Welcome to CU Denver Housing & Dining

CU Denver Housing & Dining at Campus Village is a 230-unit, 722-bed student living-learning community located on Denver’s Auraria Higher Education Center Campus. Housing at the community is available to students attending University of Colorado Denver, the Metropolitan State University of Denver, and the Community College of Denver.

By focusing on the holistic student experience, life through CU Denver Housing and Dining reinforces the student's academic pursuits, as well as our commitment to leadership, community service and development. Through cultural and developmental programs coordinated by the staff of Campus Village, residents can participate in a wide variety of activities: including seminars, community outreach programs, community service and social activities. Professional staff are on call 24 hours a day to handle emergency situations, aiming to provide an uninterrupted level of quality services. CU Denver Housing and Dining believes in regular evaluation of administrative and programmatic efforts, which is critical to ensuring that efforts continue to meet and exceed student expectations and enhance the overall collegiate experience.

Mission
Residence Life provides a home away from home where students can be a part of a safe and inclusive community in an urban environment that fosters student engagement, academic achievement, leadership and personal development.

Vision
To create an innovative housing experience that prepares students for their academic and career endeavors while fostering social development.

Motto
“Living the Milo Way”
Community Living

Living with others requires maturity, patience, open communication, willingness to compromise, and respect for others. No matter how compatible roommates are, there is always potential for conflict. Culture, cleanliness, sleeping patterns, habits, and hobbies are some examples of things that can be different among roommates. These differences can serve to be positive learning opportunities for people living together, or they can create a negative atmosphere within the suite that can seem intolerable. You and the attitude that you take in communicating with your roommate will determine whether or not your situation will be positive or negative. The RA staff is committed to facilitating communication between and among roommates. Work with your RA to accomplish this goal; it can make the environment in your home even better!

We encourage you to set parameters and rules at the beginning of the year with your roommates. This will allow everyone to have a firm understanding of everyone's expectations in the suite, and will ultimately lead to a successful experience.

Each RA will work with every suite to establish a Roommate Agreement at the beginning of the year. We require that each resident complete each section of the roommate agreement, sign and return to their RA to keep on file. With this agreement completed, should there be any future personality conflicts, each roommate will be able to refer to their agreement/contract drafted at the beginning of the year. This contract will also help with roommate mediations should the need arise.

In addition to the Roommate Agreement Form, we encourage you to utilize your RA as a guide in navigating and solving roommate concerns. RAs are trained and aware of how to handle roommate concerns and conflict management.

Helpful Tips

- Treat your roommates as equals. Do not give orders, make unreasonable demands, or expect favors. Try to put yourself in the shoes of your roommate(s) to determine if what you are doing (or not doing) is reasonable.
- Respect your roommates' right to privacy. Do not pry into their private affairs or expect to share in their activities unless invited.
- Keep borrowing to a minimum.
- Avoid trying to "reform" or correct your roommate(s). Do not expect them to conform to your standards or accept your beliefs. If you have any concerns regarding the behavior of your roommate(s) or any other resident, please reach out to your RA or other Housing & Dining staff.
- Work out mutually agreeable divisions of chores. Do not wait for your roommate to take care of the housekeeping.
- Make a sincere effort to be friendly. Do not withdraw into a shell or forget common courtesy. Be respectful toward one another. Accept routine inconvenience without
complaint. Do not gripe continuously about little annoyances that are insignificant. If they are significant, talk to your roommate right away, and not to anyone else. It is not acceptable, nor will it solve problems, to post on social media or blog about your roommates’ behaviors you find frustrating. Consider their feelings and how this behavior would make you feel.

- Keep your promises and commitments without exception. Do not break appointments or back out of agreements.
- Respect the efforts of others to study. Do not cause interruptions or make unnecessary noise.
- Prepare and live with a realistic budget. Do not overspend during the month and have little or no money left to pay your portion of the suite’s shared bills (such as shared food, toilet paper, cleaning supplies, etc.).
- If you have a disagreement with a roommate, talk about it as soon as possible. Do not let your anger or frustration build up until you explode. Your RA is available to support and mediate if necessary.
- Have a discussion and agree to boundaries about various relevant items.

Roommate Disagreements

Housing & Dining has several programs in place to intervene if you and your roommates are not getting along as well as you would like. The most important step you can take is to discuss your concerns with your roommate(s). Frequently, conflict occurs because one roommate assumes the other should know s/he is upset, but the roommate does not actually realize there is a problem. It is difficult to commit the time necessary to work through the conflict, but the skills learned in the process will serve you for the rest of your life. Take advantage of the situation to become more skilled at working with others. If you do not feel you are able to handle the situation yourself, talk with your Resident Assistant, who can help you to communicate with your roommate and hopefully reach a compromise. Moving to another suite with new roommates is a last resort and will be treated as such. The possibility of a room change may not be feasible due to space constraints so it should never be seen as a guarantee.

