FAQ

Q: Have you already decided which system to go with?
A: No. This will be determined through the RFP process.

Q: Have you already decided that you will go to one LMS?
A: No. The decision to consolidate to a single LMS will come through the RFP and subsequent financial analysis.

Q: What is the earliest this will affect me?
A: Starting fall 2012, the conversion process, if any, will begin. Some faculty may elect to move early, in fall 2012 or spring 2013. But the final “cut over date” will most likely be in fall of 2013.
