October 2016

Certifying Announcements

Our goal for the month of October is to get all of the tuition and fees submitted to the VA before the end of the month. This means that you may receive an email notification that we’ve submitted tuition and fees to the VA. Don’t be alarmed, but it is your responsibility to ensure the amount we reported is your total tuition and fee cost. If it’s not you need to ask yourself two questions: 1) Am I classified as a non-resident student? 2) Did I forget to request credits to be certified. If the answer to either of your questions is yes you will need to either go on our website and visit the residency page to find out if you might be able to use your military status to petition for the in-state rate of tuition and fees or submit a new certification request with the total number of credits you wish to be certified to the VA. If your residency status is not resolved BEFORE the last day of the semester you will be responsible for the out-of-state cost of tuition. We can only certify the credits you formally request on the Certification Request.

Boots to Suits: PAVE Advisors

We wanted to send a super special shout out to our Volunteer PAVE Advisors who’ve helped us out this semester! You guys have been a tremendous help and we just want to show our appreciation for all the hard work you guys have provided with helping new students transition into CU Denver. You guys rock!

Boots to Suits: Professional Development Program

Last month we had our moc interview event and it was great! We had 18 students attend the event to work with 20 employers representing 15 different companies. This event was a collaboration with the Denver Metro Chamber of Commerce sponsored by Fidelity. Thank you guys so much for your helping hands in making this event as successful as it was! This event was so exciting Chancellor Horrell even stopped by to check it out with two of CU Denver’s regents. Thank you to everyone who came out and made this event so successful!
Heroes Clinic

Don’t forget to make your Heroes Clinic appointment now! The clinic is free to all veteran students with an honorable discharge status DD214. The heroes clinic has the ability to provide dental services beyond a standard check-up and cleaning. For more information on services and to schedule an appointment please call the clinic at 303.724.2VET. The sooner you call the sooner they can ensure you will be seen before the semester ends!

Celebrating Veterans

Right now we are in the process of planning a couple events to celebrate veterans! Wednesday, November 9, 2016 we will have a story telling event in Tivoli’s 320. If you have a story to share about any experiences we will be requesting submissions soon, for those come out to share a story there will be compensation for your time. Thursday, November 10, 2016 there are several events happening. In the morning from 10:30am we will begin our Veterans Day Ceremony with door prizes, a speaker, and we will end with a taco bar. Throughout the day the VSO will have live music as well as ask a veteran tables set up on the quad. From 11am-4pm there will be individual and group challenges throughout the day as well as some resources on St. Lawrence. Please keep an eye out for the flyers with more details!

Jill & Lulu

As we progress in to the semester we would like to remind everyone that there are free mental health services on campus. Jill and Lulu are Veteran Mental Health Specialists. Sometimes we just need some Lulu love to help us through the day! Thank you Jill and Lulu for being there for our students!
