Campus Administrative Policy

Policy Title: Facilities Use by External Entities

Policy Number: 3036

Functional Area: General Administration

---

Effective: September 1, 2017
Date Last Amended/Reviewed: September 1, 2017
Date Scheduled for Review: July 1, 2024
Supersedes: Facilities Use by External Entities May 1, 2012

Approved by: Senior Vice Chancellor for Administration and Finance
Prepared by: Finance Office
Reviewing Office: Executive Vice Chancellor for Administration and Finance and CFO—CU Anschutz
Executive Vice Chancellor for Administration and Finance and CFO—CU Denver

Responsible Officer: Executive Vice Chancellor for Administration and Finance and CFO—CU Anschutz
Executive Vice Chancellor for Administration and Finance and CFO—CU Denver

Applies to: University of Colorado Anschutz Medical Campus
University of Colorado Denver

---

A. INTRODUCTION

1. Purpose

This policy is one policy within a suite of polices regarding campus space. The purpose of this policy is to set forth the policies and procedures regarding the appropriateness and priority of use of University of Colorado Denver and Anschutz Medical Campus (University) space, equipment and services by External Entities. Furthermore, the policy specifies the process for requesting and obtaining approval for such use and the conditions and limitations of use. The sections, paragraphs, sentences, clauses, and phrases of this policy are severable. If any phrase, clause, sentence, paragraph, section, or regulation of this policy is declared invalid or no longer current by the CU Denver | Anschutz Medical Campus Chancellor(s), Board of Regents, or any court of competent jurisdiction, such invalidity does not affect any of the remaining phrases, clauses, sentences, paragraphs, sections, or regulations under this policy.
The Facilities and Outdoor Spaces of the University are primarily for use by its students and University Departments for activities and programs that are directly related to the basic educational, cultural, recreational, and on-campus organizational activities. The use of University Facilities and Outdoor Spaces by users other than a University Department, an organization recognized as a Student Organization by the Office of Student Life and/or Student Affairs, and enrolled University students shall be as otherwise authorized herein or by other University policy or procedure.

2. Applicability
This policy governs any use of any University Facility or Outdoor Space by External Entities, including Special Use Facilities or Outdoor Spaces, except for the following:

a. Regularly scheduled classes, lectures or lab use that is scheduled through the University's Technology Support Services (ESS) process.
b. Use in accordance with a lease or license granted by the University.
c. Use pursuant to a contract with the University. No contract may authorize a use prohibited by this policy.

This policy does not govern:

a. Use of space on and services provided by the Auraria Higher Education Center (AHEC).
b. Use of space on and services provided by the CU South Denver location.

Note: Other University policies or requirements may apply to University activities at these locations.

This Policy applies to all External Entities, unless expressly provided above. Final determination as to the applicability of this policy to a particular use by an External Entity shall be determined by the Senior Vice Chancellor for Administration and Finance.

C. DEFINITIONS

Academic Event means use of a Facility or Outdoor space for teaching and/or instructional programs for University credit or for research by University faculty.

Affiliated indicates that an External Entity has a formal relationship with the University documented with an affiliation agreement.

Affiliation Agreement is a written agreement between the University and an External Entity that formalizes a programmatic relationship of mutual benefit related to the mission of education, research, public service, and patient care. The agreement must be approved and signed by the University Chancellor(s).

Camping means that it reasonably appears, in light of all the circumstances, that a Facility or Outdoor Space is being used for living accommodation purposes such as overnight sleeping; making preparations for overnight sleeping (including the laying down of bedding for the purpose of sleeping and/or erection of a tent or other shelter); making any fire for cooking; or using or preparing to use tents, motor vehicles, or other structures for sleeping and/or cooking.

Commercial means occupied with or engaged in commerce or work intended for commerce. This includes activity by a non-profit entity and any exchange, barter, purchase or sale of goods or services, whether direct or indirect.

Co-sponsoring Department means a University school, college or unit that certifies the usage of space by an external entity relates to the mission of the University. The Co-sponsoring department is required to attend and manage the event and act as the official representative of Co-sponsoring Department. Affiliated organizations may not be a Co-sponsoring Department. Co-sponsoring implies a relationship
with the external entity. This could include equal or prominent recognition on promotional materials and announcements, shared financial support of a program, audience participation which is predominately comprised of non-university employees, fees charged for participation and initiation of the program by the external entity.