Suite Changes/Transfers

During the year, if you wish to move to another suite, you must contact the Residence Life Coordinator who will assist you in completing the appropriate procedure. All suite changes must be approved by the Assistant Director of Residence Life or designee. All suite changes are subject to an administrative fee. If a resident moves prior to receiving approval, they will have to move back to their originally assigned space and a $200 fee may be assessed for an improper room change. Please note, if you choose to switch to a more expensive room type, your installment charges will be adjusted for the new room type you have selected.

All residents will be offered an opportunity to change rooms within the same room type without incurring administrative fees during the first full week of October (October 7 – 11), also called Amnesty Week. All room changes that result during Amnesty Week must be approved by the Assistant Director of Residence Life or designee. All suite/room changes approved during Amnesty Week must be completed no later than 5:00 pm on October 13.
**Alcohol**

In accordance with federal, state and local laws, the use of alcohol by underage students and the abuse of alcohol is not permitted in Campus Village. The legal drinking age in Colorado is 21.

- Only residents who are 21 years of age or older may possess and consume alcohol in their own room. If the student is underage, this prohibition includes a student who knew, or reasonably should have known, they were in the presence of alcoholic beverages, or possessed, displayed, or was in the presence of alcohol containers or packages.
- Manufacturing, distributing, or selling alcoholic beverages is not permitted.
- Collecting and/or displaying empty alcohol containers or packaging is not permitted, regardless of age.

**RESIDENTS OVER 21**

Students of legal drinking age are permitted to drink alcoholic beverages in their personal rooms with no minors present.

- When residents of legal drinking are transporting alcohol in and out of Campus Village, the containers may not be visible or opened.
- Alcohol-related conduct which infringes upon the rights of others is not acceptable under any circumstance.
- Residents of legal drinking age who live in suites with underage residents must keep all alcohol in their personal bedroom behind a locked door at all times.
- Full or empty bulk dispensers (kegs, taps, beer bongs, beer funnels, shot skis, etc..) and alcohol related paraphernalia (beer pong tables, etc...) may not be brought into Campus Village.
- Alcohol is not permitted in any common areas.

**Amenity Usage**

Campus Village offers a variety of amenities for each resident to use, including access to free laundry services, a multipurpose room, a media room, game rooms, study rooms, conference rooms, the Cyber Center, and Fitness Center. The maintenance and care of these facilities is every resident’s responsibility, and abuses of facilities may result in their closing. Furniture and equipment located in common rooms must stay in designated areas so that all residents may enjoy their use. There will be a $250 moving charge for returning furniture and equipment removed from any public area.

**CYBER CENTER**

Residents have access to the Business Center located within the Cyber Café. Residents have access to a printer in the Business Center. Residents wanting to use the printer need to provide their own paper. Refer to the [CU Denver Acceptable Use of Information](#)
Technology Policy for more information regarding appropriate use of computers in the Cyber Center.

FITNESS CENTER
Use of the Fitness Center is at your own risk. The Campus Village Staff asks that you report maintenance problems to the Front Desk immediately. Do not attempt to repair equipment yourself. Anyone beginning an exercise program should consult a physician prior to using the Fitness Center. For the safety of all residents, residents must use the equipment provided in the fitness center in the manner for which it is intended. Proper athletic attire including a shirt and shoes must be worn at all times while in the fitness center. No food is allowed in the Fitness Center, and beverages are limited to water only.

GAME ROOMS
The Game Rooms are a great place for residents to go and play pool or ping pong. Game Rooms are located in the East Wing. Residents can check out equipment for ping-pong and pool at the Front Desk. Equipment should be inspected at the time of check out to ensure nothing is damaged. Any damaged equipment returned to the Front Desk may be billed to the resident who checked out the equipment.

Assault, Physical Abuse, & Harassment
Physical, verbal and other abusive behavior and threats of any kind toward resident(s) or Housing & Dining staff are strictly prohibited. Displays of any abusive behavior will result in a referral to the University conduct process and can include termination of the housing contract. Refer the University of Colorado Denver’s Sexual Misconduct, Intimate Partner Abuse, and Stalking Policy and the Student Code of Conduct for more information on prohibited behaviors that fall within this category.

Assistance Animals
The “No Pet” policy at Campus Village does not apply to assistance animals defined as emotional support animals or certified service animals. Emotional support or service animals may be approved through a request for housing accommodations when an animal is necessary to allow a student an equal opportunity to use and enjoy Campus Village.

Residents with an emotional support or service animal are expected to care for the animal at all times while residing in Campus Village.

Residents are expected to maintain a clean and healthy living environment for the animal as well as other residents in the building. Maintaining a healthy environment includes cleaning up after the animal and its waste. If your emotional support or service animal requires outdoor relief space, there are designated animal relief areas in the south parking lot in the grassy area behind the basketball courts. If your emotional support or service animal requires indoor relief space, the resident is responsible for maintaining a clean relief
space within their individual suite or bedroom.

