochelle Cassell, 303-724-2031.
“This Sub-I course meets the UC SOM requirement for graduation.”
Offered at DHMC only. Includes experience in inpatient/outpatient gynecology, family planning, operative gynecology and postoperative care. Student works under supervision of residents and attending staff.

OBGY 8002  Directed Study in OBGYN  4 or 8 wks
Course Director, Kristina Tocce, MD, 303-724-2044. Course Coordinator, Rochelle Cassell, 303-724-2031.
Prerequisites: Must have approval from specific faculty involved and from Course Director to register.
Students may obtain detailed and intensive directed study with specific faculty members. Opportunities such as clinical research projects, laboratory projects, directed literature reviews, and special clinical rotations are available.
OBGY 8004  **High Risk Maternal/Fetal** 4 wks  Max: 1
Course Director, Kristina Tocce, MD. Course Coordinator, Rochelle Cassell, 303-724-2031.

“This Sub-I course meets the UC SOM requirement for graduation.”
Intensive exposure to problems of high-risk obstetrics. Student will work under supervision of the Maternal-Fetal Medicine Staff. Student will attend high-risk clinics, have primary responsibility for patient care in ante partum unit under supervision of chief resident.

OBGY 8005  **Gynecologic Oncology** 4 wks.  Max: 1
Course Director, Julia Embry. Course Coordinator, Rochelle Cassell, 303-724-2031.

“This Sub-I course meets the UC SOM requirement for graduation.”
Student will attend GYN oncology clinics and scrub on all GYN oncology surgery, functioning as acting intern. Literature review and talk on selected subject required. There will be an oral exam at the end of rotation. Clinical research opportunities are available.

OBGY 8009  **GYN Subspecialties** 4 wks  Max: 1
Course Director, Kristina Tocce, MD 303-724-2044. Course Coordinator, Rochelle Cassell, 303-724-2031.
Restrictions: This elective is for University of Colorado students only, no visiting students.
Elective is designed to expose the student to variety of outpatient subspecialty gynecologic clinics, including colposcopy, pediatric gynecology, vulvovaginitis, urogynecology, and pelvic pain. The student works under the direct supervision of attending physicians. An end of rotation presentation is required.

OBGY 8010  **Reproductive/Infertility** 4 wks  Max: 1
Course Director, Ruben Alvero, MD. Course Coordinator, Rochelle Cassell, 303-724-2031.
The student will participate in ultrasound, procedures and clinical consultations. The student will present a brief lecture to the division at the conclusion of the rotation.

OBGY 8011  **Family Planning** 4 wks  Max: 1
Course Director, Kristina Tocce, MD. Course Coordinator, Rochelle Cassell, 303-724-2031.
Restrictions: This elective is for University of Colorado students only, no visiting students.
This elective is designed to make the student proficient in providing family planning services: contraception, options counseling and termination procedures. Substantial emphasis will also be placed participation in ongoing research activities of the division.

OBGY 8012  **UH Gyn Sub-Internship** 4 wks  Max: 1
Course Director, Kristina Tocce, MD. Course Coordinator, Rochelle Cassell, 303-724-2031.
“This Sub-I course meets the UC SOM requirement for graduation.”
This course is designed to allow students to become integrally involved with the general gynecology service. Students will partake in all clinical activities of the service, including operative procedures, management of inpatient gynecology conditions, and emergency room consultation.

OBGY 8100  **OBGY Elective Away** 2 or 4 wks
Course Director, Kristina Tocce, MD. Course Coordinator, Rochelle Cassell, 303-724-2031.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

OBGY 8600  **Research in OB/GYN** 2, 4, 8, or 12 wks
Course Director, Kristine Tocce, MD. Course Coordinator, Rochelle Cassell, 303-724-2031.
Prerequisites: Special permission from the department and individual arrangements must be completed and then he student must receive prior approval from the Associate Dean for Student Affairs.