*Event* means use of a Facility or Outdoor Space for a specified period. This includes, but is not limited to, demonstrations, parades, marches, or other gatherings.

*Event Review Committee (ERC)* is made up of various University Departmental stakeholders who review proposed Events for compliance with laws, University policies and codes, the safety of event attendees and to protect the Facilities and Outdoor Spaces and the constituents of the University. The ERC is a standing committee established by and responsible to the Chancellors of the Denver and Anschutz Medical Campus.

*External Entities* are organizations, individuals, or groups of people that are not part of the University of Colorado. Examples include but are not limited to private citizens, private or public companies, nonprofit organizations, governmental entities, and independent student organizations.

*Facility* means a building or space within a building. Facility does not include any attached terrace, patio, courtyard, or plaza.

*Facilities Scheduler* means the department that schedules and maintains a room or space for use.

*Fee for Use* is the charge to the External Entity for utilization of the University’s facilities, space, and or services. Fee for service may include sales taxes when applicable.

*Full Service* means that all of the goods, services and space offered by a campus operation are available to an External Entity.

*High Impact Event* is an event that utilizes large or numerous areas of campus, is bringing or likely to bring a significant number of external visitors to campus (>600), or any event that is likely to impact University operations because of safety/security concerns or significant medial presence. For example: visits by political candidates, elected officials (President Obama’s Auraria visit in 2010); outdoor food/beverage festivals (Top Taco on Auraria in 2016); or a conference that utilizes numerous classrooms or spaces.

*Limited Service* means that there are restrictions on the goods, services and space offered by a campus operation to an External Entity.

*Minors* are individuals under the age of 18.

*Non-Academic Event* means use of a Facility or Outdoor Space other than for teaching and/or an instructional program for University credit or for research by University faculty. This includes a conference or educational event sponsored by a University department, school, or college.

*Organizer* means both the Co-Sponsoring Department and the third party or entity seeking to schedule the Event.

*Outdoor Space* means all outdoor University property that is not a Facility, including but not limited to, sidewalks, kiosks, railings, walls, light poles, trees, fences, benches, bridges, bodies of water, underpasses, streets, plazas, fields, parking lots, plazas, patios, courtyard or terraces and any associated furniture.
Posting means placing a sign, banner, flier, poster, announcement, or other type of document or material on any wall, door, kiosk, bulletin board, or other surface.

Private Gain is monetary or nonmonetary remuneration that is a benefit to an individual or outside entity rather than to the University.

Space means any area within any building or grounds controlled by the University.

University means the University of Colorado Denver | Anschutz Medical Campus.

University Department means a University of Colorado Denver | Anschutz Medical Campus School, College, Department, Institute, or Center.

D. POLICY PROVISIONS

1. Mission
   Facilities and services available at the University exist for the purpose of supporting the campus mission of education, research, public service, and patient care. The use of University Facilities or services by External Entities may be provided on a limited basis subject to the criteria specified in this policy. External use will always be secondary to the primary campus mission and in conformance with Federal, State and University statutes, rules and regulations. Use of Facilities or services may be denied if the contemplated use is in conflict with the campus mission.

2. Fee for Use
   A rental fee for use of University facilities, space, and or services shall be charged to all External Entities (see Exhibit B). Co-sponsorship of an activity by a University department does not change the obligation of an External Entity to pay a rental fee for use of University facilities except as specifically provided for by written contract. The Finance Office will set rates for the reimbursement for the use of facilities that includes a mandatory cleaning fee and applicable sales taxes. Revenues derived as a result of a contract (the Rental Agreement attached at Exhibit A) will defray the University’s facilities costs. The Finance Office will determine the appropriate cost center to be reimbursed. The rental fee does not include setup, parking, security, catering, and other costs associated with the Event; these costs remain the responsibility of the Co-Sponsoring Department.