- Emotional support or service animals are not allowed to roam the building or Campus Village premises freely outside of the resident’s personal suite and bedroom space. Service animals accompanying their resident are permitted in all areas of Campus Village while assisting their resident.

- All assistance animals traveling outside of the resident’s suite must be kept on a leash.

- Emotional support or service animals that display repeated disruptive behavior may result in the resident being referred to the conduct system or, in extreme circumstances, the resident and/or animal being dismissed from Campus Village.

Approval for an emotional support or service animal must be requested at least 10–14 business days before a resident moves into Campus Village. Any resident found with an unapproved assistance animal at Campus Village will be asked to remove the animal immediately.

Requests for reasonable accommodation, including having a certified service animal, at Campus Village can be submitted through the CU Denver Disability Resources and Services (DRS) Office. The DRS Office is committed to providing assistance to qualified students with disabilities and coordinate reasonable accommodations in order to provide students equal access to the institution’s programs, activities, and services. Students who would like to request reasonable accommodations can contact the DRS Office at 303.315.3510 or via email at disabilityresources@ucdenver.edu. The DRS Office is located in the Student Commons Building, Suite 2116.

Any bicycles parked and/or locked in any common areas, stairways, breezeways, or in front of interior or exterior doorways will be removed at the owner’s expense. Housing & Dining will hold the bicycle for 30 days, and then dispose of it if not identified and claimed by the owner.

All bicycles must be registered each year with AHEC using the [online registration form](#). Housing & Dining advises residents to provide their own vandal proof bike lock and to always lock the bicycle frame and wheels to the racks. Housing & Dining is not responsible for lost, stolen or damaged bicycles.

Bicycle riding, skateboarding, rollerblading or use of any equipment with wheels are prohibited within the buildings, suites and courtyard, and other common areas. In addition, Housing & Dining prohibits the use, possession or storage of hover boards, Segway’s, electric bicycles, electric scooters, and similar devices.

**Commercial Ventures, Gambling, & Solicitation**

The use of suites and bedrooms for commercial purposes (personal or corporate), and participating in or encouraging door-to-door solicitation within Campus Village is not permitted. Gambling and running a business within Campus Village are also prohibited. The internet connection provided as part of the housing contract may not be used for any commercial or profit-making enterprise.

**Confiscated Items**

Any item(s) that violate a Housing & Dining and/or University policy will be confiscated by a member of the Housing & Dining staff. Any and all items that are confiscated, including drugs, drug paraphernalia, and alcohol, will not be returned to the student at any time. All confiscated items will be disposed of.
**Damages**

Residents are responsible for the condition of suite furnishings and will be billed for all repair and/or replacement costs. Any and all repairs needed within suites and other areas must be performed by authorized maintenance personnel. Residents will be charged for any damages for which they or their guests are responsible. All damage charges will be assessed to the resident’s student account. Any unpaid charges may result in additional late fees, collection attempts, or termination of the housing contract.

**Dining Hall & Cyber Café Behavior**

Loaning meal cards to guests or other residents is not permitted. Shoes and shirts must be worn at all times while in the Dining Hall and the Cyber Café.

Although patrons are allowed to eat all they like while in the Dining Hall, no food will be allowed to leave from the Dining Hall. In the event a resident cannot make it to the Dining Hall during regular hours of operation, a meal equivalent will be available in the Cyber Café. All patrons of the Dining Hall and Cyber Café are expected to clean up after themselves as well as any messes they make. Additionally, behavior that any reasonable person could deem as potentially damaging or not in line with normal use of dining equipment or furniture is not permitted.

In addition to the policies above, the following guidelines will also help promote a courteous and welcoming atmosphere in the dining space. All residents, guests, and other patrons who utilize dining spaces should refrain from using their cell phones while ordering or purchasing food and should also be courteous with the audio levels on any electronic device.

No items or decorations are permitted on the windows including, posters, lights, flags or alcoholic containers.

No items are permitted to be attached to the ceiling. No items should be attached to the fire sprinkler heads. All decorations must be temporary so as not to permanently deface or damage doors, windows, and suite furnishings. Tape of any kind on the carpet or flooring is not permitted. Any damage to ceilings, walls, floor, or furniture will result in a damage fee upon checkout.
Residents should avoid material that a reasonable person might find offensive. The posting of material that “attacks,” demeans or otherwise exploits an individual or a group of individuals is not permitted. No materials are permitted to be permanently adhered to doors, windows, or other suite furnishings. Residents should not use materials that cannot be readily removed from any surface. Materials affixed to the door must not cover the peep hole. Housing & Dining staff reserve the right to ask students to remove any decorations from walls, doors, windows, floors, etc. Total wall and/or door coverage is considered a fire hazard and is not permitted.