OBGY 8630  **OBGY Research Away** 2, 4, or 8 wks
Course Director, Kristina Tocce, MD. Course Coordinator, Rochelle Cassell, 303-724-2031.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

---

OPHTHALMOLOGY ELECTIVES

OPHT 8000  **Ophthalmology** 2 or 4 wks  Max: 1
Course Director, Eric Hink, MD. Course Coordinator, Bethany Jackson, 720-848-2508.
This elective is designed for senior students seriously considering a career in Ophthalmology. Students rotate at each hospital with in-depth exposure to each subspecialty area. Students are expected to participate with in- and out-patient care, call activities, teaching rounds, conferences.
OPHT 8100  OPHT Elective Away 2 or 4 wks
Course Director, Eric Hink, MD.  Course Coordinator, Bethany Jackson, 720-848-2508.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
   This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

OPHT 8600  Research Ophthalmology 2, 4, 8, or 12 wks
Course Director, Eric Hink, MD  Course Coordinator, Bethany Jackson, 720-848-2508.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean of Student Affairs.
   A final written evaluation must be mailed to Course Director who will assign the final grade.

OPHT 8630  OPHT Research Away 2, 4, or 8 wks
Course Director, Eric Hink, MD. Course Coordinator, Bethany Jackson, 720-848-2508.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
   This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

ORTH 8000  Orthopaedic Surgery 4 wks  Summer, Fall
Max: 8
Course Director, Frank Scott, MD.  Course Coordinator, Adama Evans, 303-724-7354.
Restrictions: Offered summer and fall semesters.
   "This Sub-I course meets the UC SOM requirement for graduation."
This course is designed as an elective in Orthopaedic Surgery for students desiring residency training in Orthopaedics or another surgical specialty. The student will function as a "sub intern" on a resident/faculty team in two hospital settings.

ORTH 8001  Orthopaedic Primary Care 2 or 4 wks  Spring Sem.
Max: 2
Course Director, Frank Scott, MD.  Course Coordinator, Adama Evans, 303-724-7354.
Restriction: Offered spring semester.
   This course is designed as an elective in musculoskeletal medicine in route to a career in primary care or other overlapping field. The focus is on outpatient musculoskeletal medicine.

ORTH 8005  Sports Medicine 4 wks  Max: 1
Course Director, Frank Scott, MD.  Course Coordinator, Adama Evans, 303-724-7354.
Restrictions: This is a surgical orthopaedic elective.
   Course provides clinical experience in musculoskeletal sports medicine. Students will primarily be based in the CU Sports Medicine Clinic and will participate in patient evaluation with considerable operative exposure as well. This is not a non-operative Sports Medicine program.

ORTH 8100  ORTH Elective Away 2 or 4 wks
Course Director, Frank Scott, MD. Course Coordinator, Adama Evans, 303-724-7354.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.  Max:10
   This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

ORTH 8600  Research in Orthopedics 4, 8, or 12 wks  Max:4
Course Director, Frank Scott, MD.  Course Coordinator, Adama Evans, 303-724-7354.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
   Provides an opportunity to participate in research at the clinical or basic science level. The student should contact the Departmental Office 3-4 months in advance to arrange a meeting with a member of the Orthopaedics faculty to define a project.

ORTH 8630  ORTH Research Away 2, 4, or 8 wks  Max:10
Course Director, Frank Scott, MD, 720-848-0485.  Course Coordinator, Adama Evans, 303-724-7354.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
   This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

ORTHOPEDIC ELECTIVES
OTOLARYNGOLOGY ELECTIVES

OTOL 8000  Clinical Otolaryngology  2 or 4 wks  Max: 3
Course Directors, Ted Leem and Adam Terella, MD. Course Coordinator, Alicia Gore, 303-724-1957
For students strongly considering an ENT career. Offers in-depth clinical and operative exposure. Also useful for those seeking primary care to further hone head and neck exam skills and treatment of ENT pathology.