3. Priority
   Facilities and Outdoor Spaces shall be scheduled according to the following priorities:
   
a. First Priority: Use of classrooms, laboratories, and other Facilities for teaching and instructional programs for University credit or for research by University faculty (Academic Event).
b. Second Priority: Use by University Departments for University activities other than classes for credit, including, but not limited to, administration, scholarship, University fund-raising, mandatory training, outreach and development. Colleges, schools, and departments shall limit the sponsorship...
of non-academic activities to programs directly related to the departmental mission.

c. Third Priority: Use by an organization recognized as a student organization by the University and that is in good standing at the time of scheduling the Event and also on the date(s) of the Event.

d. Fourth Priority: Entities conducting educational or research programs that have a current affiliation with the University.

e. Fifth Priority: All other non-University uses, subject to availability and other requirements of this policy.

f. Scheduled use has priority over unscheduled use.

External entities’ use of Facilities, Space, or Outdoor Space will not be given priority over real or potential University needs, or be allowed to interfere with University functions or activities.

4. Rental Agreement
Any External entity wishing to use Facilities or Outdoor Space governed by this policy shall enter into a Rental Agreement (see Exhibit A).

5. Alcoholic Beverages
No alcoholic beverages may be served or consumed on University premises except at an approved event. Alcohol use is governed by the campus Alcohol Policy and the CU Administrative Policy Statement Alcoholic Beverages Purchased for University Events and related procedural statements.

6. Expressive Activities
All rallies, assemblies, demonstrations, and expressive activities must be conducted pursuant to the University Administrative Policy on Expressive Activities. These requirements apply to all means of expressive activity on University property.

Colorado state law precludes the expenditure of University resources for the purpose of endorsing a particular candidate, referred measure, or ballot initiative. Therefore, if University Facilities are used for Political Activity (activity related to campaigns involving the nomination, retention or election of any person to any public office or involving an initiative or referred measure), the political group or candidate must reimburse the University for all expenses associated with the use of the University’s Facilities, including indirect overhead expense. A contract specifically written for this purpose is required and shall be reviewed and approved in advance of the Political Activity by the Office of University Counsel.

7. Course Events (Walk/Run/Ride/Race) on the Anschutz Medical Campus
Course Events (events involving a Walk/Run/Ride/Race Course) may only be held on a Saturday or Sunday morning. The course activities must be completed by 10:00 am, and any post-event activities must be completed by 12:00 noon in order to minimize disruption to the regular activities at the Anschutz Medical
Campus. Significant consideration has been given to the designated route(s) to ensure that multiple functions of the Anschutz Medical Campus are considered. The designated route is the only permissible area for the course event. All entities requesting a Course Event must follow the process detailed herein:

a. All Course Event organizers are required to have a designated Co-Sponsoring Department in order to facilitate this process. Course Event organizers must work with the Co-Sponsoring Department using the Event Management System (EMS) in order to request approval for a Course Event. Organizer and Co-Sponsoring Department should begin this process at least ninety (90) days prior to the proposed event date.

b. Once the Course Event is approved, the Course Event organizer is required to coordinate with all necessary Anschutz Medical Campus departments regarding the route and logistics. A planning meeting must be scheduled not less than sixty (60) days in advance of the proposed event.

c. The Course Event must follow the approved and certified route, and will be confined to that route.

d. Volunteers must be posted at each sidewalk/roadway intersection.

e. Directional signage is required to be displayed throughout the course, and must be removed immediately following the event.

f. There must be two water stations on the course; one at the half-way point, and one at the finish line. Volunteers shall be positioned at each station to dispense water.

g. Deployment of any colored cornstarch or similar colored powder product is prohibited.

h. Course Event organizers are responsible for clean-up of items generated by the event (e.g. discarded water cups, signs, etc.)

i. Co-Sponsoring Department is responsible for collecting evidence of insurance and participant waivers in advance of the event. All documents must be kept in the department’s records per the University Records Retention policy.

j. Portable restrooms and barricades may be required. Consult with Anschutz Medical Campus Facilities Management Office for vendor details.

k. A first aid station must be provided by the Course Event organizer. Consult with Anschutz Medical Campus Facilities Management for the proper location.

l. The required number of volunteers should not be less than 20 volunteers per 100 participants.

m. All internally and externally sourced filming must be permitted in advance of filming. Film permit requests are submitted via the Virtual EMS system.

n. Co-Sponsoring Department must contact University Communications for marketing, media relations, communications and brand/identity information in advance of publicizing the Course Event.
8. Animals
Animals on University property are governed by the University’s Administrative
Policy on Animals on Campus, including the use of Service Animals and Service
Animals in Training.

