

**University of Colorado Denver**  
**Professional Research Assistant**  
**Division of Pulmonary Sciences and Critical Care Medicine**  
**Position #671628**

The Department of Medicine is seeking a research-minded individual for a full-time Postdoctoral Researcher in the Division of Pulmonary Sciences and Critical Care Medicine.

**Summary of Lab Focus:** This position will focus on the study of the pulmonary microbiome in chronic obstructive pulmonary diseases. Candidates should have an M.D./Ph.D. or PH.D degrees with preferable expertise in the fields of molecular and cellular immunology, microbiology, and molecular biology. The project involves studies utilizing human lung tissue samples, extensive animal experimentation, and focused studies with cell culture models. Suitable candidates are required to have a demonstrated research productivity and ability to work with colleagues in collaborative interactions. The laboratory has extensive expertise in pathology, animal physiology, molecular biology, among others, as it forms the core of the research program. The position would assist with training of junior investigators and other research assistants.

**Diverse duties and responsibilities include:** Expertise in the fields of molecular and cellular immunology, microbiology, and molecular biology. The project involves studies involving human lung tissue samples, extensive animal experimentation, and focused studies with cell culture models.

**Supervision Received:** This person will be under the direct supervision of the principal investigator.

**Supervision Exercised:** This position will assist with the training of junior investigators and other research assistants.

**Minimum requirements:** The successful candidate will have a M.D. or Ph.D. and 3 years laboratory experience.

**Salary and Benefits:** Salary is commensurate with skills and experience. The University of Colorado offers a full benefits package. Information on University benefits programs, including eligibility, is located at [www.cusys.edu/pbs](http://www.cusys.edu/pbs) .