OTOL 8100  OTOL Elective Away  2 or 4 wks
Course Directors, Ted Leem and Adam Terella, MD. Course Coordinator, Alicia Gore, 303-724-1957
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

OTOL 8600  Research Otolaryngology  4, 8 or 12 wks
Course Director, Katie Rennie, PhD. Course Coordinator, Alicia Gore, 303-724-1957
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
Objectives: 1) work in supervised environment to gain appreciation for research design, criticism and statistical analysis; 2) complete research project with potential to publish in peer-reviewed journal.

OTOL 8630  OTOL Research Away  2, 4, or 8 wks
Course Director, Katie Rennie, PhD. Course Coordinator, Alicia Gore, 303-724-1957.
Prerequisite: Departmental approval must be obtained and then approved by the Associate Dean for Student Affairs. These must be completed at least one month in advance of the start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

PATHOLOGY ELECTIVES

PATH 8000  Pathology  4, 8, or 12 wks  Max: 2
Course Directors, Robert Low, MD and Phillip Boyer, MD, PhD. Course Coordinator, Gretchen Amend, 303-724-3905.
Optimal rotation schedule is based on student’s interests. Student usually rotates on Anatomic Pathology (AT) services (surgical cyto-, autopsy, and pediatric pathology). Subspecialty rotations in AP (hemato-, neuro-, renal, urologic, GI, pulmonary, and molecular pathology) or Clinical Pathology (CP) (clinical chemistry, microbiology, coagulation, transf).

PATH 8100  PATH Elective Away  2 or 4 wks
Course Director, Robert Low, MD. Course Coordinator, Gretchen Amend, 303-724-3905.
Prerequisites: Department approval must be obtained and then approval by Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

PATH 8600  Research in Pathology  2, 4, 8, or 12 wks
Course Director, Robert Low, MD. Course Coordinator, Gretchen Amend, 303-724-3905.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
The student will rotate in a Department of Pathology laboratory or with faculty member with ongoing research relevant to student’s clinical or long-term academic interests. Rotation can be in a basic science laboratory or focused on a clinical research topic of interest.

PATH 8630  PATH Research Away  2, 4, or 8 wks
Course Director, Robert Low, MD. Course Coordinator, Gretchen Amend, 303-724-3905.
Prerequisite: Departmental approval must be obtained and then approved by the Associate Dean for Student Affairs. These must be completed at least one month in advance of the start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

</table>
PEDS 8018  General Academic Peds  4 wks  Max: 1
Course Directors, David Fox, MD and Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
This course offers experience in a busy, urban ambulatory pediatrics clinic at Children's Hospital. Students will learn about assessment and treatment of general pediatric illnesses and normal development and be trained in techniques for offering anticipatory guidance.

PEDS 8020  Adolescent Medicine  4 wks  Fall, Spring  Max: 1
Course Directors, Paritosh Kaul, MD and Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Restrictions: This course is not offered in the summer while school-based clinics are out of session.
This elective provides basic knowledge and clinical skills in diagnosis and management of medical problems during adolescence, including development of skills in interviewing and counseling adolescents in various health care settings.

PEDS 8022  Peds Gastroenterology  4 wks  Max: 1
Course Directors, Edward Hoffenberg, MD and Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Restrictions: not available section 9.
This rotation is designed for students with a specific interest in pediatrics and/or gastroenterology. Students participate in pediatric gastroenterology inpatient and outpatient services, procedures and scheduled conferences.

PEDS 8024  Child Development/Behav.  2 or 4 wks  Max: 1
Course Directors, Ann Reynolds, MD and Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Medical students will participate in the medical assessment and treatment of children with developmental and behavioral problems. They will attend lectures, participate in the seminars, and observe multidisciplinary assessments of children with developmental disorders. Primarily observational.

