The program uses the survey data to match students' interests and skills with relevant opportunities offered by organizations, guaranteeing a personalized learning experience.

APPLICATION PROCESS:

Stage 1: Complete the following forms electronically and attach your resume along with a cover letter and three references:

Students: <https://forms.gle/XTFj426MLBWwfoEo8>

Organizations: <https://forms.gle/PZdvdKw3cAXYucTx6>

Stage 2: Once registered, an information session will be offered to discuss work opportunities. This session serves as a platform for interested individuals and potential applicants to come together, share ideas, discuss interests, and address any questions they may have.

Stage 3: After receiving all submissions, the LRPC CoSPH team will inform individuals of potential locations for a 30-minute interview, with the date to be determined. Following the interview, selected candidates will be notified of their acceptance into the program. A meeting to introduce the candidate to their learning opportunity will be set up upon this.
