Steps for narrowing down your major choices:

1. Cross out all majors in which you have no interest.
2. Circle any remaining majors in which you have some interest.
3. Research requirements for these majors in the CU Denver catalog (catalog.ucdenver.edu) and on their specific websites.
4. Use the resources on the back of this sheet to explore what you can do with these majors.
5. Meet with faculty advisors to learn more about the major.

**What next?**

You could...

- Meet with a **Career Counselor** at the CU Denver Career Center to discuss your strengths, interests and skill sets and begin to understand which majors and careers would be a good fit for you. To set up an appointment at the Career Center, call (303) 315-7315. Their office is located in the Tivoli Student Union, room 267.
- Set up appointments with **Faculty Advisors** in the major departments that you are now considering. Meeting with Faculty Advisors will help you further understand the major and classes required to complete it. It will also give you a great opportunity to meet an expert in that field and learn more about the associated careers.

**Still have questions?**

You can call or stop by the Academic Success and Advising Center to schedule a time to meet with an Academic Advisor.