PEDS 8025  Peds Emergency Medicine  4 wks  Max: 1
Course Directors, Kelley Roswell, MD and Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Restrictions: Experience at Children's Hospital Colorado. See EMED 8017 for experience at DHMC.
Students gain experience in assessment and management of common conditions in Children's Hospital Colorado emergency department including minor emergencies, acutely ill children, traumatic diagnoses. Procedural experience at student's level, and at attending's discretion, will also be gained.

PEDS 8026  Pediatric Nephrology  4 wks  Max: 1
Course Directors, Gary Lum, MD and Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Students will actively participate in the care and evaluation of patients with common pediatric renal conditions such as hematuria, proteinuria, electrolyte disturbances, chronic renal insufficiency, hypertension, hemodialysis, peritoneal dialysis, and renal transplantation.

PEDS 8027  Pediatric Intensive Care  4 wks  Max: 1
Course Directors, Emily Dobyns, MD, 303-724-2387 and Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
“This Sub-I course meets the UC SOM requirement for graduation.”
The student assumes responsibility for the care of critically ill children and will learn pathophysiology of critical illness, enhance skills in reporting and interpreting clinical date, and gain experience in the diagnosis and therapy of a broad spectrum of illnesses.

PEDS 8029  Breastfeeding Management  2 wks  Max: 2
Course Directors, Nancy Krebs, MD, MS and Maya Bunik, MD, 720-777-4806. Course Coordinator, Laura Primak, RD, CNSC, 303-506-5228.
Prerequisites: Contact Dr. Maya Bunik and Laura Primak 2 weeks prior to start Laura.Primak@uchsc.edu.
An introduction to breastfeeding as a medical topic, with precepting by lactation specialists at clinical sites and self-directed learning through complementary activities. Assessment and management of mother/infant breastfeeding dyad.

PEDS 8030  Vaccination in Pediatrics  4 wks  Max: 2
Course Director, Sean O'Leary, MD, Course Coordinator, Michael Baca, 720-777-4804.
Students develop extensive knowledge in ambulatory general pediatrics with an emphasis on vaccine preventable diseases. Experiences include didactics on vaccination, vaccine screening, advocacy, and report writing. Exposure to laboratory vaccine research supported but requires availability.

PEDS 8031  Pediatric Hem/Onc  4 wks  Max: 1
Course Directors, Timothy Garrington, MD, Brian Greffe, MD, Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804, Margaret Lister.
Provides a good overview of pediatric, hematology and oncology and exposures to a wide variety of diagnostic and therapeutic problems. Students participate in educational sessions, outpatient clinics add inpatient management.

PEDS 8032  Pediatric Radiology  2-4 wks  Max: 1
Course Directors, Kari Hayes MD, Brian Greffe, MD Course Coordinator, Michael Baca, 720-777-4804.
The department of Diagnostic Radiology at Children's Hospital, Colorado offers a 2 or 4 week pediatric radiology elective rotation. Here students will gain exposure to all imaging modalities including: radiography, ultrasound, fluoroscopy, nuclear medicine (including PET/CT), CT and MRI.
Peds 8100  Peds Elective Away  2 or 4 wks
Course Director, Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Prerequisites: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
Restriction: Sections 49-50 not available.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

Peds 8600  Research in Pediatrics  2, 4, 8, or 12 wks
Course Director, Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean of Student Affairs.
Restrictions: Sections 49-50 not available.
This course provides an opportunity for students to participate in clinical or basic science research. The student must identify a research project and mentor and receive approval the course director. Course is graded on a pass/fail basis only.

Peds 8630  Peds Research Away  2, 4, or 8 wks
Course Director, Jennifer Soep, MD. Course Coordinator, Michael Baca, 720-777-4804.
Prerequisites: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
Restriction: Sections 49-50 not available.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and here may be additional requirements for these.

