CCTSI Center for Neuroscience Pilot Program (CNS-Pilot)

2017 Intent to Apply Form

DUE DATE: Wednesday August 17, 2016 5:00pm MDT

Instructions:

- This Intent to Apply Form collects preliminary information and must be submitted online. Submission by any other means will not be accepted.
- This Intent to Apply Form is not binding and cannot be revised once submitted. However, applicants may update transferred information during the Application process.
- Submission of this Intent to Apply Form will generate a confirmation email with your Intent Number, required to access the online Application system.
- An individual may be included as a Principal or Co-Investigator ON ONLY ONE APPLICATION in an award year between the CO-Pilot, CMH-Pilot, CNS-Pilot, and CE-Pilot Joint Programs. This restriction is not applicable to CSU-Pilot, NM-Pilot, and CE-Pilot Partnership Development programs.

- **First Name**
- **Last Name**
Confirmation

Please read each confirmation thoroughly before responding! An inaccurate response may obligate you to extra requirements for application.

This application will require CCTSI Pilot Program Non-Affiliate pre-application budget review by September 8, 2016. **

If your application includes collaboration with a non-affiliate organization AND you intend to provide award funds to that organization, a pre-application budget review is required to evaluate budget caps and mandatory cost share requirements for the non-affiliate organization.

☐ Yes  ☐ No