**Drugs & Marijuana**

The use, possession, manufacturing, or sale of marijuana, including medical marijuana or related paraphernalia, used or possessed under Colorado Constitution Article 18, section 14, is strictly prohibited on campus, including campus housing. The Colorado state constitutional amendment authorizing individuals over the age of 21 to recreationally use marijuana (“Amendment 64”) does not change this prohibition or authorize a student to use marijuana on Housing & Dining property or the Auraria Campus. Federal law, including the Drug-Free Schools and Communities Act, prohibits the presence or use of drugs, including marijuana. Thus marijuana use or possession, even if in compliance with Amendment 64, is prohibited on campus. Violations of this policy will result in a referral to the University conduct process, as well as possible termination of the housing contract.

- This prohibition includes a student who knew, or reasonably should have known, they were in the presence of drugs or drug paraphernalia when knowledge of the drugs is reasonable.

Additional offenses may result in increased fines and possible termination of the housing contract. In addition, any false alarms on the property as a direct result of smoking, using prohibited fire hazards, or any other housing contract violation will result in a $500 fine for the first offense, and additional fine and possible termination of the housing contract for the multiple offenses.

Residents present in the room during these inspections must comply with staff and open up door to allow entry into the unit. In limited circumstances, Housing & Dining staff or other University officials may key into a suite or bedroom without a resident present. These circumstances include scheduled maintenance and safety walks as well as cases when the health and/or welfare of a student is in question.

In the event that a resident has violated their housing contract regarding proper cleanliness, guest privileges, drug violations or the pet policy, this document serves as notice for CU Denver Housing and Dining Professional Staff to re-inspect the suite as necessary to ensure there are no further violations.

ticketed, booted or towed without warning. If a vehicle is booted, it is the owner’s responsibility to pay the $50 booting fine and move the vehicle to an appropriate location upon removal of the boot. Failure to move the vehicle immediately after the boot is removed can result in a second boot or towing of the vehicle. Failure to pay the fee to remove a boot within 24 hours will result in the vehicle being towed.

**GUEST PARKING**
Visitors may park in surrounding parking lots. Note: Surrounding parking lots require payment. There are a limited number of guest parking spots on the east side of the building. Guests parking in guest spots are required to display a guest parking pass which can be checked out from the Front Desk. For information about posting information in Campus Village please the Front Desk for more information.

**Smoking**
Smoking is strictly prohibited in all suites, hallways, breezeways, common rooms, the courtyard and within property gates. Smoking is permitted in the smoking pavilion, located in the South parking lot. Hookahs, bongs and any other smoking paraphernalia items involving an open flame are strictly prohibited on the property, even when they are not in use.
**Suite Furnishings**

All furnished suites are to remain furnished, with beds on their frames and furniture on the floor (e.g., no beds on top of desks or dressers, no desks or dressers stacked or turned on end). For safety reasons, cinder blocks are not permitted. Furniture may be rearranged in your suite provided it is returned to its original position prior to check-out. No bunk beds or waterbeds are permitted. No construction, wall partitions, painting of walls and furniture, bed risers or any similar structures are permitted.

**Vacant Spaces**

Current residents cannot refuse a new roommate as long as there are empty beds in the suite. It is a violation of the housing contract to tell a potential roommate that you do not have a vacant space in your suite when in fact one or more spaces are unoccupied. If you do not wish to have new roommates, you can rent any open space(s) at the current rate. Additionally, residents are privy to their own bed spaces but under no circumstances are to occupy vacant bed spaces.

**Vandalism**

Vandalism, including but not limited to, damaging university property or property belong to another is not permitted and a violation of the Student Code of Conduct. This includes intentional damage to elevators, white boards/bulletin boards, door decorations, flyers, and life safety equipment. Residents found responsible of vandalism could face possible termination of the housing contract.

**Weapons**

Firearms, ammunition, fireworks, explosives, highly flammable materials (including spray paint), projectile devices, guns or knives, or any other weapon or material or instrument which poses a risk of damage or injury is strictly prohibited on Housing & Dining property. Refer to the Student Code of Conduct for “weapon” as defined by the University of Colorado Board of Regents. A harmless instrument designed to look like a firearm, explosive, or dangerous weapon which is used by or is in the possession of a person with the intent to cause fear in or assault to another person is expressly included within the meaning of weapon.

Residents and guests are not permitted to carry handguns regardless of their possession of a Concealed Handgun Permit. AHEC does offer the option for short-term weapons storage. Questions about AHEC’s weapon’s storage policy should be directed to 303.556.5000. Residents and guests should not possess or store any other types of firearms at Campus Village. Firearms are defined as any gun, rifle, pistol or handgun designed to fire bullets, BBs, pellets or shots (including paint balls or darts) regardless of the propellant used. This includes ornamental rifles used for military or ROTC training.
Evacuation

Fire warning devices and safety equipment are to be used only in case of emergency. The sounding of a fire alarm should be taken seriously and residents should proceed according to the instruction posted in and about the property. The intentional sounding of an alarm outside of an emergency situation will be considered a criminal offense and the person or persons responsible will be treated accordingly.