9. Camping
Camping is prohibited in any Facility, Outdoor Space, or any Space on University
property.

10. Canvassing and Commercial Solicitation
Canvassing and Commercial Solicitation are permitted only in accordance with the
CU Denver | Anschutz Medical Campus Administrative Policy on Expressive
Activities.

11. Minors
An Event involving minors (individuals under the age of 18) requires the External
Entity to notify the CO-Sponsoring Department and the University of their
involvement and requires the External Entity to take additional responsibility for
and consideration of the supervision and safety of minors. Certain programs
involving minors also require adherence to University and campus policy on
Protection of Children. Questions regarding minors should be directed to
University Risk Management (urmucddirs@cu.edu).

12. Specifically Prohibited Uses
The following uses of University Facilities and Outdoor Space are prohibited:
  a. Any use that does not comply with this policy; that violates federal, state, or
     applicable local law, regulation or ordinance; or that violates any Regent
     Law or other University policy or procedure.
  b. Any use in a manner that materially and substantially disrupts the University
     teaching, research, administrative, and/or service activities. Illustrative but
     not definitive of such kinds of disruption are the following:

     i. Violence or incitement to imminent violence.
     ii. Damage to property.
     iii. Persistent noise at a level materially and substantially disruptive of
         academic activities, University operations, or other activities on
         campus (e.g. classes, research, administrative business, study).
     iv. Obstructing the entrance/exit to any Facility or Outdoor Space or
         unduly disrupting the free movement of vehicular or pedestrian traffic
         along or through any campus sidewalk, walkway, street, or alley.
  c. Climbing or rappelling on the exterior of any Facility or on any crane or
     other construction equipment, including, but not limited to, activities
     commonly referred to as "buildering."
  d. Launching a rocket, flying model aircraft, or flying an Unmanned Aircraft
     System (UAS or drone) unless the activity is part of an Event, and the use
has been approved by the Senior Vice Chancellor for Administration and Finance.

e. Any use that presents an unreasonable risk of injury or damage to person or property.

f. Any other use that has been prohibited in policies promulgated by the Senior Vice Chancellor for Administration and Finance.

E. USE OF FACILITIES BY AN EXTERNAL ENTITY

1. One Time Use of Facilities
   Subject to the Policy Provisions set forth in Section D above, External Entities may schedule Space, Facilities, or Outdoor Space at the University provided that all campus commitments for space have been met and there is a Co-Sponsoring Department. University property may not be used for commercial, personal or private financial gain or for commercial advertising, nor may University property be used for fundraising that is unrelated to the University, except in accordance with this Policy. Normally space may not be reserved by an External Entity for an event to which admission will be charged unless it can be shown that the activity supports the mission of the University (e.g. educational or research enhancement with the involvement of faculty and or students). Controller’s Office determines if the External Entity fails to pay for any fees or other charges associated with a proposed Event (e.g. room rental, environmental services, maintenance, audio-visual, security, parking costs or the cost of repairing any damages that occur during the event) the Co-Sponsoring Department will be responsible for the charges.

2. Continuous or Ongoing Use of Facilities
   The use of University Facilities, Space, and Outdoor Space by an External Entity for a continuous, ongoing or extended period requires that the entity maintain a formalized, contractual relationship with the University. The provisions for the continuous or extended use of University Facilities, Space, and Outdoor Space should be specified in the written affiliation agreement with the University (see campus policy “Signature Authority” that specifies who may execute contracts on behalf of the University). Continuous, ongoing or extended use is any use request beyond three (3) consecutive events.

3. Vendor Use of Facilities for the Purpose of Providing Benefits to the University
   It is recognized that vendors may provide information and services that are a direct benefit to the employees and students of the University. Subject to the principles set forth in Section D above, vendors may use University Facilities, Space, and Outdoor Space for the purpose of providing benefits to University employees or students provided that such use of Facilities, Space, and Outdoor Space is sporadic and not ongoing. Procurement vendors also require approval by the Chief Procurement Officer.
4. Criteria for Use of Facilities
The criteria for determining whether the use of Facilities or services by an External Entity is appropriate include but are not limited to the following:

