The Degree Audit is a tool you can use to see how the courses you have taken or are registered for can be applied towards your intended degree at CU Denver. It is not an official record and should not be used as a substitute for academic advising. Please contact your assigned academic advisor for additional assistance.

- Log in to your portal [https://passport.ucdenver.edu/login.php](https://passport.ucdenver.edu/login.php)
- Go to Registration/Records and select Degree Audit
- A new window will open and you will have two options
  1) Run Declared Program  
  or
  2) Select a Different Program
- If you select Run Declared Program, a new window will open, select View Audit
- *If you are in a Pre-Business, Pre-Engineering, or Pre-Architecture program, please chose Select a Different Program and enter your intended degree information*
- If you chose Select a Different Program, enter the following information

**College**
- AP: Architecture & Planning
- BUSN: Business School
- CAM: College of Arts and Media
- CLAS: College of Liberal Arts and Sciences
- ENGR: College of Engineering & Applied Science
- SOEHD: School of Education & Human Development
- SPA: School of Public Affairs

**Degree**
- BA: Bachelor of Arts
- BS: Bachelor of Science
- BFA: Bachelor of Fine Arts

**Program**
- (select the name of the program/major)

**Catalog Year**
- (select the catalog/academic year)

Select ‘Run Different Program’
Each degree requirement is marked with one of the following:

- Complete
- In Progress
- Unfulfilled

Click on the small arrow to view more information about the degree requirement.

30 a year in the clear!
Get ahead. Graduate in four years.

30 x 4 = 120

credits per year x years = total credits