If there is a fire or the alarm sounds, feel your door with the back of your hand before exiting. If it is cool, exit the room, close the door, and proceed to evacuate the building. If the door is hot, don't open it; fill any cracks with wet towels, signal from your room by hanging a sheet out your window and wait to be rescued by the fire department. Upon leaving your suite, close your door. If smoke is present in the breezeways, lie down and crawl to safety; fresh air will be near the floor. All residents should proceed away from the building and meet in the parking lot at the furthest point from your building. After you have exited, please be sure to move away from the building in order to avoid falling debris and to give the fire department personnel room to operate. Notify a member of the property staff upon exiting the building. The fire department will give an "all clear" when it is safe to re-enter the building.

You are required by law to evacuate the buildings when the alarm sounds. Failure to do so is not only dangerous and illegal, but it also may result in criminal prosecution and the initiation of eviction proceedings. Failure to exit the property during a fire alarm or drill may result in fines up to $1,000.

Fire and Life Safety Equipment

All exit signs, fire extinguishers and other fire/life safety equipment needs to remain intact, installed and functioning. Part of living in a community is reporting any equipment that is failing, or being tampered with, or destroyed. Failure to report any vandalism or damage to the property, specifically, fire/life safety equipment can result in a conduct hearing leading to fines and/or eviction.

Any individual found tampering with, or possessing any fire/life safety equipment, (including exit signs, fire extinguishers, sprinklers, smoke detectors, etc...) can face large fines and referral to the conduct process as well as possible termination of the housing contract and/or criminal prosecution.

Missing Persons

As required by federal law, every resident will be given the option of providing confidential contact information which will be used in the event that the resident is
reported to be missing. The confidential contact is not required to be a parent or guardian if the resident is 18 years of age or older. Parents or guardians will be called if the resident is non-emancipated and under the age of 18 within 24 hours after the resident is determined to be missing. Regardless of the student’s age, law enforcement will be notified within 24 hours of the determination of a missing student. During the residence halls application process, every student will be asked to identify that confidential contact. If the student does not wish to list a contact, they may decline to do so.

**Personal Property Insurance**

Please be aware that the property takes many precautions to maintain the safest living environment possible, but we are not liable for any losses or damages that may occur to your personal property. If you are a dependent, you may be covered under your guardian’s personal property insurance.

Housing & Dining takes many precautionary measures in attempting to aid the well-being of our residents. These include: strongly urging you to keep your suite and bedroom locked at all times and having an extensive preventive maintenance program designed to detect and cure any problem areas throughout the physical facility. We strongly recommend that you obtain personal property insurance for all of your valuables.

**NON-LIABILITY OF OWNER**

Owner, its officers, agents and employees, shall not be liable in any manner for any loss, injury, or damage to Tenant, its agents, guests, and licensees, including but not limited to, acts of theft, burglary, vandalism and assault. Tenant assumes all risk of loss or damage of Tenant’s property within the Property, which may be caused by water leakage, fire, windstorm, explosion, or other cause, or by the act of omission of any other harmless Owner, its officers, agents and employees from and against any and all claims for injury, loss, or damages to person or property, regardless of cause, arising out of or resulting from damage, injury or loss alleged to have been sustained by Tenant; without in any way limiting or restricting the generality of the above, Owner shall not be liable for any claims arising from acts of theft, vandalism, assault and other criminal activity committed on the Property.

**Personal Safety**

Personal safety measures are just as important to your well-being as those previously mentioned. Crimes, injuries, and personal assaults all occur outside of our control, but there are steps that can be taken to decrease your likelihood of being a victim. Living in a major metropolitan area carries with it a responsibility to be aware of your surroundings and take certain steps to ensure your safety. Below are some safety tips to keep in mind while both on and off the property:

- Do not walk alone after dark. If you must travel across campus after dark, you
may opt to use the Auraria Campus Nightrider service. The Nightrider will give you a free ride from any campus parking lot to your classroom and back again. This service is provided by calling 303.556.2000 Monday through Thursday from sundown until 10:00 p.m. and by calling 303.556.3271 on weekends and after hours.

- Do not prop open any doors. Do not open doors for strangers.
- Lock the deadbolt on your door at all times. When you leave your suite, remember to lock your door, this applies even when you leave for only a minute. Always carry your suite key card with you. If your suite key card is lost or stolen, please report it to the property office so the lock may be changed.
- Use the peephole installed on your front door before opening the door to let in a guest. Never open your door to someone you don't know. Report suspicious-looking persons to your RA or property personnel.
- If you see an unsafe feature on our property (e.g., an EXIT sign is burnt out), please notify the Front Desk immediately.