Physical Medicine and Rehabilitation Electives

Phmd 8000  Physical Med & Rehab  4 wks  Max: 4
Course Director, Scott Laker, MD. Course Coordinator, Mallory Pridy, BS, 303-724-7408.
This elective provides experience in the diagnosis and treatment of patients with pathology of the neurologic and musculoskeletal systems. 4 different locations (VA, Denver Health, University Hospital, The Children’s Hospital) allow treatment of a variety of conditions related to rehabilitation.

Phmd 8100  Phmd Elective Away  2 or 4 wks
Course Director, Scott Laker, MD. Course Coordinator, Mallory Pridy, BS, 303-724-7408.
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

Phmd 8600  Research Physical Med  2, 4, 8, or 12 wks
Course Director, Matthew Godleski, MD. Course Coordinator, Mallory Pridy, BS, 303-724-7408.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
Written evaluation must be sent by individual instructor, with course director responsible for final grade.

Phmd 8630  Phmd Research Away  2, 4, or 8 wks
Course Director, Matthew Godleski, MD, 720-848-7924. Course Coordinator, Mallory Pridy, BS, 303-724-7408.
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

Preventive Medicine Electives

Prmd 8003  Specialty Preventive Med  4 or 8 wks  Max: 4
Course Director, Tim Byers, MD, MPH, 303-724-1283.
Prerequisite: Course Director approval required to add course.
Designed for students interested in exploring the field of preventive medicine. Tailored educational experiences in the Denver area in a variety of settings. Speak with the course director to design this elective.
PRMD 8006  Dir Study Ethics/Humanit  2, 4, or 8 wks
Course Director, Jacqueline Glover, Ph.D., 303-724-3992.
Prerequisite: Course Director Approval Required to add course.
Selected students may participate in directed scholarly work in Bioethics and Medical Humanities with specific faculty
members. Opportunities such as directed literature reviews, clinical research projects, curriculum development projects, and other
scholarly activities are available.

PRMD 8100  PRMD Elective Away  2 or 4 wks
Course Director, Tim Byers, MD, MPH, 303-724-1283.
Prerequisites: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be
completed at least one month in advance of start.
Restrictions: Not available sections 49-50.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by
Student Affairs, and there may be additional requirements for these.

PRMD 8600  Research Preventive Med  2, 4, 8, or 12 wks
Course Director, Tim Byers, MD, MPH, 303-724-1283.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must
receive prior approval from the Associate Dean for Student Affairs.
Designed for students interested in preventive medicine research. Tailored research experiences in the Denver area can
be established in a variety of settings. Speak with the course director to design this elective.

PRMD 8630  PRMD Research Away  2, 4, or 8 wks
Course Director, Tim Byers, MD, M.P.H., 303-724-1283.
Prerequisites: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be
completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by
Student Affairs, and there may be additional requirements for these.

PSYM 8000  Advanced Inpatient Psych  4 wks, Max: 3
Course Director, Robert Davies, MD, 303-724-2229. Course Coordinator, Sharon Campbell, 303-724-7400.
Restrictions: This is a rigorous and challenging rotation which will help prepare students for management of ill psychiatric patients
in any specialty. Students considering psychiatry as a career should take a required sub-internship in medicine, family medicine, pediatrics or surgery.
Students take responsibility as primary provider for seriously ill patients, work closely with treatment team directed by
an attending psychiatrist. Students assume responsibilities for care of patients that interns typically assume: performing H&Ps,
writing orders, giving “bad news” when appropriate.

PSYM 8001  “Big Six” Substance Prob  2 or 4 wks, Max: 2
Course Director, Paula Riggs, MD. Course Coordinator, Elisa Upwood, MS ext. 303-724-3183.
Prerequisites: Course Director approval required to add course.
In treatment programs, experts’ tutorials, and readings, students learn approaches to 6 common primary-care substance
problems, such as addiction in pain disorders, pregnancy, smoking with tobacco-induced illness, and substance involved
adolescents. Students write a paper on the 6 clinical problems.