a. Type of the entity – for profit and not-for-profit (public vs. private).
b. Federal, State statutes, rules and regulations and University policies will govern the use of all University facilities by all entities.
c. Use of Facilities, Space, and Outdoor Space for the campus mission by campus personnel will be given first priority.
d. Use of University Facilities, Space, and Outdoor Space by an External Entity will not be allowed if such use compromises the public role and mission of the University.
e. University Facilities, Space, and Outdoor Space generally cannot be used by External Entities when such Facilities, Space, and Outdoor Space are available from private enterprises in the community.
f. Use of Facilities, Space, and Outdoor Space will not be allowed if such use creates an unmanageable conflict of interest for the University or its personnel.
g. Conformance with the donor’s intent will be required for the use of any Facilities, Space, and Outdoor Space acquired as a result of a gift.
h. An External Entity will be required to assume total responsibility for any potential risks and liability associated with their use of University Facilities, Space, and Outdoor Space.
i. Whether the contact from the Co-Sponsoring Department is physically present or has a designee present at the Event location during the entire Event to supervise and ensure the Facility or Outdoor Space is used for the purpose and in the manner stated in the proposed use.
j. Whether the External Entity and/or Co-Sponsoring Department has adhered to this policy during any previous use of Facilities or services.

F. USE OF UNIVERSITY SERVICES BY EXTERNAL ENTITIES

1. Provisions for Use of the Office of Laboratory Animal Resources by External Entities
   a. General Requirements – The use of animal care facilities by External Entities must be consistent with one or more of the University’s missions of teaching, research, public service or healthcare. External entities requesting use of the University’s animal care facilities must be able to establish that the use of the facility is consistent with the University’s missions. All use of animals for research purposes is subject to final review and approval by the University’s Institutional Care and Use Committee (“IACUC”).

   b. Requests – All requests for use of University animal care facilities by an External Entity must be initiated through the University IACUC Office. Sponsored research, in which an External Entity awards a faculty member a contract to carry out research, is first reviewed by the Office of Grants and
Contracts, and will then be forwarded by the Office of Grants and Contracts to the IACUC Office for final review and approval. Fee-for-service requests for use of animal care facilities will first be presented to the IACUC Office who will then forward it to the Industry Review Committee to determine if the use is consistent with the University’s missions of teaching, research, service or healthcare.

c. **Industry Review Committee** – Requests by External Entities for use of animal care facilities will be forwarded by the IACUC Office to the Industry Review Committee whose members will be appointed by the Vice Chancellor for Research. The Industry Review Committee will meet on as needed basis, but will meet prior to the monthly IACUC meeting in order that requests by external users are not delayed. The Industry Review Committee need not review the entire IACUC protocol, but only a summary submitted by the requestor that states, (1) the nature of the research to be performed, (2) the importance of the research, (3) why it is necessary that the research be performed at the University, and (4) how the mission of the External Entity aligns with the mission of the University.

The Industry Review Committee will forward its recommendation to the Vice Chancellor for Research for final decision. If the external user’s request is approved, the requestor will be notified in order that a full proposal or amendment to an IACUC approved protocol (as appropriate) may be submitted to the IACUC for final review and approval.

Upon IACUC approval, a contract will be executed between the External Entity and the University through the Office of Grants and Contracts or the Finance Office.

2. **Other Services**
Contact the department providing the service for allow-ability, procedure and prices. Also see Services Available to External Entities.
## G. PROCEEDURES

<table>
<thead>
<tr>
<th>Performer</th>
<th>Action</th>
</tr>
</thead>
</table>
| **External Entity / Co-Sponsoring Department** | 1. Contact the scheduler of the facility for availability. Technology Support Services will maintain a list of facility schedulers.  
2. If facilities are available and the External Entity is eligible to use facilities, fill out the appropriate forms (Exhibit A).  
3. Route the completed forms to the Controller’s Office or Technology Support Services (for rooms they schedule). |
| **Controller’s Office or Technology Support Services** | 4. Review contract for completeness.  
5. Request Co-sponsoring Department to rectify any deficiencies.  
6. If Event is considered a High Impact Event, send to High Impact Event Review Committee for review and approval.  
7. Sign agreement and return copy to Co-sponsoring Department and External Entity.  
8. Inform Facilities Operations of all scheduled events on a weekly basis for the proceeding week. |
| **Facilities Scheduler** | 9. Inform Co-sponsoring Department to contact the appropriate service department for any required ancillary services; (i.e., facilities setup, and cleanup, parking, building access, AV technology, catering, Health and Safety). |
| **Co-sponsoring Department** | 10. Contact all appropriate service departments for any required ancillary services.  
11. Collect evidence of External Entity insurance and waivers, as needed, as required in Exhibit A. |
| **Technology Support Services or Controller’s Office** | 12. Bill External Entity for facility usage. If not paid within 30 days, charge Co-sponsoring Department. |