**Preventing Auto Crime**

Housing & Dining staff recommend keeping your car locked and your valuables out of sight. Housing & Dining is not responsible for any damage or loss to your motor vehicle or its contents. Please reference the following tips to prevent auto crime.

- Roll up windows.
- Never hide a spare key in your car.
- Approach your car from behind on the passenger side while giving the impression that you are just passing by. Walk past the passenger side and look into the car. Check the back seat. Proceed to the driver's door.
- Carry your key ring in your hand while walking to your car, whether in daylight or dark.
- As soon as you get in the car, lock the doors.
- If someone is in your car or loitering around it, call the police or security. DO NOT confront the stranger.

**Security Cameras**

To enhance safety and security efforts in the halls and dining centers, security cameras are located near external doors, inside main entrances/lobbies/hallways and around other public areas. The camera’s locations only record data in areas considered public, where people would not expect privacy.

**Tornados**

Know the difference between a tornado watch and a tornado warning. A tornado watch simply means that conditions are favorable for the formation of a tornado. A tornado
warning is issued when a tornado has actually been sighted or has been indicated on radar.

In the situation that a tornado warning is in effect, the safest place for you to stay is in your bathroom. Housing & Dining suggests you take a portable, battery operated radio with you to keep you up-to-date on the current status of the tornado. Once the tornado warning has been lifted, the immediate danger is over and you can resume normal activity. If Campus Village has been damaged, emergency first responders will be contacted and determine if residents can return to their suites/bedrooms.

**Winter Storm**

In areas where winter storms can be particularly severe, you should begin making plans in late fall for the coming winter. Housing & Dining recommends having the following items on hand before the storm season arrives: battery operated radio and spare batteries, fully charged cellular phone, flashlights with spare batteries, and a fully stocked first aid kit.

The safety and emergency procedures listed above are specific to Campus Village. All policies and procedures listed in the above section should be followed, in addition to those specified in the CU Denver Student Code of Conduct.
University of Colorado Denver Students

Housing & Dining submits a semester charge to the University of Colorado Denver at the beginning of the fall and spring semester (typically around late July for the fall, and late December/early January for the spring semester). Your housing charges will be combined with your tuition and fee charges on one bill through your student portal. You will be responsible to log into your CU Denver student portal and set up payment arrangements on your student account. If you make a housing contract modification you are responsible to make the appropriate adjustment to any payment plan you may have in place.

The CU Denver Bursar Office can be reached via phone at 303.315.31800 or via email at bursar@ucdenver.edu. You can also find useful information on the Bursar's Office website.

FINANCIAL AID

Financial Aid may be used to pay for all or a portion of the housing contract liability charges. These payments are made for the full semester balance. Please work with the Office of Financial Aid for eligibility and packages.

Any remaining balance unpaid through the University of Colorado will be the sole responsibility of the student and/or guarantor of the housing contract to ensure the balance is paid directly to the CU Denver Bursar Office. Any late payments will be subject to the terms and conditions of CU Denver's late payment policy. Additionally, students with a balance due may receive balance due letters and/or phone calls and emails reminding them of the balance outstanding. An outstanding balance may jeopardize your eligibility for housing. If you are unsure of your payment status or account balance, please contact, in writing, the Student Accounts Manager at any time. The Student Accounts Manager can be contacted at: campusvillagecorsm@greystar.com or via phone at 303.573.5272.

Metropolitan State University of Denver & Community College of Denver Students

Housing and Dining does not send bills or statements for payments due. We do not provide payment slips, payment reminders, etc. It is your responsibility to make the payments by the assigned date based on the payment plan you chose by referring to your copies of the housing contract. You may deliver payment to the office through the Front Desk, send payments through US Mail, or make payments through an online account.

Please note that if you are choosing the monthly installment option, these payments are installment payments, not monthly rent payments. This statement means that each payment is part of the installment amount not a particular month's rent. If you do not make the payments by the designated due date, you will be assessed a late fee. Payments that are mailed must be received by the due date, regardless of postmark, to avoid late fees. If you
are unsure of your payment status or account balance, please contact, in writing, the Student Accounts Manager at any time. The Student Accounts Manager can be contacted at: campusvillagecorsm@greystar.com or via phone at 303.573.5272.

FINANCIAL AID

The Financial Aid Office or Bursar’s office at MSU Denver and CCD do not automatically disperse financial aid checks to CU Denver Housing & Dining. It is your responsibility, as the recipient, to use your financial aid to cover your educational and/or housing costs. If you have questions about your financial aid, please contact your specific Financial Aid Office. If you are unsure of your account balance, how much financial aid has paid, and how much you may owe, please contact the resident services manager, or view your account balance (payments and credits) through your resident profile account with Campus Village. To view your online account balance, please log in here.

Any refund from the University/College should be held until you have written confirmation from a property manager that your account has been paid in full for the semester.