PSYM 8003  Elective in Psychiatry  2, 4, or 8 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Contact coordinator to confirm availability.
Students in conjunction with the office of psychiatry medical student education, choose to work with patients on an
inpatient psychiatry ward, outpatient clinic or other psychiatry units as a member of a treatment team.

PSYM 8004  Sub-I/Child & Adolcent PSYM  4 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Contact coordinator to confirm availability.
Evaluate and manage adolescents with psychiatric disorders. Students will be members of multidisciplinary team learning
about psychopathology, psychopharmacology, psychotherapy, family therapy, and other treatment modalities. Students will learn
about systems of care.

PSYM 8005  Clinical PSYM Geriatric  4 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Contact coordinator to confirm availability.
Evaluate and help manage geriatric patients with psychiatric illness. Students will serve as part of the inpatient geropsychiatric team and will be responsible for 2-3 inpatients under the supervision of attendings, residents and fellows.
PSYM 8006  Clinical PSYM C/L  4 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Contact coordinator to confirm availability.
Consultation-Liaison Psychiatry a unique discipline within the field of psychiatry which combines knowledge of medical illnesses, psychotherapy and psychopharmacology with an ability to forge liaisons within the medical community. Evaluate and help manage patients with psychiatric disorders within medical settings.

PSYM 8007  Clinical PSYM Emer Srvs  4 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Contact coordinator to confirm availability.
Learn the essentials of identification, assessment, and treatment of patients with substance use disorders. Emphasis on screening and brief intervention techniques. Learn principles of detoxification for alcohol, opioids, and cocaine; interpretation of drug testing results; proper prescribing practices.

PSYM 8008  Clinical PSYM Forensic  4 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Contact coordinator to confirm availability.
Introduction to the interface of criminal law and psychiatry. Students will involve in the evaluation of people entering pleas of incompetency to stand trial by reason of insanity as well as the treatment and restoration process.

PSYM 8009  Clinical PSYM Addiction  4 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Contact coordinator to confirm availability.
Learn the essentials of identification, assessment, and treatment of patients with substance use disorders. Emphasis on screening and brief intervention techniques. Learn principles of detoxification for alcohol, opioids, cocaine, interpretation of drug testing results, proper prescribing practices.

PSYM 8100  PSYM Elective Away  2 or 4 wks
Course Director, Robert Davies, MD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisites: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

PSYM 8600  Research in Psychiatry  2, 4, 8, or 12 wks
Course Directors, Michael Weissberg, MD and Sharon Hunter, PhD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
Research electives in various areas of Psychiatry. Contact Randy Ross, MD or Sharon Hunter, PhD for menu of research options.

PSYM 8630  PSYM Research Away  2, 4, or 8 wks
Course Directors, Michael Weissberg, MD and Sharon Hunter, PhD. Course Coordinator, Sharon Campbell, 303-724-7400.
Prerequisite: Students in the Psychiatry Scholars Program may be eligible for honors in this elective.
All non-Psychiatry Scholars Program students will be graded as Pass/Fail.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

RADIOLOGY ELECTIVES

RADI 8000  Diagnostic Radiology  4 wks  Max: 5
Course Director, James Davidson, Jr, MD. Course Coordinator, Katelynn Weber, 303-724-1981.
Restrictions: Course not available sections 29 and 33.
An introduction to the interpretation of images and the role of diagnostic imaging in patient care. Clinical observation, lectures, and independent study at UH/AOP. Only 2 days of absence permitted for any reason.
RADI 8002   Nuclear Medicine  4 wks  Max: 2
Restrictions: Course not available sections 29 and 33.
Nuclear Medicine encompasses the various uses of radioactive compounds in medical diagnosis and therapy. Students participate in the supervision and interpretation of nuclear medicine procedures under the guidance of the staff/residents at the AOP. Students will attend daily conferences.