### Notes

1. Dates of official enactment and amendments:
   - May 1, 2012: Adopted/Approved by Senior Vice Chancellor for Administration and Finance  
   - September 1, 2017.  
   - October 2, 2018: Legal Review—no changes.  
   - October 12, 2018: Reformatted

2. History:

October 12, 2018: Reformatted to reflect a 2018 Campus-wide effort to recast and revitalize various Campus policy sites into a standardized and more coherent set of chaptered policy statements organized around the several operational divisions of the university.

3. Initial Policy Effective Date: May 1, 2012

Rental Agreement
Facilities Use by External Entities

A rental agreement is required when University of Colorado Denver | Anschutz Medical Campus (“University”) space / facilities are used by external entities. This agreement contains the following sections:

1. **Requesting Organization** - Information is provided about the requesting organization to establish the purpose of the event and to determine its relationship to the University.

2. **University Sponsor** - When space is rented by an external entity, a University Sponsor Department name and signature is required. The person signing for this approval must have signature authority on the departmental speedtype. If the external entity fails to pay for any charges arising from the use of the facility or existence of event attendees, the University cosponsor will be responsible for the charges. Sponsoring Department is required to attend and manage the event and act as the official representative of University Sponsoring Department.

3. **Terms of the Agreement** - This section lists the conditions and requirements for using the University facilities.
   
a. **Certificate of Insurance** - A Certificate of Insurance is required which proves insurance coverage by the external party. In the case of a private citizen or an external party where commercial general liability insurance does not, and could not exist, the insurance certificate may be waived at the discretion of the University Risk Management Office. Email confirmation by a Risk Management Office representative is required to either substantiate the adequacy of the insurance certificate provided or the waiver of insurance.

b. **Approvals** - Approval must be obtained in advance, in writing and is contingent on meeting all requirements established under this policy. The Chancellor or designee must also approve use of the facilities.

c. **Indemnification** - An indemnification and hold harmless clause is included in the contract below. This assures that the risk and liability associated with use of University space / facilities or equipment under this policy will be borne by the user.

d. **Rental Rates** - Rental rates are set at a level that considers full direct and indirect costs including facilities and equipment amortization associated with the use of the facilities or equipment and also considers the on-going comparable rental rates of equivalent space in the community. Rates may also include sales tax when applicable.

e. **Adequate Notification** - The rental of space by external entities affects many departments at the University. It is the responsibility of the Sponsoring Department to be sure that the Facilities Operations Department and University Police are notified of all events. If additional parking is required for the event, the Parking Office must also be notified.
f. **Outdoor Activities** - The use of stages, grandstands, tents, and fireworks require approval and permits under local fire department codes. Included within these codes are limitations for occupancy and safe means of egress. While open flames are allowed for cooking, local fire permits are required for the use of out-of-doors flame-producing heating devices. Also see related policy in the suite of campus space policies titled “Access and Use of Building Patios, Balconies, Decks and Roofs”.

See Contract Next Page
External Entities may schedule rooms at the University of Colorado Denver | Anschutz Medical Campus provided that all campus commitments for space have been met and that a University representative is cosponsor for the event. University property may not be used for commercial, personal, or private financial gain or for commercial advertising, nor may University property be used for fund raising that is unrelated to the University. Space may not be reserved by a non-University organization for an event to which admission will be charged. (See terms of agreement below)

**Requesting Organization:**

Name: ____________________________________________________________

Room(s) Requested: ___________ Date of Event: ________________

Time of Event: _________________ to _________________

(start time) (end time)

Purpose of Event: __________________________________________________

Do you intend to invite the public to this event?  Yes/No (circle one)

Email Address: __________________________ Phone Number: __________________________

