Reason for Policy: Tenure is granted with the expectation of continued professional growth and ongoing productivity in teaching, scholarly/creative work, clinical activity (if applicable), and leadership and service. As stated in Regent Policy 5.C.2(H) and University of Colorado APS 1022: Standards, Processes and Procedures for Reappointment, Tenure, Promotion, and Post-Tenure Review, the purposes of PTR are to facilitate continued faculty development, and to ensure professional accountability to the university community, the Board of Regents, and the public.