RADI 8007   Interventional Radiology  2 or 4 wks  Max: 1
Restrictions: 2 week course offered Jan–April only. 2 students for 4-week course (May-Dec): 1 student for 2-week course and 1 student for 4-week course (Jan-April). Course not offered during sections 45-48 for the 2012-2013 year.
Interventional Radiology is the treatment of disease conditions using minimally invasive means. These procedures are performed with X-rays, US, and CT guidance. The student will round with the team, participate in procedures, and attend daily conferences. Standard student evaluation used.

RADI 8100 RADI Elective Away  2 or 4 wks
Prerequisites: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start. If the rotation is not a formal course given at another medical school/hospital, the student must also provide a description of duties/responsibilities to be performed during the rotation.
Restrictions: Not available sections 49-50.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

RADI 8600 Research in Radiology  2, 4, 8, or 12 wks
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.
Student is responsible for obtaining written evaluation. 2 week rotation not Honors eligible.

RAON 8005 Radiation Oncology  4 or 8 wks  Max: 2
Course Director, Christine Fisher, 720-848-0141. Course Coordinator, Sandra Korn, 720-848-0156.
The student will learn the basic tools and techniques of radiation oncology, evaluate patients before and after treatment, learn specialized exam techniques, participate in consultations and multi-modality cancer treatment planning.

RAON 8100 RAON Elective Away  2 or 4 wks
Course Director, Christine Fisher, 720-848-0141. Course Coordinator, Sandra Korn, 720-848-0156.
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

RAON 8600 Research RAD Oncology  4, 8, or 12 wks
Course Director, Christine Fisher, 720-848-0141. Course Coordinator, Sandra Korn, 720-848-0156.
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean of Student Affairs.
This elective is designed to acquaint the student with current research developments, knowledge and techniques in radiation oncology.

RAON 8630 RAON Research Away  2, 4, or 8 wks
Course Director, Christine Fisher, 720-848-0141. Course Coordinator, Sandra Korn, 720-848-0156.
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

</tbody>
</table>
Assigned to surgical ICU, work with critical care residents, fellow and staff. Students gain experience in resuscitation, hemodynamic monitoring, mechanical ventilation, nutritional support, bedside ultrasound and all aspects in care of critically ill surgical patients.

**SURG 8030  Clinical Transplantation**  
2 or 4 wks  
Max: 3  
Course Director, Michael Wachs, MD. Course Coordinator, Bretlyn Davis, 303-848-0878.  
Medical student will round with transplant team, which includes: Surgeons, Nephrologists, and Hepatologists. They will be exposed to all aspects of transplant care including preoperative work up, donor surgery, transplant surgery, post-operative care.

**SURG 8100  SURG Elective Away**  
2 or 4 wks  
Course Director, Thomas A. Whitehill, MD. Course Coordinator, Mary Kay Anderson, 303-724-2681.  
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.  
This elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.

**SURG 8600  Research in Surgery**  
2, 4, 8, or 12 wks  
Course Director, Thomas A. Whitehill, MD. Course Coordinator, Mary Kay Anderson, 303-724-2681.  
Prerequisites: Special permission from the department and individual arrangements must be completed and then the student must receive prior approval from the Associate Dean for Student Affairs.  
Restrictions: Not available Sections 49-50.  
This surgery elective will be held at a site in Colorado or another state. Students must obtain departmental approval one month prior to start.

**SURG 8630  SURG Research Away**  
2, 4, or 8 wks  
Course Director, Thomas A. Whitehill, MD. Course Coordinator, Mary Kay Anderson, 303-724-2681.  
Prerequisite: Department approval must be obtained and then approval by the Associate Dean for Student Affairs. These must be completed at least one month in advance of start.  
Restrictions: Sections 49-50 not available.  
This research elective will be held at a site in Colorado, another state, or internationally. International sites must be preapproved by Student Affairs, and there may be additional requirements for these.
