CCTSI Child and Maternal Health (CMH-Pilot) Program
2015 - 2016 Letter of Intent Form

Due Monday August 17, 2015 5pm MDT

Instructions:

- The Letter of Intent collects preliminary information and must be submitted online. Submission by any other means will not be accepted.
- The Letter of Intent Form is not binding and cannot be changed. However, applicants may update the information during the Application process.
- Submission of the online Letter of Intent Form will generate a confirmation email with your Application Number, required to access the online Application system.
- As a reminder when entering collaborators below: an individual may serve as a Principal Investigator or Co-Investigator on only one application in a given year among the CO-Pilot, CMH-Pilot, CNS-Pilot, and CS-Pilot Programs.

### Primary Mentor

If you are applying for a Mentored Pilot Award you are required to provide Primary and Secondary Mentor information. Additional Mentors are optional.

A person may serve as a Primary Mentor to only one PI on one application per year. To prevent disqualification, PIs should confirm that their Primary Mentor is not acting in this role on any other applications.

Secondary Mentor

A person may serve as a Secondary Mentor on multiple applications in a given year, so long as there is no overlap between the projects and this is clearly indicated in the applications. To prevent disqualification, PIs should confirm that there is no overlap between projects sharing Secondary Mentors. Extra fields for entering mentor information will appear as needed, up to five mentors total.

Possible Reviewer Information

Reviewer Names **
Names of 3 potential reviewers (from local UC & related CCTSI Institutions). [Enter "Unknown" if no names are known]
This application may involve a collaboration with an external organization (CCTSI non-affiliate) and consequently a budget review will be required prior to submission of the application. **

I understand budget review appointments must be scheduled with Sandy Chalmers by Thursday September 11, 2014 and completed by Friday September 19, 2014.