LATE PAYMENTS

All late payments (as per the late payment schedule on housing contract) will be applied within 48 hours of the payment date Monday through Friday. If the payment is made after 5:00pm on Friday, the credit will be received the next business day (business days are defined as Monday-Friday, excluding holidays and weekends). Residents and guarantors, please be advised that by submitting the rent payment late, residents may be forfeiting any meal swipes during the unpaid duration (example, if the 1st of the month lands on a Monday, and the rent is paid the morning of the 4th day of the month, Thursday, the meal credits will be uploaded within 48 hours of the payment date by Friday night. In this example, residents will have Friday night, Saturday and Sunday night to use their weekly meal swipes. Starting the second week, assuming the full rent was paid on the 4th, residents will have the full weekly meal count for the remainder of the month to use at their discretion.

NON-SUFFICIENT FUNDS/RETURNED CHECKS

If Housing & Dining receives a returned check on your behalf, there will be a $30.00 NSF/Returned check fee charged to your account, plus any late fees per the housing contract. After two returned checks, we no longer accept checks on your behalf. All future payments would have to be made by credit/debit card, money order or cashier’s check only. Additional fees may apply.

Residents will only be issued one Meal/ID Card at a time; no duplicate cards will be issued for any reason. Any lost, misplaced, or stolen Meal/ID Cards must be reported to Campus Village management at the front desk. Residents issues a replacement Meal/ID Card will be charged a $15.00 replacement fee to their UCDAccess Student Account. Student meal cards must be in working order with the swipe function working and a clear student photo displayed.

MEAL SWIPES

Meal plans are strictly to be used by the resident holding the meal plan. Residents are not permitted to use their meal cards swipes to pay for guests to eat in the Dining Hall, Cyber Café or any other location where this card is accepted. Residents may not lend their card to anyone else to use on their behalf. Residents may pay for guest meals with flex dollars.
With the exception of the Rapids meal plan, all plans have a weekly-swipe limit. Unused meal swipes will be forfeited Sunday at midnight and will not roll over the following week. Weekly swipes are replenished automatically every week on Monday morning. Residents can submit a written request to the front desk to obtain a usage history and credit balance report for their meal plan.

Residents may swipe up to four meals per day. Residents may also use a meal swipe equivalency once per meal period not to exceed your 4 meal swipe per day limit in the Cyber Cafe. A meal swipe equals five points. You may purchase Simply to Go items in the Cyber Cafe according to their point value up to a total of five points. Unused points on a meal swipe will not be refunded or carried forward. Items available for meal swipe equivalency will be labeled with their point value.

**FLEXIBLE SPENDING ACCOUNTS (FLEX DOLLARS)**

Flexible spending accounts consist of flexible spending “dollars,” which residents can use to purchase items in the Campus Village Dining Hall, the Campus Village Cyber Cafe, and any on campus vendor partners; which at this time is iPie (in the Tivoli). Similar to a debit card, each purchase made using flexible spending dollars is deducted from the resident’s flexible spending account.

Flex dollars will roll from week to week and month to month. However, if there is an unused credit or balance at the end of the contract, change in meal plan, or time of checkout, these credits will be forfeited and not refunded to the resident. Flex cash credits are uploaded on a monthly basis and meal swipes on a weekly basis as long as any existing housing balance is current and paid on time. Meal swipe credits begin on Monday morning, and conclude on Sunday evening weekly. Please note that you may not spend more than your monthly flex deposit in a single day; exceptions will not be made during move out period in May.

**MEAL PLAN DURATION**

Residents who cancel their meal plan will lose all meals and flex balances at the time of the cancellation. Residents who renew their housing contract and elect to buy a meal plan will start their renewal contract with a new meal plan. Any unused meal swipes or flexible spending dollars from their previous housing contract will not roll over to the renewal or new housing contract.

**MEAL PLAN CHANGES**

Residents may request a change to their meal plan up to the semester census date. Any requests for changes to a meal plan after the census date will not be granted.

**MEAL PLAN SUSPENSION OR TERMINATION**

Resident meal card services may be suspended or terminated if a resident is in default of their housing contract, has a delinquent account balance, fails to pay any damages or property fines, violates any of the Housing & Dining Resident Handbook policies, housing contract policies, student Code of Conduct, or local, city, state or federal law. Services may be restored once Campus Village acknowledges the account/behavior change. Any meal swipes and/or flexible spending dollars not used due to a meal plan suspension will not be refunded and the meal plan swipes and/or flexible spending dollars will be forfeited.
Appendix A: Suite and Bedroom Care

A major component to living on-campus includes learning how to care for your individual and shared living space. The following guidelines are meant to be a resource to assist you in maintaining those spaces at Campus Village.

DECORATIONS & POSTING
Residents are encouraged to personalize their suite to make it feel more like home. When making a decision about displaying any item, consider the following: Does the item pose a threat to health and safety, cause a potential for physical suite damage, or infringe on the rights or comfort of others? If so, then the item should be reconsidered. Housing & Dining staff can provide guidance on navigating the decision to display items and decorations. Housing & Dining must approve all documents before they are posted on the exterior entrance door.

