

# Postdoctoral Office

UNIVERSITY OF COLORADO DENVER | ANSCHUTZ MEDICAL CAMPUS

a postdoc and graduate student training opportunity

## 2012 offerings

- February 7 - **What Bio-Companies Are Looking For**  
*Larry Gold, currently CEO of Somalogic, explains what a career pathway in the biomed industry would look like, some of the challenges, and the interview.*  
3:00 p.m. 1006 Research 1 North – West Auditorium
- March 14 - **Grant Writing Tips/Funding a Lab**  
*Sean Colgan, professor of medicine, shares tips on grant writing and strategies for funding a successful research lab.*  
4:00 p.m. 1006 Research 1 North – West Auditorium
- May 15 - **Grant Writing Process**  
*The Director of Grants and Contracts outlines the grant process at UCD. What do all those parts mean and how do you meet campus requirements?*  
4:00 p.m. 1000 Research 1 North – East Auditorium
- (TBA) – **Finding Funding to Match Your Idea**  
*The Director of ORDE reveals how to formulate a cohesive question, and then find the funding to match, along with other tips on writing funded grants.*  
4:00 p.m. (TBA)
- July 11 or 17 – **Dealing with Abuse of Power**  
*The Ombuds Office addresses “bullying” in the lab environment, and how to deal with uncivil behaviors as well as misuse of authority.*  
4:00 p.m. 1000/6 Research 1 North – East/West Auditorium

Sponsored by the Training and Educational Development Committee