Contact Person Name (print): __________________________

Billing Address: __________________________

Does the University or any of its employees have any financial interest in the company or organization for which use of University space, equipment, or human resources is requested? Yes/No (circle one)

If yes, please describe the nature of the financial interest. __________________________

Does the organization or individual provide any tangible or intangible benefit to the University? Yes/No (circle one)

If yes, please describe the nature of the benefit. __________________________

Special considerations associated with this request. __________________________

Will Admission be charged for the event? Yes/No (circle one)
If yes, please describe how this activity benefits University students and or faculty

The Requesting Organization agrees to be bound by the terms and conditions of this Agreement as set forth below as the user of the University space:

Signature: ____________________________________________ Date: __________________________
Name (print): __________________________
Title (print): __________________________

University Sponsoring Department

Department Name: __________________________
Contact Person Name (print): __________________________
Speed Type Number: __________________________
Email Address: __________________________ Phone Number: __________________________
Person Attending Event (print): __________________________
(Acting as Official Representative of Sponsoring Department)
Email Address: __________________________ Phone Number: __________________________

Approval Signature: __________________________ Date: __________________________
Name (print): __________________________
Title (print): __________________________
(Sponsoring Departmental Approval - Chair / Director / or Departmental Administrator)

Terms of this Agreement:

1. The user agrees to abide by and follow any and all applicable University and campus rules and policies including but not limited to the requirements and restrictions set forth in the University administrative policy “Use of UC Denver Facilities By External Entities”, a copy of which is attached.

2. The user hereby agrees to indemnify and hold harmless the Regents of the University of Colorado, a body corporate, its officers, administrators, agents, employees and students from and against any and all claims or demands, or damages in any way arising from the use of University space, including but not limited to the existence of event attendees on the University campus. Indemnification is not limited, and includes any liability or payment (including costs and attorney fees) by reason of any damages or bodily injury.
(including death) sustained by any person or persons or on account of damage to property including the loss of the use thereof arising out of or in connection with this agreement. Further, as part of this indemnification, user agrees not to serve or have available alcoholic beverages while at the University unless the service is compliant with the University’s policy, “Alcohol”.

3. The user shall attach a “Certificate of Insurance” evidencing all required coverage prior to entering University premises. The Certificate of Insurance shall reflect “The Regents of the University of Colorado, a body corporate” as an Additional Insured. In the case of a private citizen or unorganized entity, where commercial general liability insurance does not, and could not exist, the insurance certificate may be waived at the discretion of the University’s Risk Manager.

The user shall obtain and maintain, at its own expense and for the duration of the contract, the minimum insurance coverage set forth below:

**Commercial General Liability**

<table>
<thead>
<tr>
<th>Coverage</th>
<th>Amount</th>

<tr>
<td>Fire Damage (Any One Fire)</td>
<td>$50,000</td>
</tr>
<tr>
<td>Medical Payments (Any One Person)</td>
<td>$5,000</td>
</tr>
</tbody>
</table>

User agrees to be responsible for all costs associated with the use of the facility, including but not limited to costs to clean the facility and/or any damage arising from the use of the facility or existence of event attendees on the University campus. If the external organization named above fails to pay for any charges associated with this event (e.g. room rental, environmental services, maintenance, audio-visual, security, parking costs of the cost of repairing any damages that occur during the event) the Sponsoring Department will be responsible for the charges.

4. The user shall advise all participants and attendees, especially in any written materials, that they do not represent the University and are not acting on behalf of the University. The user shall not use the University’s name or marks without prior approval.

5. No external publicity, news release or advertising (via newspapers, television ads or radio announcements) will be released by the external organization to secure the public audience without approval from UC Denver Office of Public Relations. This does not include website information, brochures developed to send to registrations or website information used for registration or dissemination of specific conference information to registrants.

6. The Sponsoring Department named above will ensure that all internal arrangements are appropriately handled. If the room(s) is (are) obtained through Educational Support Services, a checklist will be provided.

7. The University reserves the right to preempt individuals or groups for University events. Once a confirmation for a room reservation is sent to the sponsoring department, there is a strict no-bumping policy for the reservation except in the event of an absolute emergency. A pre-emption can be determined only by the Chancellor of the University.

8. Alcoholic beverages may be served only as provided by the University’s Alcohol Policy.