DISHWASHER
Each full sized kitchen comes with a dishwasher. In order to reduce maintenance problems with dishwashers, the following guidelines should be used: Scrub dishes first, especially if it will be a few days before you run the load. Use only dishwasher detergent. Be sure the product is advertised as an automatic dishwasher detergent, not one for hand-washing dishes. Once a month, pour a cup of distilled vinegar in the dishwasher and run it empty 2-3 times.

FOOD WASTE DISPOSAL
Each suite is equipped with a food waste disposal in the kitchen sink. Do not insert hand into disposal. Turn on cold water (water should remain on during complete disposal operation and for a sufficient time after grinding is completed to ensure all waste is flushed away.) Turn the switch to the "On" position to start disposal. Feed the food waste into the disposal while it is running; do not dispose of large quantities at once. Do not turn off the motor or water until grinding is complete. Do not insert any objects that may damage the food disposal. These items include, but are not limited to, silverware, meat bones, fish pebbles, aquarium stones, bottle caps, plastic, and large food items.

HEATING & COOLING UNIT
Efficiency of your heater is dependent upon complete air circulation. It is important to keep all vents in every room open. In addition, please ensure that return air vents are left unobstructed. Housing & Dining recommends that residents keep the temperature of their room in between 70 and 72 degrees Fahrenheit with the fan function set to “Auto”. To prolong the life of your heating and cooling unit, do not run the heating/cooling fan while the windows are open, as this could damage the furnace filter and HVAC system. If you wish to request a new furnace filter, please submit a maintenance request by contacting the Front Desk or through your resident portal. If you are unsure of how to operate your heater/air conditioner unit, please ask your Resident Assistant or stop by the Front Desk.

HOUSEKEEPING
The property provides janitorial service for hallways, common areas, common bathrooms, breezeways, and grounds. Residents are responsible for the cleaning and upkeep of their suite. For your convenience, there are nine Recycling & Waste rooms located at the corners of the East Wing and North Wing, as well as one Recycling & Waste room near the laundry.
room in the Southwest corner of the building. If the trash room near your suite is full, please take your trash to another trash room or to the dumpster(s). It is everyone's responsibility to keep the community clean and free of trash and cigarette butts. Do not leave trash on the stairwell or in the hallways. If trash is found in inappropriate locations, you may be charged trash removal fees. Please make sure all your trash is properly bagged, and placed in appropriate Recycling & Waste rooms. Courtyard trash bins are not intended for large quantities or bags of trash. In addition to the Recycling & Waste rooms, recycling bins are located throughout Campus Village. These recycle bins are equipped to handle paper, plastic and glass. We encourage you to help keep our property clean and the environment clean by recycling what you can and discarding the rest in the trash.

SMOKE DETECTORS & FIRE EXTINGUISHERS
Every suite comes equipped with a set of smoke detectors and one fire extinguisher. Smoke detectors can be found in the kitchen, common area, and each bedroom. The fire extinguisher can be found in the cabinet under or near the kitchen sink.

Please note that the smoke detectors in your suite are very sensitive. When taking a shower, close the bathroom door to ensure the steam does not affect the detector. When cooking, be sure to use the fan on your microwave. This could also help prevent a grease fire. If your detector makes a beeping/chirping sound, it means the battery is low. Complete a work order as soon as possible to have the battery replaced. Any time a smoke detector sounds an alarm, you should respond to it as an emergency and proceed in a safe manner.

Fire extinguishers are intended for use in emergency situations only. In any event that a fire extinguisher is discharged, it should be reported to Housing & Dining staff or the Front Desk so that a replacement extinguisher can be installed.

TOILETS
Do not flush paper towels; they do not break down. Never flush feminine hygiene products, regardless what the packaging states. If your toilet does overflow or clog up, turn off the water supply immediately. There is a water shut-off valve next to the toilet on the lower left side of the wall. Residents are required to plunge their own toilet prior to calling in maintenance. Residents will be responsible for any toilet damages/overflows that are the result of improperly disposed articles. Residents must provide their own plunger toilets can be plunged as necessary. It is not the responsibility of the CU Denver Housing and Dining maintenance staff to plunge your toilet.

STUDENT STAFF

Resident Assistant(s) (RA)
Resident Assistants are student staff members who work most closely with the residents. RAs work to maintain communications between Housing & Dining staff and residents and assist in a multitude of administrative tasks. In addition, Resident Assistants are responsible for the development of a residential community that enhances the total college experience and facilitates resident growth through educational and social events.

Desk Assistants (DA)
Desk Assistants are student staff members that work the front desk. They help answer resident questions, direct phone calls, provide information, and complete various administrative tasks. Desk Assistants also serve as the main point of contact for residents, prospects, vendors, Auraria Campus, and local community members.
